Please review the applicable Merrill Guided Investing Program Brochure (PDF) at www.merrilledge.com/guided-investing-program-brochure or Merrill Guided Investing with Advisor Program Brochure (PDF) at www.ml.com/guided-investing-program-brochure for information including pricing, rebalancing, and the details of the investment advisory program.

Your recommended investment strategy will be based solely on the information you provide to us for this specific investment goal and is separate from any other advisory program offered with us. If there are multiple owners on this account, the information you provide should reflect the views and circumstances of all owners on the account. If you are the custodian of this account for the benefit of another person, please keep in mind that these assets will be invested for the benefit of the other person. Merrill Guided Investing is offered with and without an advisor. Merrill, Merrill Lynch, and/or Merrill Edge investment advisory programs are offered by Merrill Lynch, Pierce, Fenner and Smith Incorporated ("MLPF&S"). MLPF&S and Managed Account Advisors LLC ("MAA") are registered investment advisers. Investment advisor registration does not imply a certain level of skill or training.

The Chief Investment Office (CIO) develops the investment strategies for Merrill Guided Investing and Merrill Guided Investing with Advisor, including providing its recommendations of ETFs, mutual funds and related asset allocations. Managed Account Advisors LLC (MAA), Merrill's affiliate, is the overlay portfolio manager responsible for implementing the Merrill Guided Investing strategies for client accounts, including facilitating the purchase & sale of ETFs and mutual funds in client accounts and updating account asset allocations when the CIO's recommendations change while also implementing any applicable individual client or firm restriction(s).

You may also be able to obtain the same or similar services or types of investments through other programs and services, both investment advisory and brokerage, offered by Merrill; these may be available at lower or higher fees than charged by the Program. The services that you receive by investing through Merrill Guided Investing or Merrill Guided Investing with Advisor will be different from the services you receive through other programs.

Asset allocation, diversification and rebalancing do not ensure a profit or protect against loss in declining markets.

Impact investing and/or Environmental, Social and Governance (ESG) managers may take into consideration factors beyond traditional financial information to select securities, which could result in relative investment performance deviating from other strategies or broad market benchmarks, depending on whether such sectors or investments are in or out

of favor in the market. Further, ESG strategies may rely on certain values based criteria to eliminate exposures found in similar strategies or broad market benchmarks, which could also result in relative investment performance deviating. You may also be able to obtain some or all of these types of services from other firms, and if they are available, the fees associated with them may be lower or higher than the fees we charge.

Investing in securities involves risks, and there is always the potential of losing money when you invest in securities.

Merrill, its affiliates, and financial advisors do not provide legal, tax, or accounting advice. You should consult your legal and/or tax advisors before making any financial decisions.

Merrill Lynch, Pierce, Fenner & Smith Incorporated (also referred to as "MLPF&S" or "Merrill") makes available certain investment products sponsored, managed, distributed or provided by companies that are affiliates of Bank of America Corporation ("BofA Corp.").
