[Spoken text:] Research performance and trends with robust charting tools, which include more than 85 technical studies.
Institutional Investor magazine announced BofA Global Research as the Top Global Research Firm in 2019 based on surveys held throughout the year. The magazine creates rankings of the top research analysts in a wide variety of specializations, drawn from the choices of portfolio managers and other investment professionals at more than 1,000 firms. BofA Global Research is research produced by BofA Securities, Inc. ("BofAS"), and/or one or more of its affiliates. BofAS is a registered broker-dealer, Member SIPC and wholly owned subsidiary of Bank of America Corporation. For more information about this award, go to institutionalinvestor.com/article/b1j05gxjrs0zwj/The-Top-Research-Firm-in-the-World-Is. Rankings and recognition from Institutional Investor are no guarantee of future investment success and do not ensure that a current or prospective client will experience a higher level of performance results and such rankings should not be construed as an endorsement.

And access BofA Global Research, named the top global research firm by Institutional Investor.

You can also stay in the know with the latest industry news.

It’s all on an easy-to-use dashboard that lets you trade stocks and ETFs during and after market hours on any page. You can even enter orders for multi-leg options strategies, including buy/writes, spreads and straddles.

And that’s with no set-up charges . . .

. . . and no trade or balance minimums.2
