Customer Information and Due Diligence

Merrill, like all U.S. financial institutions, is required to follow federal regulations to assist the government in its efforts to fight money laundering and other financial crimes, and to counter terrorist financing efforts in the U.S. and globally. Merrill obtains specific personal information from you in order to verify your identity, and you may be required to present documentary evidence of your identity in the form of government-issued identification. Merrill also uses third-party vendors to verify customer information. Foreign nationals who are permanent legal residents of the U.S. may be required to present a Permanent Resident Card (i.e., "green card") and a Social Security number to open an account in a U.S.-based Merrill office. Non-individuals (e.g., a business, trust or estate) must submit sufficient evidence of legal status.

In addition to verifying the identity of our customers, Merrill captures personal information on all customers and related authorized parties who have the ability to transact, control, influence or manage an account, whether directly or indirectly. Merrill, at its discretion, may elect not to accept an account or to terminate the account agreement and the account agreements of any related parties.

10. If the trustee(s) executes an investment management contract or power of attorney delegating the performance of investment management or other duties and authorizes the compensation of such advisors or agents or payment of related fees, charges and expenses to be assessed or deducted from trust assets, the trustee(s) represents and warrants that such delegation and payments are authorized by the trust document and/or applicable law, the trustees have filed necessary statements or elections with governmental authorities, and have provided timely written notice to all beneficiaries eligible to receive income from the trust of this delegation. The consent of no party other than the trustees is required to vest investment discretion in investment advisors or other agents engaged by the trustees. If, at any time, an investment advisor or other agent not affiliated with Merrill Lynch's programs or services, is granted discretionary authority over the trust, Merrill Lynch is authorized to act upon the instructions of such investment advisor or other agent to the extent authorized in a properly executed power of attorney. **(Please submit power of attorney).**

11. The trustees represent, warrant and agree that Merrill Lynch is authorized for all purposes regarding the trust's accounts to follow the instructions of any one trustee. If there is more than one trustee, the trustees agree that it is their responsibility to agree among themselves before giving any instructions to Merrill Lynch for the trust's accounts, if required by the trust instrument or applicable law, and that Merrill Lynch may conclusively presume that any one trustee who provides instructions to Merrill Lynch has obtained such agreement. Merrill Lynch shall be entitled to assume the existence of a trust power and the proper exercise of a trust power by any trustee without inquiry. Merrill Lynch, its employees or agents shall have no responsibility to assure the proper application of trust funds, securities or other assets by any trustee. A change in that number may result in the requirement that a new account be opened. Any purchase or sale in a trust account utilizing a Social Security number of a deceased person will be reported to the I.R.S under that Social Security number and the year-end tax reporting statement for the account will not provide a "step-up" in basis for the assets sold. Any resulting tax consequences must be addressed by the trustee(s) in consultation with the attorney or tax advisor representing the trust.

12. The trustees represent and warrant that none of the beneficiaries of the trust are business organizations operating for profit such as corporations, partnerships, limited liability companies, associations or business trusts.

This agreement to indemnify Merrill Lynch shall survive termination of the trust or of the accounts.

14. **The trustees agree to provide a new Trustee Certification Form to Merrill Lynch in the event that any of these representations, warranties, agreements, or certifications change, or if they may no longer be relied upon by Merrill Lynch.**

15. The trustees agree that Merrill Lynch may rely upon this Trustee Certification Form (and any copies thereof) until Merrill Lynch and any investment advisors or other agents receive a new Trustee Certification Form, executed by all then-serving trustees, notifying Merrill Lynch of any changes involving the trust, in which case the new Trustee Certification Form will supercede this Trustee Certification Form in all respects, except as otherwise provided in Paragraph 13. The trustees also agree that this Trustee Certification Form supercedes any prior Trustee Certification Forms, documents, or information provided to Merrill Lynch regarding the trust, and that the INSTRUCTIONS printed on page 9 are an integral part of the Trustee Certification Form, and are specifically incorporated herein.

Merrill Lynch may, but need not, require current Letters of Trusteeship.

Except where it would be inconsistent to do so, words and phrases used in this document should be interpreted so the singular includes the plural and the plural includes the singular.

POWER TO MAKE DISTRIBUTIONS/TRANSFERS – The authority of the trustees (and if applicable, the authority of any authorized agents) to make distributions/transfers shall (be understood to) include the power for the trustees and any authorized agents to draw upon the funds, securities or other assets in the account of the trust by check, debit card, credit card, or other means (including account-to-account transfers). What investment services and advice can you provide me?

BROKERAGE SERVICES

In a Merrill brokerage account, you pay **commissions and other sales fees on a per transaction basis**. We may recommend investments to you, but you make the final decision to buy, sell or hold them.

From time to time, we may voluntarily review the holdings in your brokerage account; however, for purposes of Regulation Best Interest, we do not provide an ongoing monitoring service or monitor your brokerage account and Regulation Best Interest does not require us to do so.

Depending on the qualifications of your financial advisor and how you want to work with us, our brokerage services provide you:

- Investment recommendations and responses to your trade instructions and other requests.
- Access to investments, research, financial tools, investment guidance and market education.
- Trade execution for purchases and sales of securities and custody of account assets.
- Margin lending (borrowing against eligible account assets).
- Access to various [account types](#), including the CMA account.

- Access to our [Cash Sweep Program](#) where uninvested cash in your account is “swept” into bank deposit accounts affiliated with us or into money market mutual funds.
 - Cash management services, including direct deposit, check-writing, debit cards, and electronic funds transfer.
- Advisors can recommend or make available to you a wide range of investment products for your brokerage account. Merrill Financial Solutions Advisors (MFSAs) are limited as to the investment products that they can make available to you in a brokerage account they service.
- Financial Solutions Advisors (FSAs) provide brokerage services to existing clients via a call center or in certain wealth management centers. Enrollments of new clients into an FSA-assisted brokerage account is restricted. You can obtain brokerage services on a self-directed basis through our MESD program, where you will not receive recommendations.
- Our [Best Interest Disclosure Statement](#) provides material facts about a brokerage account, including fees, material limitations we place on our offerings and conflicts of interest.

Merrill Lynch, Pierce, Fenner & Smith Incorporated (also referred to as “MLPF&S” or “Merrill”) makes available certain investment products sponsored, managed, distributed, or provided by companies that are affiliates of Bank of America Corporation (“BofA Corp.”). MLPF&S is a registered broker-dealer, registered investment adviser, [Member SIPC](#) and a wholly owned subsidiary of BofA Corp. Merrill Lynch Life Agency Inc. (“MLLA”) is a licensed insurance agency and a wholly owned subsidiary of BofA Corp. Banking products are provided by Bank of America, N.A., Member FDIC and a wholly owned subsidiary of BofA Corp. Investment products offered through MLPF&S, and insurance and annuity products offered through MLLA:

Are Not FDIC Insured	Are Not Bank Guaranteed	May Lose Value
Are Not Deposits	Are Not Insured By Any Federal Government Agency	Are Not a Condition to Any Banking Service or Activity

INVESTMENT ADVISORY SERVICES

We offer various investment advisory programs (IA Programs). Each IA Program is described in its IA Program brochure covering the fiduciary services provided, program fees charged and conflicts of interest.

When you enroll in one of our IA Programs, we act as your investment adviser in providing you the fiduciary services described in that IA Program's client agreement and brochure. These services include advice and guidance, access to investment strategies and certain brokerage and custody services, among others. We provide **ongoing monitoring** for an account enrolled in an IA Program as described in its brochure. You pay an **asset-based fee** and not on a per trade basis.

MAA provides discretionary services in certain IA Programs. It invests assets by implementing investment strategies of Merrill and/or third-party managers you and your Advisor select for your IA Program account. It also processes contributions and withdrawals and provides other services.

In certain IA Programs, you can choose to make investment decisions yourself and/or to grant us or a manager discretion or authority to make investment and trading decisions for your account on your behalf. Discretion is triggered when you grant it and remains in effect until you revoke it.

The range of investment solutions that you can access depends on the IA Program you select and whether you are working with your dedicated Advisor or MFSA, working with our FSAs, or working on a self-guided basis. Our IA Programs for retail investors are:

[Merrill Lynch Investment Advisory Program](#) (IAP). You receive investment advice and guidance from your Advisor or your MFSA, as the case may be. Advisors can offer you all available Merrill-managed and third-party managed investment strategies, including those that involve you entering into a separate contract with the manager. They can also work with you to invest in individual securities, including equities, debt and fund securities, with investment discretion or where you retain investment discretion. MFSAs offer you access to a defined list of managed strategies.

[Strategic Portfolio Advisor Service](#) (SPA). In SPA, you have access to investment advice from your Advisor and to certain investment strategies offered by third-party managers by means of a separate contract between you and the SPA manager.

[Managed Account Service](#) (MAS). In MAS, you can access certain investment strategies of third-party managers not offered in our other IA Programs by means of a separate contract with the MAS manager. We do not provide advice or recommendations about your selection.

[Merrill Guided Investing with Advisor](#) (MGI with Advisor). In MGI with Advisor, you can invest in a limited list of investment strategies managed by Merrill that you select with the advice and guidance of FSAs through an online, interactive website.

[Merrill Edge Advisory Account](#) (MEAA). Through MEAA, a legacy program that is very similar to MGI with Advisor, you receive advice and guidance from FSAs but do not use the online interactive website.

[Merrill Guided Investing](#) (MGI). Through MGI, you can access a set of Merrill-managed investment strategies through an online, interactive website on a self-guided basis.

[Institutional Investment Consulting](#) (IIC). This program provides specified investment portfolio services to the investment portfolios of IIC-eligible clients.

All of these IA Programs have differing service and relationship approaches and requirements. Certain of the same managed investment strategies are available in several of our IA Programs.

You should evaluate which IA Program is right for you considering your investment profile; the IA Program fee you are willing to pay; your preferences on how you want your investment relationship to work (with the dedicated Advisor or MFSA you select, with FSAs, or on a self-guided basis); the scope of their capabilities and the limitations on the services they provide; the nature of the IA Program services and the types of IA Program services you want; and the investment solutions and strategies available in each IA Program.

FOR BOTH BROKERAGE AND IA PROGRAM SERVICES

When we make a recommendation to you about the type of account or program to select, we are acting as both a broker-dealer and an investment adviser. We make available a wide variety of investment products and investment solutions based on factors such as account limitations, eligibility and our product approval process. MFSAs and FSAs are not eligible to offer all brokerage or investment advisory products and services.

There are material limitations we impose in connection with the products we make available to clients, as further described in the [Best Interest Disclosure Statement](#). We require for certain products that the product provider or sponsor enter into distribution agreements with us and, in certain cases, make payments to us for revenue sharing, sub-accounting services and for compensation purposes. In addition, there are a limited number of products in which we or our affiliates have an interest.

Merrill utilizes its own broker-dealer capabilities and those of Bank of America Securities, Inc. (BofAS) and other related entities to provide you with certain investment products and services, including trade execution, access to research and cash management services.

For a CMA Account, there is a minimum funding of \$20,000 in cash and/or securities (with a \$2,000 minimum for a subaccount). This does not apply to an account enrolled in MGI, MGI with Advisor, MEAA or to an MESD account. Certain investment products and IA Programs are subject to minimum investment amounts detailed in offering materials and IA Program brochures.

Not all account type options provide the same services.

Questions you can ask us about our services: • Given my financial situation, should I choose an investment advisory service? Should I choose a brokerage service or both types of services? Why or why not? • How will you choose investments to recommend? • What is your relevant experience, including your licenses, education and other qualifications and what do they mean?

What fees will I pay?

FEES IN A BROKERAGE ACCOUNT

You will pay a fee for each transaction in a brokerage account. The types of fees you pay are known as commissions, mark-ups, mark-downs or sales charges. These fees can be a direct payment from you. For certain investment products, the product sponsor or the manager will pay the fees and costs to us based on the value of your investment.

Brokerage transaction fees vary from product to product. The [Best Interest Disclosure Statement](#) includes an overview of brokerage fees and other account charges. Fee information is also covered in the materials listed under the Additional Information heading below. See merrilledge.com/pricing for MESD fees.

The trade confirmation you receive will provide the amount of the fees charged for the transaction. The offering materials available for certain types of investment products provide information about the fees and costs of those products.

The more trades that you make in your brokerage account, the more we and/or your financial advisor get paid, giving us a financial incentive to encourage transactions in your account.

FEES IN AN IA PROGRAM-ENROLLED ACCOUNT

You pay us an IA Program fee that covers investment advisory services, trade execution and custody at Merrill. The IA Program fee is based on the value of the assets in your account and the fee rates listed below:

IAP: If you work with an Advisor, the Merrill fee rate you agree to with your Advisor (max 1.75%) or, if you work with an MFSA, the set Merrill fee rate (max 1.10%). If you select a managed strategy, your IAP fee will include a strategy manager fee based on the rate set by the manager, which is paid to them.

SPA: The SPA rate you agree to with your Advisor (max 1.50%) for Merrill services. You will also pay a SPA manager fee based on the rate set by the manager, which is paid to them.

MAS: The MAS rate you agree to with your Advisor (max 1.80%) for Merrill services. You will also pay a MAS manager fee based on the rate set by the manager, which is paid to them.

MGI with Advisor and MEAA: 0.85%.

MGI: 0.45%.

IIC: The rate you agree to with your Advisor (max 0.45%).

The Merrill fee component of the IA Program fee for IAP, SPA, MAS and IIC are **negotiable**. Depending on the IA Program, the fee is paid monthly or quarterly. The relevant IA Program brochure provides more detail about the fees and costs you may incur.

The more assets there are in your IA Program-enrolled account, the more you will pay in fees, giving us a financial incentive to encourage you to increase the assets in your account.

ADDITIONAL FEE INFORMATION

Advisors and MFSAs may discount or waive certain brokerage fees based on our discount or waiver requirements. FSAs are not permitted to discount or waive fees. You may qualify for a discount or waiver according to applicable reward and rebate programs.

Certain products have built-in fees and expenses (described in their offering materials) that the product manager or sponsor charges for services, portions of which may be paid to us.

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you're paying.

**What are your legal obligations to me when providing recommendations as my broker-dealer or when acting as my investment adviser?
How else does your firm make money and what conflicts of interest do you have?**

STANDARD OF CONDUCT AND CONFLICTS OF INTEREST

When we provide you with a recommendation as your broker-dealer or act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the ways we and our affiliates make money create some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the recommendations and investment advice we provide you. Here are some examples of conflicts to help you understand what this means:

Affiliate benefits. Our affiliates receive compensation and/or economic benefits in connection with certain of the services provided and certain investment products that we recommend or make available to you.

Third-party payments for services. We receive compensation from certain product sponsors for the sub-accounting and shareholder services we provide them. We also have agreements with certain product sponsors to pay us marketing support and other revenue sharing payments under certain circumstances. Certain product sponsors participate in financial advisor and client conferences, meetings and events and pay for the eligible expenses related to these events, including costs for those financial professionals attending.

Principal trading. Some of your securities transactions will be executed with our affiliate BofAS. It makes money when executing your securities transactions as well as when acting as an underwriter for new issue offerings of securities offerings for corporate issuers.

For more conflict information, please review our [Best Interest Disclosure Statement](#) and/or our IA Program brochures by clicking the highlighted links in this CRS.

Questions you can ask us about fees and conflicts:

- Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?
- How might your conflicts of interest affect me and how will you address them?

How do your financial professionals make money?

Our financial professionals are compensated based on their offering of brokerage services and transactions in investment products, providing IA Program services and making referrals to Affiliates. Compensation payments present a conflict of interest. For brokerage services, the conflict arises based on the type and frequency of transactions in your Account. For IA Programs, the conflict arises based on the compensation we make due to your enrollment in a fee-based program and the fee that you agree to or are charged.

BROKERAGE COMPENSATION

For brokerage services, Advisors are primarily compensated based on commissions and other types of transaction fees and service charges related to transactions in your brokerage account. Advisor compensation is based on what we charge you for executing your trade and what we receive from product sponsors for the sale of their products, where applicable. Certain products have higher transaction fees and service charges than other products. An Advisor will receive more compensation for selling certain products over other products and this is a conflict of interest.

MFSAs and FSAs who provide brokerage services are compensated through a salary and performance-based incentive compensation.

INVESTMENT ADVISORY COMPENSATION

For providing investment advisory services, Advisors are primarily compensated based on the IA Program fee charged for the account. MFSAs and FSAs receive compensation in the form of salary and performance-based incentive compensation.

OTHER COMPENSATION INFORMATION

Advisors and MFSAs receive incentive and strategic growth awards for asset gathering efforts, for growth in banking, lending and IA Program services and meeting performance goals during the year. They can also qualify for referral payments for the referrals of certain business to Merrill affiliates. FSAs receive incentive compensation based on meeting performance-based goals and for referrals.

Advisors who join Merrill from other firms receive additional payments in connection with that move, and the amounts paid are generally based to a large extent on the size of the business at their prior firm and on assets that transfer including from the Advisor's prior firm.

Do you or your financial professionals have legal or disciplinary history?

Yes. Please visit [Investor.gov](https://investor.gov) for a free and simple tool to search for us and our financial professionals.

The specific provisions on these topics are set forth in detail below. If you trade and hold non-U.S. issued securities, you agree and acknowledge that:

- Merrill or its affiliates may be required to disclose customer names and other identifying information, including but not limited to Social Security number or tax identification number, to regulators (including taxing authorities) and/or issuers to comply with local law and/or customs and practice. For example, we may be required to provide personal information in order to meet local regulations that require the submission of investor names to the local stock exchange, or an issuer may request residence and taxpayer identification information in order to obtain favorable tax treatment, such as lower withholding rates, for shareholders.
- For clients who trade and hold shares of Italian companies whose equity securities are traded in any regulated market:
 - If you hold shares of Italian companies whose equity securities are traded in any regulated market, you hereby represent that you only hold “Non-Qualified Equity Investments” (Partecipazioni Non Qualificate). You agree, and acknowledge that it is your responsibility, to immediately inform Merrill if this representation is inaccurate or untrue or if it becomes inaccurate or untrue.

b) New accounts and services

When you open a new account or enroll in a service, or convert all or part of an existing Merrill account to MESD, we will provide you with the agreement and any disclosures for that account or service and confirm your enrollment in that account or service in writing. Those agreements and disclosures are incorporated by reference. This means that your initial signature acts as your agreement to the terms of the new account or service. As a result, in many cases, you will not need to sign an additional account agreement or other form.

For example, if you enroll in the Merrill Edge® Self-Directed Investing Cash Management Account® (CMA® account) financial service, the disclosures and account agreement for that service are incorporated in this Agreement. We will provide those documents to you when you enroll.

The terms governing a specific account or service will control if there are any inconsistencies with the terms of this Merrill Edge CRA. If you are establishing a joint account with this Agreement, you must designate how the account is to be held by the owners of the account.

Eligible joint account designations include:

- JTROS—Joint Tenancy With Right of Survivorship;
- TIC—Joint Tenancy Without Right of Survivorship, also known as Tenants in Common;
- ATBE—As Tenants by Entirety (for married persons, only in states where applicable);
- COMPROP—Community Property for married persons, only in states where applicable;
- CPWROS - Community Property With Right of Survivorship for married persons, only in states where applicable;
- WI MAR PROP—Wisconsin Marital Property, for married residents of Wisconsin only; and
- WI SURV MAR PROP—Wisconsin Survivorship Marital Property, for married residents of Wisconsin only.

You hereby agree that, unless you notify us otherwise in writing, all subsequent joint accounts opened with Merrill by the same owners shall be held by such owners with the same ownership designation. All joint accounts are subject to the specific provisions pertaining to joint accounts contained in the applicable account agreements. Joint ownership of property is an important element of estate planning and entails important legal and tax consequences. Joint ownership laws vary from state to state. You are responsible for verifying that the joint registration that you select for your account(s) is valid in your state. In addition, state laws regarding community property vary. Please consult your attorney if you have any questions regarding the joint ownership or community property laws that may be applicable to your account(s).

c) Additional signatures

You may need to sign more than one Merrill Edge Self-Directed CRA. This will be required if you want to open an account in a capacity other than as an “individual,” including as a:

- Trustee of a trust;
- Personal representative or executor of an estate; or
- Guardian.

We may also require you to sign additional agreements or other documents for certain services or instructions, including:

- Selecting beneficiaries for an individual retirement account;
- Selecting the ownership of a joint account;
- Selecting beneficiaries of an account with the transfer on death service;
- Options trading;
- Financial planning;
- Managed money services; and
- Services involving the transfers of money or securities.

d) Retirement account beneficiaries

Your signature is required to designate or change beneficiaries to receive the balance of your account upon your death. If you do not do so, your account balance will be paid to your spouse, if he or she survives or, if not, to your estate.

e) Amendments

You agree that Merrill has the right to amend this Merrill Edge Self-Directed CRA at any time by providing notice of the amendment to you. The amendment will be effective on the date contained in the notice.

5. Customer information and due diligence

Merrill, like all U.S. financial institutions, is required to follow federal regulations to assist the government in its efforts to fight money laundering and other

financial crimes, and to counter terrorist financing efforts in the U.S. and globally. Merrill obtains specific personal information from you in order to verify your identity; and you may be required to present documentary evidence of your identity in the form of government-issued identification. Merrill also uses third-party vendors to verify customer information. Foreign nationals who are permanent legal residents of the U.S. may be required to present a Permanent Resident Card (i.e., "green card") and a Social Security number to open an account in a U.S.-based Merrill office. Non-individuals (e.g., a business, trust or estate) must submit sufficient evidence of legal status.

In addition to verifying the identity of our customers, Merrill captures personal information on all customers and related authorized parties who have the ability to transact, control, influence or manage an account, whether directly or indirectly. Merrill, at its discretion, may elect not to accept an account, or to terminate the account agreement and the account agreements of any related parties.

6. Margin lending

If any account is established with the Margin Lending Program, you understand and agree that:

- You may borrow money from Merrill secured by a pledge of your eligible securities and other property in your account;
- You will be charged interest on debit balances at a rate permitted by the laws of the state of New York;
- Certain of your securities may be loaned to Merrill or loaned out to others; and
- You are bound by the terms of the agreement for the Margin Lending service.

Further, in return for extending credit to you under the Margin Lending Program, you acknowledge and agree that we may lend, either to Merrill or to others, the securities in your account (along with all attendant rights of ownership), to the extent not prohibited by applicable laws, rules and regulations. Please refer to the terms for the Margin Lending Program in the Merrill Edge Self-Directed Cash Management Account Disclosures and Account Agreement for more detail.

7. Liens

All of your securities and other property in any account—margin or cash—in which you have an interest, or which at any time are in your possession or under your control other than retirement accounts, such as IRAs, shall be subject to a lien for the discharge of any and all indebtedness or any other obligations you may have to Merrill. Securities and other property held in retirement accounts, such as IRAs, are not subject to this lien, and are not used as security for the payment of your obligations or indebtedness for other non-retirement accounts—cash or margin—you maintain with Merrill. You agree that Merrill holds all of your securities and other property in margin or cash accounts, other than retirement accounts, as security for the payment of any such obligations or indebtedness to Merrill in any account in which you have an interest. Merrill, subject to applicable laws, may at any time and without giving you prior notice, use and/or transfer any or all securities and other property in any account in which you have an interest other than retirement accounts, without regard to Merrill having made any advances in connection with such securities and other property and without regard to the number of accounts you may have with Merrill. In enforcing the lien, Merrill, at its sole discretion, may determine which securities and other property are to be sold or which contracts are to be closed.

8. Governing law

Unless otherwise specified, your agreements and transactions with Merrill will be governed by and interpreted under the laws of the State of New York.

You may not use your account or relationship to the firm to process transactions that are prohibited by law, including, but not limited to, restricted transactions prohibited by the Unlawful Internet Gambling Enforcement Act of 2006.

9. Compliance with applicable laws

You represent that you and any beneficial owner(s), if acting in a representative capacity, have complied, and you agree that you and any such beneficial owner(s) will comply for so long as your account(s) remain(s) open, with all applicable laws (including obligations related to tax payments and reporting and to currency exchange controls) related to (i) the assets deposited, acquired or otherwise held in any securities account held at Merrill now or in the future,

or (ii) any other transaction you enter into with Merrill or its affiliates. You further agree and acknowledge that you and any beneficial owner(s) if acting in a representative capacity are responsible for timely paying any taxes owed to any tax authority, and for timely filing all relevant tax returns in relation to assets held in any securities account held at Merrill now or in the future, or any other transaction you enter into with Merrill or its affiliates.

10. Special Provisions for FDIC Deposit Insurance Coverage

If you have opened a Merrill account that holds bank deposits on your behalf or on behalf of the beneficial owners of the assets in the account, you, as the account holder or representative, must be able to provide information, in the event of adverse circumstances, about your ownership of the deposits or information regarding the interests of the beneficial owner(s) or beneficiaries to Merrill in accordance with the FDIC's requirements.

In the event of adverse circumstances, you agree to:

- Cooperate fully with us and the FDIC in connection with determining the insured status of funds in such accounts at any time;
- Provide promptly the necessary data in the required format.

In the event of bank failure, the FDIC would be appointed as receiver and a hold would be placed on your account so that the FDIC can conduct the deposit insurance determination; that hold will not be released until the FDIC obtains the necessary data to enable the FDIC to calculate the deposit insurance. You understand and agree if you do not provide the necessary data to Merrill in a timely manner, it may result in a delay in receipt of insured funds and your ability to transact with these funds.

11. Fees

You agree to pay your account fees, service fees, processing and other fees for the transactions and other services you receive from Merrill. You understand that these fees will be charged to your accounts. Current information about the fees that apply to your account is available under the "Online investing and trading" tab at: www.merrilledge.com/pricing. You agree that Merrill may satisfy any amounts you owe to Merrill from available free credit balances and assets in your account. If necessary, Merrill is permitted to sell assets in your accounts to pay those amounts due. You agree that you have reviewed the schedule of fees applicable to your MESD Account, including account fees, service fees, processing and other fees for the transactions and services applicable to your account, and believe them, in addition to any third-party compensation that we may receive with respect to your account or transactions engaged in by your account discussed more fully below, to be reasonable compensation to us in light of the totality of services we may provide with respect to the account.

a) Securities transactions

When you purchase or sell securities, you may pay for each securities transaction on a per trade basis. This is called transaction-based pricing. Under this type of pricing, you are charged a commission or other compensation for each transaction. This compensation varies based on a number of factors, such as your relationship with Merrill and Bank of America, the type of security and how often you trade. Commission rates are subject to change. Our current standard commission schedule is available under the "Online investing and trading" tab at: www.merrilledge.com/pricing.

The amount of commissions you may pay varies from product to product. Where commissions apply, the more transactions you enter into, the more compensation we receive. When you pay commissions with respect to particular investments, we benefit from you buying and selling more frequently, rather than holding investments, and from you purchasing investments that result in higher commissions and compensation to us and our affiliates.

Merrill and its affiliates also receive compensation from third parties (including from the investment products in which you invest, and their manufacturers, distributors, managers, and their respective affiliates) in connection with your investment transactions. The amount of this third-party compensation generally varies from product to product. Merrill has an incentive for you to engage in investment transactions that result in more compensation from third parties to Merrill and its affiliates. The costs of this third-party compensation generally represent an expense embedded in the investment that is ultimately borne by investors such as you. The specific types of third-party compensation we may receive with respect to a particular investment are typically disclosed in the relevant investment product prospectus or other offering document. Examples of the types of third-party compensation we can receive are listed

hereafter, but note that not all types of compensation apply to all investments, and we may receive other compensation that is not listed here. The examples of third-party compensation include: Rule 12b-1 and other distribution and servicing fees; revenue sharing payments; exchange-traded fund index licensing fees; event payments; gifts, gratuities, and other non-monetary compensation; payment for order flow; securities lending fees; valuation fees; redemption fees; and underwriting fees.

b) Visa® cards issued by Bank of America, N.A.

There is no annual fee for the Merrill CMA Access® Visa® card. However, transaction charges apply with respect to particular transactions as disclosed in the Merrill CMA Access Visa card terms and conditions.

This information is subject to change. You may call Merrill Edge Self-Directed at **877.653.4732** to verify current fees.

You authorize Merrill to issue the Visa card that you have requested for use with eligible accounts, and you understand that Merrill or an affiliate may obtain a credit report in connection with your request.

12. Agreement to arbitrate controversies

This Agreement contains a predispute arbitration clause. By signing an arbitration agreement the parties agree as follows:

- All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
- The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.
- The panel of arbitrators may include a minority of arbitrators who were or are affiliated with the securities industry.
- The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this Agreement.

You agree that all controversies that may arise between us shall be determined by arbitration. Such controversies include, but are not limited to, those involving any transaction in any of your accounts with Merrill, or the construction, performance or breach of any agreement between us, whether entered into or occurring prior, on or subsequent to the date hereof.

Any arbitration pursuant to this provision shall be conducted only before the Financial Industry Regulatory Authority Inc. ("FINRA") or an arbitration facility provided by any other exchange of which Merrill is a member, and in accordance with the respective arbitration rules then in effect at FINRA or such other exchange.

You may elect in the first instance whether arbitration shall be conducted before FINRA or another exchange of which Merrill is a member, but if you fail to make such election by registered letter addressed to Merrill at the office where you maintain your account before the expiration of five (5) days after receipt of a written request from Merrill to make such election, then Merrill may make such election.

Judgment upon the award of the arbitrators may be entered in any court, state or federal, having jurisdiction.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute

a waiver of any rights under this Agreement except to the extent stated herein.

13. Important disclosures

Merrill is a registered broker-dealer and a wholly owned subsidiary of Bank of America Corporation. Unless otherwise disclosed, investments through Merrill are not FDIC Insured, and are not Bank guaranteed, and may lose value. Investing in securities involves the risk of loss, and you should be prepared to bear this risk.

Merrill offers its products, accounts and services through different service models (e.g., self-directed, full-service). Based on the service model, the same or similar products, accounts and services may vary in their price or fee charged to a client.

A Merrill financial advisor, Merrill Financial Solutions Advisor or other Merrill employee (collectively referred to herein as an "Associate") is eligible to receive compensation if the Associate informs you about MESD and you thereafter open an MESD account and/or add more assets to your existing MESD account. The details of the compensation will depend on the Associate's employment agreements and arrangements with Merrill, and the types of compensation for which the Associate is eligible. In general, the compensation the Associate receives will vary based on the amount of assets you invest in an MESD account at a specific time or over a specific period (e.g., upon account opening or during a given quarter). The Associate's activity with respect to other Merrill clients and the amount of assets other clients invest in MESD accounts or other accounts with Merrill or its affiliates will also affect the compensation for which the Associate may be eligible. Merrill's compensation arrangements with Associates generally include thresholds regarding the amount of compensation to be paid to Associates. Associate compensation varies and is based on, among other things, the amount clients invest in accounts, the number of accounts clients open and/or close, and qualitative factors such as client satisfaction. A Merrill financial advisor is eligible to receive ongoing compensation for a limited period of time if the total amount invested in an MESD account exceeds a certain threshold.

You can research Merrill and our representatives using FINRA's BrokerCheck database.

Vesting age for UTMA (Uniform Transfer to Minor account) and UGMA accounts (Uniform Gift to Minor account) defaults to the minimum age defined by individual state laws.

14. Sweep Program

The deposit of checks, the sale of securities, and other activity will periodically generate cash in your account. You have the option to have cash balances in your account automatically deposited into Bank of America, N.A. (BANA) and/or Bank of America California, N.A. ("BA-CA") under the Merrill Lynch Direct Deposit Program ("MLDD Program"). Alternatively, you may elect that cash balances do not sweep. If you choose to not sweep your cash balances, they will not earn interest. These balances will be covered by the Securities Investor Protection Corporation ("SIPC") up to \$250,000 per customer and by our excess-SIPC coverage, as described in your account agreement, but they are not insured by the FDIC. For IRA Accounts, cash balances will be automatically deposited into Bank of America, N.A. ("BANA") and/or Bank of America California, N.A. ("BA-CA") under the Retirement Asset Savings Program (the "RASP Program"). The MLDD and RASP Programs are collectively referred to as the "Sweep Program." For details contact Merrill Edge Self-Directed Investing at **877.653.4732**, or view your account agreement. Please note that if your account is enrolled in a Merrill investment advisory program, such as Merrill Guided Investing, and you choose to not sweep your cash balances, you should understand that Merrill may charge an asset-based advisory fee on the cash in the account even though you are not earning any interest or dividends on that cash.

Conflicts of interest Bank deposit programs

There are conflicts of interest relating to the Sweep Program. Deposits held at BANA and/or BA-CA (collectively, the "Merrill Lynch Affiliated Banks") are financially beneficial to Merrill and its affiliates. If you hold cash balances in your account, both the Merrill Lynch Affiliated Banks and Merrill benefit financially when your cash is "swept" to and held in deposit with them under our sweep programs. The Merrill Lynch Affiliated Banks benefit from their use of the deposits, and Merrill receives compensation from the Merrill Lynch Bank Affiliates for its services relating to the cash sweep program.

The participating Merrill Lynch Affiliated Banks use bank deposits to fund current and new lending, investment and other business activities. This is a

conflict of interest because, like other depository institutions, their profitability is determined in large part by the difference between the interest paid and other costs incurred by them on bank deposits and the interest or other income earned on their loans, investments and other assets, which may be funded in part by bank deposits. The deposits provide a stable source of funding, and borrowing costs incurred to fund their business activities have been reduced by the use of deposits from Merrill clients.

In addition, the Merrill Lynch Affiliated Banks determine the interest rate paid to depositors in the cash sweep program.

The deposits will bear a rate of interest that has been established for, and in light of the features of, the cash sweep program. Generally, this rate will likely be lower than (1) the interest rates available on non-sweep deposit accounts with Merrill Lynch Affiliated Banks and other banking institutions and (2) yields on cash alternatives, such as money market funds. The features of these non-sweep deposit accounts and cash alternatives are different from bank deposit accounts affiliated with the cash sweep program.

Merrill receives:

- Up to \$100 per year from BANA and BA-CA for each account that sweeps to the Merrill Lynch Bank Deposit Program, Merrill Lynch Business Deposit Program and Merrill Lynch Direct Deposit Program
- Up to \$85 per year for each account that sweeps to the Retirement Asset Savings Program
- A fee of up to 2% per annum of the average daily balances from the ISA banks

This compensation is subject to change from time to time, and Merrill may waive all or part of it.

The greater the amount of the cash balance maintained in your Account that is swept into a cash sweep program bank deposit account and the lower the interest rate paid on the deposit, the more our bank affiliates benefit.

Interest rates paid on deposits are determined at the discretion of the Merrill Affiliated Bank based on economic and business conditions. Rates may change daily. The current yield on any deposits held under the MLDD Program or the RASP Program will be included on your account statement. *Note: The MLDD Program is the Sweep Program available to MESD Cash Management Accounts (CMAs), and the RASP Program is the Sweep Program available to Traditional IRAs, Roth IRAs, Rollover IRAs, BASIC, SEP and SIMPLE accounts.* You can also access current yield information on our website (see the "Deposit Account & Money Fund Rates" link at the bottom of each page of merrilledge.com), or by contacting Merrill Edge Self-Directed Investing at **877.653.4732**. The interest paid on retirement account assets will be at no less than a reasonable rate.

Your cash in the MLDD Program and the RASP Program is insured by the Federal Deposit Insurance Corporation ("FDIC") up to a total of the Standard Maximum Deposit Insurance Amount ("SMDIA") per depositor at the Merrill Affiliated Bank. The SMDIA is \$250,000 per depositor, per ownership category. Each individual depositor receives up to the SMDIA of FDIC insurance and each joint account with two depositors up to two times the SMDIA of FDIC insurance. It is your responsibility to monitor the total amount of your deposits with the Merrill Affiliated Bank to determine the extent of insurance coverage available on your deposits. It is important to note that uninvested cash held in more than one Merrill account (such as a CMA) may be deposited to the same Merrill Affiliated Bank. Also, amounts in excess of the applicable FDIC insurance limit may be deposited to the Merrill Affiliated Bank from the same Merrill account. Any certificates of deposit that you own issued by a Merrill Affiliated Bank will also count towards the FDIC insurance limits.

The Securities Investor Protection Corporation ("SIPC") does not cover cash on deposit at the Merrill Affiliated Bank. You may obtain further information about SIPC, including the SIPC Brochure, via SIPC's website at www.sipc.org or by calling SIPC at **202.371.8300**.

Merrill reserves the right to offer different Sweep Programs for different accounts or clients. Merrill, may, with 30 days prior written notice, (i) make changes to the terms and conditions of our Sweep Program; (ii) make changes to the terms and conditions of any money account; (iii) change, add or remove the money account available as sweep product; (iv) transfer your money account from one sweep product to another. Available cash balances are automatically swept into the primary money account. You affirmatively consent to having your available cash balances sweep to MLDDP and/or RASP.

Additional Money accounts

Under the Sweep Program, you may only establish one primary money account for the automatic deposit of cash balances in your account. However, you

may establish multiple additional money accounts and make deposits at any time by speaking to your financial advisor. If you have established money accounts in addition to your primary money account, and you do not have sufficient balances in your primary money account, your additional money account balances will be withdrawn to satisfy securities and cash management transactions, including check writing and Visa® Card activity, in or through your account. Ask for the applicable deposit account program disclosures for details on deposits.

Various deposit accounts are available as additional money accounts based on account type. Please contact Merrill Edge Self-Directed Investing at **877.653.4732** to determine if a particular option is available to you to determine applicable rules and minimums (if any).

Confirmations and statements

In general, when we execute a transaction, we will send you a confirmation summarizing the details. We will not send you a confirmation for certain pre-authorized transactions in securities, including mutual funds, Sweep Program transactions (whether for your primary money market account or any additional money accounts) and any transaction in a money market mutual fund ("Exempt Transactions"). We will send you an account statement (monthly or quarterly, based in part on account type and/or activity) as a record of the securities, cash and other assets held by us and the activity in your account for the time period covered by the statement. Your statement will serve as a confirmation of any Exempt Transactions. The statement will also give you year-to-date information on dividends and interest received, as well as market prices of the securities in your account, if available.

Automatic Liquidation of Additional Money accounts

If you have a retirement account and the funds within your primary money account are depleted, we will automatically liquidate your Additional Money accounts in the following order to satisfy obligations to your account(s): Retirement Reserves I, Retirement Reserves II, Ready Asset Trust.

If you have a CMA Account and the funds within your primary money account are depleted, you may select the order in which your Additional Money accounts are automatically liquidated to satisfy obligations to your account(s) by speaking with Merrill Edge Self-Directed Investing at **877.653.4732**, or view your account agreement.

15. Representations as to account ownership and capacity to enter into agreement

You represent that no one except the person(s) signing this Agreement, or the beneficial owner(s) if signed in a representative capacity, has an interest in this account or any additional accounts opened in the future for you or for such beneficial owner(s). If this account is beneficially owned by any person who is U.S. Securities and Exchange Act Section 16 reporting person of a U.S. public company, you represent that no funds or assets belonging to such U.S. public company, or any entity affiliate of such U.S. public company, will be invested through this account. If this is an individual account, you represent that you are of legal age to contract in your jurisdiction of residence and that you are not employed by a broker-dealer or other employer whose consent is required to open and maintain this account by regulation or otherwise, unless such consent has been provided to you. If any of the foregoing representations is inaccurate or becomes inaccurate, you will promptly so advise.

You acknowledge that you fully understand English and that written documents, agreements and information concerning your relationship with Merrill, including but not limited to products, services, transactions and your accounts will be provided to you in English.

16. Electronic fund transfers

If you maintain more than one account with Merrill with the same ownership type, you may transfer funds to and from each account through Merrill's electronic funds transfer services.

You authorize Merrill to accept your telephonic or electronic instructions for those transfers.

If you open any account as the trustee for a grantor revocable living trust, you represent and warrant to Merrill that:

- The trust permits the funds transfers you are authorizing; or
- If applicable, such funds transfers represent valid partial or total revocations by you and Merrill may conclusively rely on this representation.

17. Third-party research

Merrill may offer you access to third-party research on certain U.S. and non-U.S. equity and fixed income securities. You agree that neither Merrill nor any of its affiliates bears any responsibility or liability for third-party research or its content that may be made available to you.

You assume full responsibility for any trading decision you make based on third-party research. Access to third-party research is provided for informational purposes only and does not constitute investment advice. Merrill does not endorse or otherwise adopt third-party research reports or ratings.

18. Custody of securities

Merrill will hold all securities for the Securities account in a control location acceptable to the Securities and Exchange Commission, which may include, but is not limited to: (i) a securities depository, such as the federally regulated Depository Trust Company for U.S. issuers and Euroclear for European issuers, (ii) a Federal Reserve member bank, or (iii) a mutual fund's Transfer Agent. Securities are commingled in a Merrill book-entry account, generally held in nominee name at the control location, along with securities belonging to other Merrill customers. Your securities will at all times be separately identified on the books and records of Merrill as belonging to you, and Merrill will provide you with account statements that reflect your holdings. This method of custody, which has significantly increased efficiencies and reduced the risks associated with holding customer securities, is used by all major banks, trust companies and brokerage firms and has been recognized as providing unsurpassed safety for holders of securities. With regard to the custody of your securities, Merrill acts as your agent and transmits your instructions through the appropriate control location.

Where securities are not held in nominee name, the issuer or control location, as appropriate, recognizes Merrill as your agent and honors instructions provided by Merrill on your behalf.

19. Referral Policy

Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S") is an affiliate of Bank of America, N.A. and other subsidiaries of Bank of America Corporation (collectively, "Merrill"). Merrill is one of the world's largest financial institutions, serving individual consumers, small- and middle-market businesses, institutional investors, large corporations and governments with a full range of banking, investing, asset management and other financial and risk management products and services. In the event Merrill refers your business among its affiliates to provide you with certain products or services, Merrill (or its employees or representatives) may receive financial or other benefits for such referrals.

20. Freezing Accounts

If at any time Merrill believes that your account may be subject to irregular, unauthorized, fraudulent or illegal activity, we may, in our discretion, freeze the assets in the account and in other accounts you maintain with us until such time as we are able to complete our investigation of the account and transactions. If we do freeze your account assets, we will provide notice to you as soon as reasonably possible. Notice may be made by mail or verbally or provided by other means such as via www.merrilledge.com, where applicable. We may not provide this notice to you prior to freezing the account if we believe that such notice could result in a security risk to us or to the owner of the funds in the account.

21. Unclaimed property—accounts presumed abandoned

State and federal law and Merrill policy govern when accounts are considered abandoned. The applicable state law is generally the state listed as the primary mailing address for your account. Your account could be considered abandoned after one piece of mail is returned to us by the U.S. Postal Service. For accounts with electronic statement delivery preferences, if the Firm attempts to deliver your correspondence electronically and we receive notice that your

email address is no longer valid, Merrill will mail via U.S. Postal Service a notice to the primary mailing address on your account asking that you update your email address. If your mailing address is invalid and the mailed notice is returned by the post office, your account may be considered abandoned. Also, your account may be considered abandoned if there has not been any client-initiated activity for a period of three to five years. Client-initiated activity includes, but is not limited to, reviewing account activity online, calling a Merrill call center, transacting in your account, or voting proxies.

Merrill is required by the unclaimed property laws to turn over accounts considered abandoned to the applicable state. Before Merrill turns over an abandoned account, the Firm may send a notice to the primary mailing address on the account. Merrill may also utilize a third-party search vendor to locate a better address to notify you of your abandoned account prior to turning your account over to the state of last known address. After Merrill turns the funds over to the state, Merrill has no further liability to you for the funds and/or securities. You must apply to the appropriate state agency to claim your funds. The state may liquidate any securities once your shares are remitted to them.

If Merrill considers your account abandoned, then (unless prohibited by federal or state law) we may:

- Stop sending correspondence.
- Refuse to pay items drawn on or payable out of the account.
- Charge regular account fees according to the type of account you maintain with us.

If you re-establish contact with Merrill, we do not have to reimburse you for these fees.

22. Account owners with Texas mailing address

Clients with a mailing address in the state of Texas may appoint a designee who can respond to abandoned property notifications on the client's behalf and prevent an account from being classified as abandoned and turned over to the state of Texas. Please contact Merrill Edge Self-Directed Investing at 877.653.4732 or the Abandoned Property Department at 800.581.5858 for additional information.

23. Rejection of Payment Orders

Merrill and/or Bank of America may reject payment orders (e.g., wire transfers, checks, etc.). We will notify you of any rejection orally, electronically or in writing. If we send written notices by mail, we will do so by the end of the next business day. We are not liable to you for the rejection or obligated to pay you interest for the period before you receive timely notice of rejection.

24. Revised Uniform Fiduciary Access to Digital Assets Act

In connection with the Revised Uniform Fiduciary Access to Digital Assets Act ("RUFADAA") and applicable state enabling statutes, Merrill will provide an authorized fiduciary for a Merrill client, as determined by Merrill, with "read-only" online access to such client's account(s) provided that the client's fiduciary creates his/her own user name and password, complies with the terms and conditions set forth in the Brokerage Website Terms and Conditions, as appropriate and provides Merrill with any additional requested documentation. Online access is at all times subject to the terms, conditions and requirement applicable to websites and/or mobile applications, including any requirements for access. If Merrill determines that online access cannot be reasonably granted to such authorized fiduciary, hard copies of the information/documents requested by the authorized fiduciary may be provided.

Merrill, its affiliates and financial advisors do not provide legal, tax or accounting advice. You should consult your legal and/or tax advisors before making any financial decisions.

Merrill Edge[®] Self-Directed Investing Terms of Service

These Merrill Edge[®] Self-Directed Investing Terms of Service (the "Terms of Service") are made between Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill") and you and govern your Merrill Edge Self-Directed Investing Account Relationship. "You" and "your" refers to each Merrill Edge Self-Directed Investing Account owner.

In the case of an entity, "you" and "your" refers to the entity, and by enrolling, the entity agrees that access to Merrill Edge Self-Directed Investing shall be restricted to Authorized Representatives (as defined in the Account Agreement) for such entity and that the entity will be liable for all acts or omissions of such Authorized Representatives in violation of these Terms of Service.

Merrill Edge Self-Directed Investing (also referred to herein as "MESD") is the marketing name for certain brokerage services offered to clients on a self-directed basis through Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill"). For the purpose of the Merrill Edge Self-Directed Terms of Service, Merrill and MESD, which are made available through Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"), refer to certain brokerage services offered to clients on a self-directed basis through Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill") and which are the subject of these Terms.

When you agree to these Terms of Service, you are agreeing that such terms will apply to all of your MESD Accounts, transactions and services.

These Terms of Service incorporate all disclosures displayed on the Merrill Edge Self-Directed Investing website from time to time, including our fees and commissions, and they supplement the Merrill Edge Self-Directed Client Relationship Agreement which you are required to sign as well as your Merrill Edge Self-Directed Investing Cash Management Account Agreement and/or your Merrill traditional IRA or IRA Rollover Custodial Agreement or Roth Individual Retirement Account Agreement and/or your Merrill Edge Self-Directed Investing Business Investor Account Financial Service Account Agreement and/or your Merrill Retirement Cash Management Financial Service Account Agreement and/or your Merrill Simple Retirement Account Custodial Agreement and/or your Merrill Simplified Employee Pension Program Agreements, as applicable, which otherwise remain in full force (and all such account types, and any account types that may be introduced by MESD from time to time, will herein be referred to as "Account"). By using Merrill Edge Self-Directed Investing, you are representing to Merrill and its licensors and Information Providers that you are at least eighteen years old (or the minimum legal age in your jurisdiction).

Merrill reserves the right to add, delete or modify MESD functionality and trading rules and to amend or supplement these Terms of Service or any other agreement among or between the parties upon notice, such notice delivered by regular mail, by email, by an on-screen alert or via the Merrill websites. In particular, Merrill reserves the right upon notice to change its fees, to add fees for items for which it does not currently charge and to institute an inactivity fee for periods in which there is no fee-generating activity in your Account. Merrill also reserves the right to terminate your enrollment in Merrill Edge Self-Directed Investing at any time for any reason without notice.

Merrill Lynch, Pierce, Fenner & Smith Incorporated offers its products, accounts and services through different service models (e.g., self-directed, full-service). Based on the service model, the same or similar products, accounts and services may vary in their price or fee charged to a client.

1. Nature of the Merrill Edge Self-Directed Investing Service

Merrill Edge Self-Directed Investing is designed for U.S.-based investors who wish to make their own investment choices in a Merrill Lynch, Pierce, Fenner & Smith Incorporated brokerage account.

Neither Merrill, nor MESD, nor any Merrill or MESD representative will provide you with investment advice, including any recommendations, or offer any opinion regarding the suitability of any security, order, transaction, or strategy in a Merrill Edge Self-Directed Investing Account, or monitor your investment or the appropriateness of your account or service level, or alert you to any recommended change to your investments, investment accounts, or services. Neither Merrill nor MESD, nor any Merrill or MESD representative, will provide any tax or legal advice.

No Merrill Research opinion, Independent Research opinion, the inclusion of a security on any list, or any information provided to you either on the Merrill website or by mail or any other means constitutes a recommendation to you to purchase, hold or sell any investment. By entering into this Agreement, you agree that any transactions executed through your Merrill Edge Self-Directed Investing Account, whether based on information obtained from Merrill or elsewhere, will be solely your own decision and based on your own evaluation of your personal financial situation, needs, and investment objective(s).

In addition to retaining the sole responsibility for investment decisions, you understand and agree that you are responsible for knowing the rights and terms of all securities in your account, specifically including valuable rights that expire unless the holder takes action. This includes, but is not limited to, warrants, stock rights, convertible securities, bonds, and securities subject to a tender or exchange offer. You understand and agree that Merrill accepts no obligation to notify you of any upcoming expiration or redemption dates, or, except as required by applicable law or regulation, to take any action on your behalf without specific instructions from you. You also agree that all dividends and interest payments credited to your account shall accumulate rather than be paid to you upon receipt, but shall be subject to your withdrawal from time to time upon request for a check or other funds transfer.

Notwithstanding the foregoing, in its capacity as an investment adviser Merrill may provide investment advice or recommend securities transactions or investment strategies to you within certain investment advisory programs. To enroll in such an investment advisory program, such as the Merrill Guided Investing Program, you may be required to establish and maintain a Merrill Edge Self-Directed Investing Account. Merrill acts as an investment adviser and not a broker-dealer for the investment advisory services provided within these investment advisory programs. To the extent that Merrill provides investment advice or recommends any securities transactions or investment strategies to you within any such investment advisory program, you understand and agree that Merrill does so in its capacity as an investment adviser and not as a broker-dealer. You will be required to enter into a separate agreement with Merrill and its affiliates to participate in an investment advisory program. The terms governing any such investment advisory program will control if there are any inconsistencies with the terms of these Terms of Service. If your account serves as the securities account for a Merrill investment advisory program, certain features of Merrill Edge Self-Directed Investing, such as the Margin Lending Program, check writing, and Visa cards, may not be available to you. If your account serves as the securities account for a Merrill investment advisory program and if, for any reason, you terminate from the investment advisory

program without transferring the securities and assets out of your account, your account will be a Merrill Edge Self-Directed Investing Account without any investment advisory relationship. As such, and as explained more fully in the preceding paragraphs, neither Merrill, nor any Merrill representative, will provide any investment advice or give any advice or offer any opinion regarding the suitability of any security, order or transaction in a Merrill Edge Self-Directed Investing Account.

2. Account Data Access; User ID and Password; Safeguarding Credentials

Merrill Edge Self-Directed Investing is intended to be delivered to you via the Internet using commercially available third-party web browsers. Merrill Edge Self-Directed Investing permits you to view account data for your primary Merrill Account and any other accounts that are linked to such primary Account from time to time. By using Merrill Edge Self-Directed Investing, you represent on a continuing basis that you are authorized to have viewing access to any Account for which you and other linked account parties have requested linking of Accounts. Merrill allows each account holder to create a separate User ID and Password for each Merrill Edge Self-Directed Investing Account. You agree that each account holder shall be responsible at all times for maintaining the confidentiality of their personal information and their User ID and Password and will not make them available to other account holders or any third parties. If you do allow other account holders or third parties to access Merrill Edge Self-Directed Investing (including your accounts) using your personal information or your User ID and Password, you agree to hold Merrill, its directors, officers, employees, agents and affiliates (collectively, "Other Persons") harmless and to indemnify Merrill and all Other Persons against any liability, costs or damages arising out of claims or suits by any account holder, including yourself, or such third parties based upon or relating to such access. If you believe that someone has used your credentials, such as your User ID and Password, to access Merrill Edge Self-Directed Investing without your authorization, you agree to contact our Merrill Edge Self-Directed Investment Center immediately at 877.653.4732.

All daily Account data is provided as a convenience and for your information, but it is not the official record of your Account activity with Merrill; your Merrill Account statement provided to you online each month (or by mail quarterly or monthly as required) is such official record. Account data provided through Merrill Edge Self-Directed Investing is generally updated as of the prior business day's close of business, but is subject to adjustment and correction.

Merrill may also collect and/or use certain information from or through your browser or device. Most browsers and/or devices (including your computer, tablet and mobile phone) collect certain information, including but not limited to your Media Access Control (MAC) address, device type, screen resolution, operating system version, internet browser type and version, local date and time, and the prior web page visited leading you to our websites. Merrill uses this information to ensure our websites function properly, for fraud detection and prevention, and security purposes. For more information about our privacy and security practices and a link to our Privacy Notice for U.S. Consumer Customers and U.S. Online Privacy Notice, go to our website at www.ml.com/privacy.

3. Account Application Process and Delivery of Communications

You may be able to apply for an Account by completing the Account application process (1) via the internet; (2) via a hardcopy paper application; or (3) via an iPad or other device that is owned and provided by Bank of America and/or Merrill in a Bank of America, N.A. Financial Center. You must have a valid email address to open any Merrill Edge Self-Directed Investing Account. You agree that you will provide us with a valid email and postal mailing address, and that you will immediately notify us of any changes to your email or mailing addresses.

With the exception of Small Business 401(k) accounts (which are discussed in more detail below), if you complete the Account application process via the internet, you must consent to the Electronic Communications Disclosure ("eCommunications Disclosure"). Your consent to the eCommunications Disclosure allows us to provide communications to you electronically. The eCommunications Disclosure also provides important information about paperless delivery, such as, among other things, the types of communications you can receive electronically and the hardware and software required to receive communications electronically. As discussed in Section 4 of the eCommunications Disclosure, we may, at times and in our sole discretion, mail you a paper copy of certain communications even if you agree to electronic delivery by consenting to the eCommunications Disclosure.

If you complete the Account application process via a hardcopy paper application or via the iPad or other device that is provided by Bank of America and/or Merrill in a Bank of America, N.A. Financial Center, you agree to receive all notices, statements, disclosures and other information regarding your Account in paper form, delivered to your last-designated postal mailing address unless and until you elect to change the method of delivery for documents and other written communications to electronic delivery. In order to make that change, you will be required to (1) enroll in www.merrilledge.com, which is an internet-based service that provides 24-hour access to Account information, Merrill research and investment information, market data, and news; (2) demonstrate access to the information available via www.merrilledge.com; and (3) affirmatively consent to the eCommunications Disclosure.

Note regarding Small Business 401(k) accounts: You must complete the application process via the internet, but you will not be required to consent to the eCommunications Disclosure as you do not have the option to exclusively receive communications related to this Account electronically. Some communications, such as Account statements, may be retrieved via the internet, but all communications will be delivered in paper.

4. Corporate Actions

It is important to understand corporate actions (such as stock splits, tender offers, rights issues, etc.) and how they can affect your investments. In certain instances outside of our control, issuers may provide late notice on voluntary corporate action events which, in turn, delays notices from being delivered to you. Merrill will make best efforts to notify you as soon as practically possible of a corporate action, but due to printing and mailing timelines, some notices may be delivered late, even past the deadline. Enrolling in Online Delivery of Service Notices will help ensure the timeliest delivery possible of corporate action notices and also give enhanced flexibility, convenience, and visibility on your accounts. Merrill may also provide corporate action notices to you on voluntary events where eligibility restrictions apply. We will ensure that all shareholders are notified of these type of events, although it is your responsibility to determine whether you are eligible to participate in an event based on the terms of the notification.

5. Hyperlinks

Merrill may make available links from its websites to other third-party websites or electronic services providers that are not affiliated with Merrill. Merrill does not control these other websites or services, and Merrill has not adopted and makes no representations or endorsements whatsoever concerning those websites or services. The fact that Merrill has provided a link to a website is not an endorsement, authorization, sponsorship, or affiliation with respect to such website, its owners, or its providers. There are risks in using any information, software, service or product found on the Internet and Merrill cautions you to make sure you understand these risks before retrieving, using, or relying upon anything via the Internet. You agree that under no circumstances will you hold Merrill liable for any loss or damage caused by use of or reliance on any content, goods or services available on such other websites.

6. Quotes, News and Research; Use of Data and Information

Quotes, news, research, ratings and other information provided through Merrill Edge Self-Directed Investing are obtained from sources we believe to be reliable, but we cannot guarantee the accuracy, timeliness or completeness of such information for any particular purpose. Such data and information and any Merrill Research or independent research opinions provided do not constitute investment advice, or a solicitation by Merrill for the purchase or sale of any securities, or a representation that any securities are suitable for you.

All such data and information is protected by copyright and other intellectual property laws and may only be used for personal and non-commercial use, and not for providing professional investment advice or for providing securities processing services or other similar back office functions. If you download any information from Merrill Edge Self-Directed Investing for your personal reference, you agree that you will not remove or obscure any copyright or other notices contained in any such information. Except as provided in the preceding sentence, you agree not to copy, reproduce, modify, sell, distribute, transmit, display, perform, circulate, transfer, broadcast, create derivative works from, publish, or use for any commercial or unlawful purpose any quotes, news, research, text images, audio, video or other information you receive through Merrill Edge Self-Directed Investing.

Merrill and its licensors and Information Providers (as defined in Section 14 below) may change or discontinue any quotes news, research or other information at any time provided within Merrill Edge Self-Directed Investing at any time.

Merrill offers you access to Independent Research on all domestic and selected international stocks covered by Merrill Research under the terms of an agreement with regulators. The providers of this independent Research are chosen by an Independent Consultant, not by Merrill. You agree that Merrill will not be responsible or liable for (i) the procurement decisions of the Independent Consultant with respect to the Independent Research, (ii) the Independent Research or its content (iii) customer transactions, to the extent based on the Independent Research, or (iv) claims arising from or in connection with the inclusion of Independent Research ratings in confirmations and Account statements, to the extent such claims are based on those ratings. You also agree that Merrill will not be required to supervise the production of the Independent Research procured by the Independent Consultant and will have no responsibility to comment on the content of the Independent Research.

7. Financial Tools, Education and Calculators

Merrill Edge Self-Directed Investing may also provide you with financial tools and education, including calculators. The tools and calculators may allow you to model "what-if" scenarios for various financial goals, the results of which are illustrative and are based on the information and assumptions identified. There is no guarantee that the results shown will be achieved, and changes in tax laws, financial markets or your financial situation may cause actual results to deviate substantially from those reflected in these tools. In addition, these tools and calculators are not part of any financial report for which you may have paid a fee, even if the tools and calculators include information derived from or contained in the financial report. In addition, no tools, education or calculators are intended to provide individual product recommendations or investment strategies.

8. Phone Service

Merrill Edge Self-Directed Investing phone-based representatives are available 24 hours per day, 7 days per week. These representatives are available to assist you with various administrative functions related to applying for and opening Accounts and providing you with access to www.merrilledge.com. They can also assist with various requests related to your Account, such as address changes, name changes, changes to the beneficiaries designated on your Account (if applicable), and money movement requests, among other things.

Merrill Edge Self-Directed Investing phone-based representatives are also available to you for technical support between the hours of 7:30 a.m. and 6:00 p.m. Eastern, Monday through Friday. You understand and agree that the services described above are only examples of the types of services that the phone-based representatives may be able to perform, and that Merrill reserves the right to change the services and functions that the phone-based representatives may perform from time to time.

Merrill Edge Self-Directed Investing phone-based representatives will not provide investment advice or investment recommendations or offer any opinion regarding the suitability of any security, order, transaction or strategy in a Merrill Edge Self-Directed Investing Account. Merrill Edge Self-Directed Investing phone-based representatives will not provide any tax or legal advice.

Merrill Edge Self-Directed also provides an automated phone service referred to as the MESD IVR. Through the MESD IVR, you are able to request security quotes and review account information, such as balances, account holdings, and recent activity.

9. Email

Two email or electronic mail options are available via www.merrilledge.com, unsecured email and electronic mail via the Secure Message Center. You agree that neither unsecured email nor the Secure Message Center is to be used to request, authorize or effect the purchase or sale of any securities or other investments, to send funds transfer instructions, or for any other financial transactions that require real-time communication or more formal written authorization in accordance with applicable law or Merrill policies. Any such requests, orders, or instructions that you send via email in contravention of the foregoing agreement will not be accepted and will not be processed by Merrill. Merrill will not be responsible for any loss or damage that could result from your supplying us with personal information via email or your requests, orders or instructions not being accepted or processed in accordance with the preceding sentence.

Unsecured Email

Unsecured email is available via the Help & Support link prior to client login. Unsecured email provides individuals with the opportunity to send messages concerning Merrill procedures and general Merrill questions. No Account-specific information will be provided in response to a message received via unsecured email. Additionally, Merrill will not open any documents or files that are attached to or submitted via unsecured email.

Secure Message Center

The Secure Message Center is available to you after logging in to www.merrilledge.com as a secure email tool to contact Merrill representatives. Through the Secure Message Center, you can submit Account-specific inquiries to Merrill. You can also submit documents to Merrill via the Secure Message Center and perform or request certain administrative functions. You understand and agree that Merrill may change the functionality of the Secure Message Center from time to time.

10. Order Entry Security

Merrill allows each Account holder to create a separate User ID and Password for each Merrill Edge Self-Directed Investing Account. You agree that each Account holder shall be responsible for all orders entered through Merrill Edge Self-Directed Investing using the User ID and Password initially created or changed by the Account holder regardless of who enters such orders. You agree that each account holder shall be responsible at all times for maintaining the confidentiality of their personal information and their User ID and Password and will not make them available to other account holders or any third parties. If you do allow other account holders or third parties to access Merrill Edge Self-Directed Investing (including your accounts) using your personal information or your User ID and Password, you agree to hold Merrill, its directors, officers, employees, agents and affiliates (collectively, "Other Persons") harmless and to indemnify Merrill and all Other Persons against any liability, costs or damages arising out of claims or suits by any account holder, including yourself, or such third parties based upon or relating to such access.

11. Order Entry Trading Rules

Merrill Edge Self-Directed Investing allows you to enter orders to buy and sell U.S. market traded equities, including exchange-listed and widely-held over-the-counter stocks, a wide selection of mutual funds, and certain bonds and certificates of deposit. Merrill Edge Self-Directed Investing is not designed to be a brokerage service for investors who trade in low-priced securities or foreign securities. Merrill intends to maintain an order entry policy for low-priced stocks and other trading rules, which will be subject to change from time to time upon posting on the Merrill Edge Self-Directed Investing site or the optional Merrill Mobile Brokerage service. Merrill Edge Self-Directed Investing is intended to be available for order entry seven (7) days a week, twenty four (24) hours a day, except for brief maintenance periods; however, Merrill does not warrant that the service will be uninterrupted. Orders sent outside of regular U.S. Market hours will be held and entered on the primary market during market hours on the next trading day. Certain orders may be blocked or subject to pre-review by Merrill, which may take up to several minutes to process. Merrill reserves the right to place restrictions on your Account in its sole discretion, and to cancel any order that we believe would violate federal credit regulations or other regulatory limitations; however, Merrill will have no responsibility or liability for failing to cancel any order.

12. Your Responsibilities Regarding Order Entry

All orders entered through Merrill Edge Self-Directed Investing shall be subject to the applicable rules, customs and usages of the exchange or market, and its clearinghouse, on which such orders are transacted by Merrill, including our affiliates, including cancellation of orders in certain circumstances. Whether or not funds are available in your Account on trade date, you agree to pay by settlement date for any trade for which you place an order through Merrill Edge Self-Directed Investing. You agree that you will immediately notify Merrill by telephone and confirm the same in writing if you become aware of any discrepancy in your Account balance or security positions or if you have reason to believe that a third party is using your User ID and Password without your authority. If you fail to notify Merrill when any of the above conditions occur, neither Merrill nor any Other Persons shall have any responsibility or liability to any account holder or any other person claiming through any account holder for any claims with respect to the handling, mishandling or loss of any order. You agree to accept full responsibility for the monitoring of your Account with respect to all transactions entered.

13. Limitation on Merrill's Responsibilities and Liability

You agree that Merrill will not be responsible for the accuracy, completeness or use of any market data news or research information provided through Merrill Edge Self-Directed and Merrill does not make any warranty concerning such information. You further agree that all orders placed through Merrill Edge Self-Directed Investing are at your sole risk and responsibility based on your own evaluation of your financial circumstances and investment objectives. Merrill Edge Self-Directed Investing may display on the order entry screen Merrill Research's quality rating and investment opinion on companies, if available, as well as Independent Research opinions; however, such information and opinions by themselves do not constitute investment advice, or a solicitation or recommendation by us for the purchase or sale of any securities, or a representation that any securities are suitable for you.

You understand and agree that Merrill Edge Self-Directed Investing utilizes the Internet to transport data and communications. Merrill will take reasonable security precautions to safeguard data and communications; however, Merrill disclaims any liability for interception and/or use of any such data or communications. You agree that neither Merrill nor any third party working with Merrill to provide services hereunder shall be responsible for any damages caused by communications line failure, systems failure, and other occurrences beyond their control, or from any unauthorized trading or theft by any third party who gains access to your Account by use of your User ID and Password as a result of your intentional or unintentional conduct, including negligence by you. Merrill will not be responsible for any access costs you incur to connect to Merrill Edge Self-Directed Investing.

Neither Merrill nor any third party makes any representations or warranties expressed or implied with respect to Merrill Edge Self-Directed Investing, including without limitation, any implied warranties of merchantability or fitness for a particular purpose. To the extent permitted by law, under no circumstances, including negligence, will Merrill or any of its affiliates, directors, officers or employees, or any third party vendor be liable or have any responsibility of any kind for any loss or damage that you incur in the event of any failure or interruption of Merrill Edge Self-Directed Investing, or resulting from the act or omission of any other party involved in making Merrill Edge Self-Directed Investing available to you, or from any other cause relating to your access to or use of Merrill Edge Self-Directed Investing, whether or not the circumstances giving rise to such cause may have been within the control of Merrill or of any vendor providing software or services support for Merrill Edge Self-Directed Investing. In no event will Merrill or any such parties be liable to you for any special, indirect, consequential or incidental damages even if Merrill or any other party have been advised of the possibility thereof. Any liability arising out of any action or omission by Merrill or any such parties shall be limited to an amount equal to the benefit which the transaction would have resulted in during the period between the date of a trade and the applicable time for settlement of such trade.

14. Executing Your Order

We do business with our clients in two ways: as an agent or as a principal.

As an agent—We act as an agent in many listed and unlisted securities, obtaining a buyer or seller for you. Depending on your service model and account type, we may add a commission to the execution price.

As a principal—We or our affiliates act as a principal in many listed and unlisted securities, buying from sellers and selling to buyers. There may appear on your confirmations from time to time the words, "We or our affiliate may act as principal." This means that Merrill or its affiliates are buying or selling that particular security, acting as a dealer, and maintaining their own inventory for that purpose. To the execution price (with the exception of underwriting transactions), we add a charge on the buy side called a "markup" and we subtract a "markdown" on the sell side.

Our role as agent or principal, and the marketplace in which your transaction was effected, is disclosed on your confirmation. In either role, our objective is to find a competitive execution price for you.

15. Order Execution and Routing Disclosures

Exchange-listed securities—When you buy or sell round lots (usually 100 shares) of listed stocks, or when you buy or sell listed options, we generally route your order through a routing system to what are expected to be the best execution venues for the order. We handle your order so as to obtain a competitive execution price in line with our regulatory obligations. Our electronic order-processing system automatically channels your order to an appropriate market center given the characteristics of the order, market data and trading statistics. Our trading desks, or the trading desks of one or more of our affiliates, may be one of these market centers or venues where the execution may occur. If that is the case, your confirmation will indicate that we acted as principal in connection with the purchase or sale transaction.

We have in place effective internal controls, including information barriers, to prevent the inappropriate sharing of order information among our equity trading desks. In this regard, each of our equity trading desks independently conducts its trading activities. To the extent permitted by rule or law, when a Merrill equity trading desk or unit (including a market-making desk or unit that engages in block positioning and provides firm bid/offer quotes) handles your equity orders, other equity trading desks or units of Merrill or its affiliates may separately transact—without knowledge of your orders—for their principal accounts at prices that would satisfy your orders. Conversely, if your orders are handled by an equity trading desk or unit of Merrill or its affiliates, and no attempt is made to obtain liquidity for your orders from our market-making desk or the market-making desk of one of our affiliates, you should understand that the market-making desk may separately transact—without knowledge of your orders—for its principal at prices that would satisfy your orders. In either case, the execution prices of any trading desk or unit that did not handle your order, transacting for its principal accounts, could be better, the same, or worse than the prices you receive for the same security.

Over-the-counter markets—Securities that are not listed on an exchange may be traded in the over-the-counter markets. Merrill and its affiliates may be participants in an over-the-counter market and execute your orders as principal.

Merrill fully complies with SEC and FINRA order handling requirements. We handle your order so as to obtain a competitive execution price. We regularly monitor the quality of our executions. This includes reviewing the order flow sent to Merrill affiliates who may support or provide order routing and/or execution services on our behalf, as well as to certain third-party broker-dealers or counterparties who we authorize as our liquidity providers. We take into account many factors in determining the quality of executions and to inform our routing decisions for retail-sized held orders. This includes, for National Market System equity securities, certain industry metrics, including but not limited to execution prices in relation to the publicly quoted spread at the time (referred to as "effective over quoted" or E/Q), to the extent such reference data is available.

Under FINRA rules, we are required to disclose to you descriptions of stop quote and stop quote limit orders. Depending on your Merrill service channel, you may have the option to place one or both of these order types. Merrill may execute any of these orders itself or through one or more of its affiliates.

A stop quote order is a market order to buy or sell when the bid quote or offer quote, as applicable, reaches a specified price.

Equity sell stop quote orders are placed at a stop price below the current market price and will trigger if the national best bid quote is at or lower than the specified stop price.

Equity buy stop quote orders are placed at a stop price above the current market price and will trigger if the national best offer quote is at or higher than the specified stop price.

Option sell stop orders are placed at a stop price below the current market price and will trigger if the national best offer is at or lower than the specified stop price.

Option buy stop orders are placed at a stop price above the current market price and will trigger if the option trades or has a prevailing bid quote at or higher than the specified stop price on the exchange to which the order is routed. Once triggered, a stop quote order becomes a market order (buy or sell, as applicable), and execution prices can deviate significantly from the specific stop price. For equities, a stop quote order is not guaranteed to execute as the order will not be triggered unless the stop price is reached. For listed options, a stop order is not guaranteed to execute as the order will not be triggered unless the stop price is reached and, even if triggered, your order may not be executed if there is no prevailing bid quote (in the case of a sell stop order) or a prevailing offer quote (in the case of a buy stop order) available on the exchange to which your order is routed.

A **stop quote limit order** combines the features of a stop quote order and a limit order.

Equity sell stop quote limit orders are placed at a stop price below the current market price and will trigger if the national best bid quote is at or lower than the specified stop price.

Equity buy stop quote limit orders are placed at a stop price above the current market price and will trigger if the national best offer quote is at or higher than the specified stop price above the current market price and will trigger if the option trades or has a prevailing bid quote at or higher than the specified stop price on the exchange to which the order is routed. Once triggered, a stop quote limit order becomes a limit order (buy or sell, as applicable) at a specified limit price, and execution may not occur as the market price can move away from the specified limit price. For equities, a stop quote limit order is not guaranteed to execute as the order will not be triggered unless the stop price is reached and, even if triggered, your order may not be executed as the market price can move away from the specified limit price. For listed options, a stop limit order is not guaranteed to execute as the order will not be triggered unless the stop price is reached and, even if triggered, your order may not be executed if there is no prevailing bid quote (in the case of a sell stop limit order) or a prevailing offer quote (in the case of a buy stop limit order) available on the exchange to which your order is routed or if the market price moves away from the specified limit price.

Option sell stop limit orders are placed at a stop price below the current market price and will trigger if the option trades or has a prevailing offer quote at or lower than the specified stop price on the exchange to which the order is routed.

Option buy stop limit orders are placed at a stop price above the current market price and will trigger if the option trades or has a prevailing bid quote at or higher than the specified stop price on the exchange to which the order is routed. Once triggered, a stop quote limit order becomes a limit order (buy or sell, as applicable) at a specified limit price, and execution may not occur as the market price can move away from the specified limit price. For equities, a stop quote limit order is not guaranteed to execute as the order will not be triggered unless the stop price is reached and, even if triggered, your order may not be executed as the market price can move away from the specified limit price. For listed options, a stop limit order is not guaranteed to execute as the order will not be triggered unless the stop price is reached and, even if triggered, your order may not be executed if there is no prevailing bid quote (in the case of a sell stop limit order) or a prevailing offer quote (in the case of a buy stop limit order) available on the exchange to which your order is routed or if the market price moves away from the specified limit price.

Often for those securities in which Merrill or one of its affiliates makes a market, we will use best efforts to execute larger-sized client orders by testing whether, and how much, stock can be bought at currently displayed quotes, in addition to what is reflected in the quote of Merrill or its affiliate. We may then manually execute client orders based on the liquidity we are able to access, which may involve the simultaneous execution of one or more client orders received over a period of time. Those orders may receive executions at prices that approximate the volume-weighted average price during that period. Merrill Lynch routes orders in securities in which we do not make a market to other market makers, which can include one or more of its affiliates or other unaffiliated third-party market makers.

The Securities and Exchange Commission ("SEC") adopted a rule requiring market centers to publicly disclose, on a monthly basis, uniform statistical measures of order execution quality. These measures include, but are not limited to, how market orders of various sizes are executed relative to the public quotes and information about the spreads paid by investors. The SEC has also adopted a rule requiring all brokerage firms to make publicly available quarterly reports on their order routing practices. In accordance with these rules, Merrill's order routing statistics are available for public review by visiting <https://www.ml.com/legal.html> and clicking through the link provided in the "Routing Disclosures Made Pursuant to Rule 606

of SEC Regulation NMS" section. Merrill affiliates may maintain trading desks engaged in market making or other trading functions to which your orders may be routed for execution or from whom an execution price for the transaction may be obtained. The execution disclosures of BofA Securities, Inc., a Merrill affiliate and market center, are available for public review by visiting https://www.bofam.com/en-us/content/best_execution.html.

Note: Under SEC rules, we are required to inform you that Merrill does not receive payment for order flow from liquidity providers to which Merrill routes its customer orders in equity securities. Merrill may receive rebates from and pays fees to certain registered securities exchanges for providing or taking liquidity on those exchanges, according to those exchanges' published fee schedules approved by the SEC. In some cases, the rebates received by Merrill from an exchange may, over a period of time, exceed the fees paid to the exchange. Merrill may also participate in the options order flow programs sponsored by the NYSE American Options, the NYSE Arca Options, the Cboe options exchanges, and the Nasdaq options exchanges. These exchange sponsored programs offer payments for listed option orders that are directed to such options markets. In addition, in some cases involving large equity securities trades where you direct that a Merrill affiliate execute your order as principal, Merrill may share in the compensation paid to its affiliate for the affiliate's services.

18. Extended Hours Trading Agreement

IMPORTANT INFORMATION ABOUT EXTENDED HOURS TRADING THROUGH ELECTRONIC COMMUNICATION NETWORKS.

Due to the nature of the extended hours trading market, trading in the pre-market and after hours through an ECN may pose certain risks which are greater than those present during normal market hours.

Risk of Lower Liquidity

Liquidity refers to the ability of market participants to buy and sell securities. Generally, the more orders that are available in a market, the greater the liquidity. Liquidity is important because with greater liquidity it is easier for investors to buy or sell securities, and as a result, investors are more likely to pay or receive a competitive price for securities purchased or sold. There may be lower liquidity in extended hours trading as compared to regular trading hours. As a result, your order may only be partially executed, or not at all.

Risk of Higher Volatility

Volatility refers to the changes in price that securities undergo when trading. Generally, the higher the volatility of a security, the greater its price swings. There may be greater volatility in extended hours trading than in regular trading hours. As a result, your order may only be partially executed, or not at all, or you may receive an inferior price when engaging in extended hours trading than you would during regular trading hours.

Risk of Changing Prices

The prices of securities traded in extended hours trading may not reflect the prices either at the end of regular trading hours, or upon the opening the next morning. As a result, you may receive an inferior price when engaging in extended hours trading than you would during regular trading hours.

Risk of Unlinked Markets

Depending on the extended hours trading system or the time of day, the prices displayed on a particular extended hours trading system may not reflect the prices in other concurrently operating extended hours trading systems dealing in the same securities. Accordingly, you may receive an inferior price in one extended hours trading system than you would in another extended hours trading system.

Risk of News Announcements

Normally, issuers make news announcements that may affect the price of their securities after regular trading hours. Similarly, important financial information is frequently announced outside of regular trading hours. In extended hours trading, these announcements may occur during trading, and if combined with lower liquidity and higher volatility, may cause an exaggerated and unsustainable effect on the price of a security.

Risk of Wider Spreads

The spread refers to the difference in price between what you can buy a security for and what you can sell it for. Lower liquidity and higher volatility in extended hours trading may result in wider than normal spreads for a particular security.

Time and Price Priority of Orders

Orders entered into the extended hours session are generally handled in the order in which they were received at each price level. Therefore, orders transmitted to the ECN by other investors before your order may match an existing order that you were attempting to match, thereby removing that order from the ECN order book. Similarly, your order may not be first in line to be executed if a matching order comes into the ECN. This may prevent your order from being executed, in whole or in part, or from receiving as favorable a price as you might receive during normal market hours.

Communication Delays

Delays or failure in communications due to a high volume of orders or communications, or other computer system problems, may cause delays in, or prevent execution of your order.

Terms and Conditions

Trading through ECN Extended Hours session on the ECN is subject to the terms and conditions ("Terms") and policies set forth by Merrill and subject to change without notice. Trading in the pre-market session may not be available to all users. Users of the extended hours trading session should contact an investment specialist to determine the availability of pre-market trading. By using the ECN Extended Hours trading facility, you acknowledge your understanding of the risks set forth above and your agreement to the Terms set forth below.

We reserve the right not to accept an order for the ECN Extended Hours session at their discretion and will attempt to notify you if your order is not accepted.

We will only accept limit orders for ECN Extended Hours trading. You must indicate a specific price at which you are willing to buy or sell the security you are interested in. You may not trade against an order entered by you. In other words, you may not buy securities you offered for sale in the ECN, and vice versa.

The maximum order size is 100,000 shares.

Prices must be entered in decimals.

Only certain securities will be eligible for trading through the ECN Extended Hours session, so all orders must be for securities traded on the ECN. If a stock normally traded on the ECN closes on a trading halt in its primary market, or trading is later halted by its primary exchange or a regulatory authority, trading of that stock will be suspended on the ECN.

ECN pre-market orders can be placed from 7:00 to 9:30 a.m. Eastern. Pre-market Orders we receive will be sent to the ECN for execution in the order in which they are received. We will continue to send ECN pre-market orders as they are received until 9:30 a.m. Eastern unless trading is halted prior to 9:30 a.m. Eastern.

ECN after-hours orders can be placed from 4:01 to 8:00 p.m. Eastern (After Hours Orders). After Hours Orders we receive will be sent to the ECN for execution in the order in which they are received. We will continue to send After Hours Orders to the ECN until 8:00 p.m. Eastern unless trading is halted prior to 8:00 p.m. Eastern.

If ECN pre-market trading is available, orders not filled during the ECN pre-market session are automatically canceled if they are not filled by the end of the session (i.e., 9:30 a.m. Eastern) during which they were placed. You must re-enter these orders during normal market hours if you still wish to have the trades executed.

Orders not filled during the ECN after hours session are automatically canceled if they are not filled by the end of the session (i.e., 8:00 p.m. Eastern) during which they were placed. You must re-enter these orders during normal market hours if you still wish to have the trades executed.

Merrill is not liable for delays in the transmission of orders due to a breakdown or failure of transmission, communication or data processing facilities, or for any other cause beyond our reasonable control.

Transactions are subject to the applicable rules and regulations of the self-regulatory organizations and governmental authorities.

Transactions are subject to all other agreements applicable to your account(s).

The following pages contain the disclosures and agreement governing your Merrill Edge Self-Directed CMA Account, including disclosures required by federal law.

About Your Accounts

- 1) **A Merrill Edge Self-Directed CMA account is a securities account that offers you (hereafter referred to as “you” or “account holder” or “each person named on the account”) access to a full range of investment products and services.**
- 2) A Merrill Edge Self-Directed CMA account is an investment account that lets you trade and research mutual funds, stocks, fixed income and other securities, while providing check-writing, online bill payment and a Visa card.
- 3) ***Merrill Lynch, Pierce, Fenner & Smith Incorporated (hereafter referred to as “Merrill” or “we” or “our” or “us”) is a registered broker-dealer and a wholly owned subsidiary of Bank of America Corporation. Merrill is not a bank and is separate from its FDIC-insured affiliates, which include Bank of America California, N.A., Bank of America, N.A. (hereafter referred to as the “Merrill Affiliated Banks”) or other depository institutions. Banking services available through the Merrill Edge Self-Directed CMA Account are provided by or through licensed banks.***
- 4) *Merrill Edge Self-Directed CMA Accounts are governed by the rules and regulations of the Securities and Exchange Commission (SEC), the Federal Reserve System, the State of New York, and the Financial Industry Regulatory Authority (FINRA), as well as Merrill’s own policies and procedures.*
- 5) *Except where disclosed, securities sold, offered or recommended by Merrill are not insured by the Federal Deposit Insurance Corporation (FDIC), may fluctuate in value, and are not obligations of, or endorsed or guaranteed in any way by, any bank. Merrill is solely responsible for its own contractual obligations and commitments.*
- 6) Merrill will hold all securities in your CMA account in a control location acceptable to the SEC Commission, which may include, but is not limited to: (i) a securities depository, such as the federally-regulated Depository Trust Company for U.S. issuers and Euroclear for European issuers, (ii) a Federal Reserve member bank, or (iii) a mutual fund’s transfer agent. Securities are commingled in a Merrill book-entry account, generally held in nominee name at the control location, along with securities belonging to other Merrill customers. Your securities will at all times be separately identified on the books and records of Merrill as belonging to you, and Merrill will provide you with account statements that reflect your holdings. This method of custody, which has significantly increased efficiencies and reduced the risks associated with holding customer securities, is used by all major banks, trust companies and brokerage firms and has been recognized as providing unsurpassed safety for holders of securities. With regard to the custody of your securities, Merrill acts as your agent and transmits your instructions through the appropriate control location.
- 7) Where securities are not held in nominee name, the issuer or control location, as appropriate, recognizes Merrill as your agent and honors instructions provided by Merrill on your behalf.
- 8) “Merrill Lynch Affiliated Banks: means Bank of America, N.A. (“BANA”), Bank of America California, N.A. (“BA-CA”) and Merrill Lynch Bank and Trust Company (Cayman) Limited (“MLBTC”).

Opening an Account

- 9) To open an account you must provide certain information about yourself and other account holders.
- 10) Merrill, like all U.S. financial institutions, is required to follow federal regulations to assist the government in its efforts to fight money laundering and other financial crimes, and to counter terrorist financing efforts in the U.S. and globally. Merrill obtains specific personal information from you in order to verify your identity; and you may be required to present documentary evidence of your identity in the form of government-issued identification. Merrill also uses third-party vendors to verify customer information. Foreign nationals who are permanent legal residents of the U.S. may be required to present a Permanent Resident Card (i.e., "green card") and a Social Security number to open an account in a U.S.-based Merrill office. Non-individuals (e.g., a business, trust or estate) must submit sufficient evidence of legal status.
- 11) In addition to verifying the identity of our customers, Merrill captures personal information on all customers and related authorized parties who have the ability to transact, control, influence or manage an account, whether directly or indirectly. Merrill, at its discretion, may elect not to accept an account, or to terminate the account agreement and the account agreements of any related parties.

Investing

- 12) Your account is used to buy, sell and hold securities and other property.
- 13) *Please note that your account is debited on the settlement date of a securities transaction and not on the trade date.*
- 14) Unless you are enrolled in our Margin Lending Program, trades must be conducted on a "fully paid basis," meaning they must be paid in full on the settlement date. If you wish to trade on margin, your account must be opened as a margin account (see "About Margin Lending," page 8).

SIPC and "excess-SIPC" coverage

- 15) The securities and cash that Merrill holds in your CMA Account are protected by the SIPC. If a U.S. broker-dealer fails, SIPC funds are available to make up for any shortfall of clients' assets that the broker-dealer was required to maintain — up to a maximum of \$500,000 per client for securities, inclusive of up to \$250,000 per client for cash.
- 16) In addition, Merrill has obtained "excess-SIPC" coverage from a Lloyd's of London syndicate. This policy provides further protection for each customer (including up to \$1.9 million for cash), subject to an aggregate loss limit of \$1 billion for all customer claims.
- 17) SIPC and the excess-SIPC coverage do not protect against investment losses from market action.
- 18) Accounts in the MLDD Program are assigned to either the standard tier or Tier 6 for purposes of determining the interest rate. Accounts enrolled in an investment advisory program (such as Merrill Guided Investing), irrevocable trusts and certain fiduciary accounts will be assigned to Tier 6. All other accounts will be assigned to the standard tier. Accounts assigned to Tier 6 generally receive a higher yield on their bank deposits.
- 19) *Each account held by a separate customer (as defined by applicable law) is treated separately for purposes of SIPC protection.*
- 20) You may obtain further information about the SIPC, including the SIPC brochure, via the SIPC's website at <http://www.sipc.org> or by calling the SIPC at **202.371.8300**.

Cash Management

- 21) Cash balances in your CMA account automatically deposit into the Merrill Lynch Direct Deposit Program. The deposit of checks, the sale of securities and other activity generate cash in your account. Available cash balances are automatically swept into bank deposit accounts with Bank of America, N.A. (under the Merrill Lynch Direct Deposit Program). Until that time, your cash balances will not earn interest.
- 22) No Sweep Option - You may elect that any cash balances do not sweep to Merrill Lynch Direct Deposit Program. Cash balances (known as "free credit balances") will not earn interest. These balances will be part of assets held in your CMA account which are protected by SIPC coverage up to \$500,000 for securities and cash per customer, of which no more than \$250,000 may be cash and excess-SIPC coverage, as described in this agreement, but will not be covered by FDIC insurance.

- 23) Your Merrill statement will indicate where your cash balances are deposited or invested.
- 24) At any time, you may withdraw available cash balances held in your account or access your money accounts using checks or Visa cards issued for use with your account or through electronic transfers. *Cash balances will be used and money account balances will automatically be withdrawn to pay for securities purchases or to meet margin calls or other obligations that arise in connection with your account (see "When and how your account is debited," page 5).*
- 25) Deposited funds typically post to the account within two days of receipt, but can be held from investment and withdrawal for up to eight days. However, funds from electronic fund transfers, other than debits to third-party bank accounts originated through Merrill, and funds from deposits of many types of checks frequently can be withdrawn the next business day following their receipt by Merrill. Longer delays generally apply, among other things, to larger dollar deposits and deposits to new accounts. You can request more specific information about availability by calling the Investment Center at **877.653.4732**. A business day is defined as one in which both the New York Stock Exchange and New York banks are open for business.
- 26) *If we cease to offer a particular money account, we are authorized (but not obligated) to place cash balances automatically in another comparable money account.*
- 27) Merrill may change the money account options at any time.

Merrill Lynch Direct Deposit Program

- 28) In your Merrill Edge Self-Directed CMA Account, provided you do not choose the No Sweep option, cash balances of \$1 or more are automatically swept into Merrill Lynch Direct Deposit Program on the business day after the funds are received, provided the funds are received before our cashing deadline.
- 29) If you have pending transactions in your Merrill Edge Self-Directed CMA Account, on the business day funds are to be swept into MLDDP, the amount of those transactions may be deducted from the sweep amount.
- 30) Only whole dollar amounts are swept into MLDDP.
- 31) The Merrill Lynch Direct Deposit Program sweeps available cash balances to a separate bank deposit account at Bank of America, N.A. (member FDIC). Funds held in this account are protected by FDIC insurance for up to \$250,000 per depositor, per ownership category, per bank.
- 32) *Interest rates for the Merrill Lynch Direct Deposit Program are determined at the discretion of BANA based on economic and business conditions and are subject to change. A Merrill Representative will be available to discuss alternatives for your cash or bank deposit account balances. However, Merrill does not undertake any obligation to ensure you receive any particular rate of interest, or to advise you to invest your cash or bank deposit balances in higher-yielding cash alternatives. The interest rates for the bank deposit accounts may be different from yields on money market mutual funds and other cash alternatives. For current yields on bank deposit balances, call the Investment Center at **877.653.4732** or visit merrilledge.com (see the "Deposit Account & Money Fund Rates" link at the bottom of each page).*
- 33) Interest on bank deposit accounts maintained through the Merrill Lynch Direct Deposit Program will be compounded on a daily basis and credited monthly.
- 34) CMA Accounts enrolled in an investment advisory program (such as Merrill Guided Investing), irrevocable trusts and certain fiduciary accounts will be assigned to Tier 6 in the Merrill Lynch Direct Deposit Program for the purposes of determining the interest rate. All other accounts will be assigned to the standard tier with the Merrill Lynch Direct Deposit Program.
- 35) Newly opened accounts that are eligible for Tier 6 will be assigned to Tier 6 upon enrolling in the Merrill Lynch Direct Deposit Program. Existing accounts that become eligible for Tier 6 (e.g., through enrolling in an investment advisory program) will not be assigned to Tier 6 until the beginning of the next calendar month. If an existing account loses eligibility for Tier 6 (e.g., by terminating its enrollment in an investment advisory program), the account will continue to be assigned to Tier 6 until the end of the current calendar month, at which time it will be re-assigned back to the standard tier within the Merrill Lynch Direct Deposit Program.

- 36) As explained above, the tier assignment for accounts in the Merrill Lynch Direct Deposit Program may change on the first Business Day of each calendar month due to account changes. If an account's tier assignment changes, the new tier assignment will generally affect the interest earned for the Merrill Lynch Direct Deposit Program.
- 37) For additional information about the Merrill Lynch Direct Deposit Program, including information about FDIC insurance and the way bank deposits benefit Merrill and BANA, see "About the Merrill Lynch Direct Deposit Program," page 18.

Right to change/suspend Money Accounts

- 38) Merrill may change the Money Accounts available under the Sweep Program at any time. If a particular Money Account is no longer generally available in the Service or is no longer available, you authorize Merrill to transfer, exchange and/or convert any existing shares/balances in such Money Account into another Money Account. If the offering of any particular Money Account is suspended for any reason, Merrill is authorized, but not obligated, to cause available Cash Balances in the CMA Account to be invested/deposited in another Money Account.
- Merrill, may, with 30 days prior written notice, (i) make changes to the terms and conditions of our Sweep Program; (ii) make changes to the terms and conditions of any Money Account; (iii) change, add or remove the Money Account available as sweep product; (iv) transfer your Money Account from one sweep product to another.

Merrill CMA Access® Visa® Deferred Debit and Checks

- 39) Checks may be issued for use with the Merrill Edge Self-Directed CMA Account.
- 40) You may also be issued one or more Visa cards for use with your Merrill Edge Self-Directed CMA Account. Visa cards may be used to make purchases at Visa participating establishments or to obtain cash and cash advances from ATMs and Visa participating banks or branches.
- 41) The Visa cards are issued to you by BANA, and may only be issued to account holders with an official address located in the United States. Checks are drawn on BANA, or such other bank as selected from time to time by Merrill. Check transactions are processed through an account established by Merrill, BANA, or such other banks as selected from time to time by Merrill.
- 42) ATM withdrawals and Visa card cash advances are debited against your Merrill Edge Self-Directed CMA Account when the charge is presented to us. Visa card purchases are debited from your account once a month.

Purchasing power

- 43) The amount available for Visa card, check and other transactions is called your "purchasing power." Since your purchasing power is dependent upon a variety of factors, such as Visa card usage and, if you participate in the Margin Lending Program, the price of the securities held in your account, your purchasing power will fluctuate from day to day.
- 44) Purchasing power equals the total of any available cash balances in your account, your available money account balances and available credit through margin lending (if applicable).
- 45) Your purchasing power is adjusted at the following times:
- When the Visa card issuer is notified of a charge, not when charges are paid;
 - On the trade date of securities transactions, not the settlement date;
 - When you request a next-day fund transfer through the FTS, provided there is a sufficient balance in your account; and
 - Two days prior to any future or recurring transfers through FTS, again provided there is a sufficient balance.
- 46) Cash deposited at any Bank of America ATM will be immediately reflected in your purchasing power. You should allow up to eight days for a check credited to your account to be reflected in your purchasing power. *All checks delivered to us (via a Bank of America ATM or otherwise) for credit to your account must be in U.S. funds and drawn on a U.S. bank or other financial institution, and are subject to final collection.* You should also allow up to six days for an electronic fund transfer to be reflected in your

purchasing power. However, electronic fund transfers, other than debits to third-party bank accounts originated through Merrill, and deposits of many types of checks frequently will be reflected in your purchasing power on the next business day following their receipt by Merrill. Longer delays generally apply, among other things, to larger dollar deposits and deposits to new accounts. You can request detailed information about availability by calling the Investment Center at **877.653.4732**.

Exceeding your purchasing power

- 47) If you exceed your purchasing power in your Merrill Edge Self-Directed CMA Account, you will be in default, which may result in, among other things, termination of your subscription to the Merrill Edge Self-Directed CMA Account.
- 48) If a transaction in your Merrill Edge Self-Directed CMA Account causes you to be in default, BANA may, but is not obligated to, accept the transaction amount exceeding your purchasing power as an overdraft and make unsecured advances of funds on your behalf. If BANA does so, you will be notified and you agree to pay immediately the amount of the overdraft together with any applicable finance charges. BANA overdraft loans incur finance charges on the average daily balance at an annual rate specified in the account agreement.

ATM transactions

- 49) In order to access an ATM using your Visa card, you will need a personal identification number (PIN). Upon receipt of your card, you will need to call Merrill to obtain a PIN. *You should safeguard your PIN: Do not write it on your card or keep it in any place where it may be found with your card. Once a PIN is established, you will have the ability to change the PIN at most Bank of America ATMs.* If you lose or forget your PIN, call the Investment Center at **877.653.4732**.
- 50) *Cash withdrawals:* You may withdraw up to \$2,500 a day with your Visa card. *Please note, some ATM operators may have different limits on withdrawals. In addition, cash advances may be limited by banks to \$5,000 per account per day.*
- 51) *There are no fixed limits on your Visa card transactions. You are only limited by your purchasing power or spending limit (see "Purchasing power," page 4).*
- 52) *Deposits:* You may deposit checks and cash at any deposit-taking Bank of America ATM. Checks may also be deposited at any Merrill branch office, but cash can **only** be deposited at a Bank of America ATM—it cannot be accepted at any Merrill branch office.

Deposit type	Bank of America deposit-taking ATM	Merrill branch office (Cashier)
Checks	YES	YES
Cash	YES	NO

Deposits to brokerage accounts are *not* accepted by Bank of America financial center tellers.

53) *Purchasing power (available balance) inquiry:* You may view your account's purchasing power at most Bank of America ATMs by choosing to check your "Available Balance" on the ATM screen. Your purchasing power will be reflected at the ATM as follows:

- **Total Available Funds:**¹ This is the total amount of funds available to you at the time of your ATM balance inquiry.

¹ Total Available Funds is not your account value; it's the amount available for purchases and/or transactions in your account at a particular point in time.

Mobile deposits

- 54) You may make check deposits to your Merrill Edge Self-Directed CMA Account by using the Merrill Edge Mobile Investing application with your mobile device. Deposited funds typically post to the account within two days of receipt, but can be held from investment and withdrawal for up to eight days. There is no fee to download and to use the Merrill Edge Mobile Investing, but you may be charged fees by your wireless service provider. Please contact your service provider for details on specific fees. For more information regarding this application, please call the Investment Center at **877.653.4732** or visit merrilledge.com.

Checkwriting

- 55) Checks should be written in U.S. dollars only.
- 56) You may *not* use checks for your Merrill Edge Self-Directed CMA Account to:
- Purchase securities
 - Purchase shares of the money funds
 - Make deposits through the Merrill Lynch Direct Deposit Program
 - Make payments on outstanding loans from, or overdraft advances extended by, BANA
- 57) You can view, download or print copies of your cancelled checks through merrilledge.com, or you can request copies by calling the Investment Center at **877.653.4732**. Original checks will not be returned to you, although you can obtain an original check by calling the Investment Center at **877.653.4732**.
- 58) The bank through which your checks are processed and Merrill reserve the right to pay post-dated checks, although it and we are not obligated to do so. The bank and we also reserve the right not to pay checks that it or we determine, in our sole discretion, are incomplete or improperly completed. Any checks that exceed your purchasing power or spending limit may also not be honored.
- 59) If you request checks be signed with a signature stamp or signature plate, you agree that such requirements are for your internal purposes only, and neither Merrill nor the bank through which your checks are processed will have any responsibility or liability for the payment of any check signed with a signature stamp/plate.
- 60) You may request a stop payment on a check. To stop payment, call the Investment Center at **877.653.4732** and provide details of the check, including the number, date, payee and exact amount. There may be a fee for this service (see "Other Fees and Charges," page 12).
- 61) *If you provide information that is incorrect or untimely, or you do not comply promptly with a request for other reasonable information, neither Merrill nor the bank through which checks are processed will be responsible if payment cannot be stopped. If, for any reason, Merrill fails to stop payment on a check, we may, without liability, delay re-crediting your account while we determine the rights of parties involved. In addition, neither Merrill nor the bank processing your checks will be liable if, through inadvertent payment contrary to a request to stop payment, other items are returned unpaid.*

When and how your account is debited

- 62) You agree to pay BANA for the Visa card purchases (including direct debits) posted to your Visa card account. You authorize Merrill to pay BANA from the assets in your Merrill Edge Self-Directed CMA Account, including, if applicable, by making loans to you. Merrill will not debit your Merrill Edge Self-Directed CMA Account until the Wednesday before the last Friday of the month for all purchases posted to your Visa card account for that monthly period ("Delayed Debit"). If purchases exceed \$100,000 in a monthly cycle, you must execute a Statement of Purpose (Federal Reserve Form U-1) for BANA. If the Form U-1 is not on file, the entire amount of outstanding purchases will be immediately debited from your Merrill Edge Self-Directed CMA Account. Any subsequent charges not exceeding \$100,000 clearing the account during the same monthly cycle will be debited on the Wednesday before the last Friday of the month. Cash advances and ATM transactions obtained with your Visa card(s) at participating financial institutions or at ATMs will not be delayed and will be paid from the Merrill Edge Self-Directed CMA Account on the date that the notice of the transaction is received by Merrill.
- 63) We will make payments for debits in the following order of priority:
- Available cash balances in your account
 - Available balances in money accounts
 - Available credit through margin lending (if enrolled)
- 64) This system avoids cost of a margin loan until available cash balances and funds in money accounts (excluding automated minimums) are fully used.
- 65) *Please note, if you expect to charge more than \$100,000 to your Visa card in any monthly cycle, you must complete a Statement of Purpose form (Federal Reserve Form FR U-1) for the bank that issued your Visa card. If this form is not completed, the entire amount of your outstanding card purchases will be immediately debited from your account. Subsequent charges, provided they total less than \$100,000, will continue to be debited on a monthly basis.*

- 66) If for any reason your participation in the Merrill CMA Access® Visa® Deferred Debit is cancelled, you must cease using your card(s). Current charges will be debited to your account on the next business day, and new items will be debited on receipt instead of at the end of the monthly cycle.

Charges made abroad

- 67) An international transaction fee equal to 2% applies to the U.S. dollar amount of all transactions that occur outside the U.S., including purchases, credits, ATM withdrawals and cash advance transactions. This fee will only apply to transactions submitted to Visa in a currency other than U.S. dollars and will be in addition to any other applicable transaction fees.
- 68) Visa transactions in a foreign currency are converted by Visa into a U.S. dollar amount in accordance with Visa's operating regulations and conversion procedures in effect at the time the transaction is processed. Visa's regulations and procedures currently provide that the currency conversion rate used is a rate selected by Visa from the range of rates available in wholesale currency markets, which rate may vary from the rate Visa itself receives, or a government-mandated rate. The method of currency conversion is subject to change by Visa without notice.
- 69) The currency conversion rate in effect on the processing date may also differ from the rate in effect on the transaction date or posting date. Transactions made in a foreign currency that are submitted to Visa in U.S. dollars will be posted to your account in that U.S. dollar amount.

Billing rights and overdrafts

- 70) YOUR BILLING RIGHTS
KEEP THIS NOTICE FOR FUTURE USE
- 71) This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions

- 72) If you think any transaction on your account statement or a BANA overdraft notice is wrong, or if you need more information about a transaction, you should write to Bank of America, N.A. (BANA), as soon as possible at:
- Merrill
Attn: CMA Operations
NJ2-800-01-03
P.O. Box 1501
Pennington, NJ 08534-0671
- 73) In your letter, provide the following information:
- Your name, address and account number;
 - The dollar amount of the suspected error;
 - A description of the item in question; and
 - Why you believe there is an error.
- 74) BANA must hear from you no later than 60 days after we send you the first account statement or overdraft notice on which the error or problem appeared. You may also call us at **877.653.4732**, but doing so will not preserve your rights. Outside the U.S., call collect **609.818.8000**.

Your rights and our responsibilities after we receive your written notice

- 75) BANA must acknowledge your letter within 30 days unless it has corrected the error by then. Within 90 days, it must either correct the error or explain why it believes the statement or overdraft notice was correct.
- 76) After BANA receives your letter, it cannot try to collect an amount you question or report you as delinquent. It can continue to bill you for the amount, including finance charges, and can apply any unpaid amount against your purchasing power. You do not have to pay any questioned amount while BANA is investigating, but you are still obligated to pay any amount that is not in question.
- 77) If it is found that a mistake was made on your overdraft notice, you will not have to pay any related finance charges. If the bank finds that a mistake was not made on your statement or overdraft notice, you will have to pay the questioned amount, including any overdraft finance charges. The bank will notify you through us in writing of the amount owed and due date for payment.
- 78) If you fail to pay the amount that Bank of America, N.A., thinks that you owe, it may report you as delinquent. However, if Bank of America, N.A.'s explanation does not satisfy you, and you write to it within 10 days telling it that you still refuse to pay, it must tell anyone it reports you to that you

have a question about your monthly transaction statement or overdraft notice. And, BANA must tell you the name of anyone it reported you to. Bank of America, N.A., must tell anyone it reports you to that the matter has been settled with you when it finally is.

- 79) If the bank does not follow these rules, it cannot collect the first \$50 of the questioned amount, even if your statement or overdraft notice is correct.

Account Information

- 80) You can obtain account information in three ways: through our Investment Center at **877.653.4732**; on your account statements; and through merrilledge.com (once activated).

About Optional Services

- 84) To enhance the capabilities of the Merrill Edge Self-Directed CMA Account, Merrill offers several optional services. *Optional services may entail additional fees or charges (see "About Fees," page 12).*
- 85) You may enroll in these services when you open your account. Once you have established an account and we have your signature on file, you may be eligible to enroll in these services at a later date.

Historical Pricing and Valuation Service

- 86) You can request a report showing the securities held in your Merrill Edge Self-Directed CMA Account as of a specific date. For an additional fee, you may also request that we provide historical values for publicly traded securities for gift, estate tax or other planning purposes.
- 87) Call the Investment Center at **877.653.4732** for more information about this service.

Account Statement Linking

- 88) The Statement Link Service allows certain Merrill accounts to be "linked" so that account statements for all linked accounts are mailed in a single package.
- 89) Statements for linked accounts are sent to the designated primary account holder, who will receive a package containing all periodic statements in the link. Statements will continue to be sent to account holders of the linked accounts as required. *Please note, all account holders remain responsible for verifying the accuracy of their individual statements, reading notices and directing activity in their individual accounts.*
- 90) The assets of linked accounts are not commingled, and each account holder retains control over his or her individual account.

Account Linking to Bank of America Debit Card

- 91) Certain Merrill brokerage accounts can be linked to a Bank of America debit card. Linking your brokerage account to your Bank of America debit card allows you to access your brokerage account at most Bank of America ATMs. If you choose to link your brokerage account to your Bank of America debit card and you also have a Merrill-branded deferred debit Visa card for your brokerage account, both cards will remain active with their respective PINs; however, your Merrill card will not be able to access your Bank of America deposit accounts. Please note though that any limitations applicable to the card being used (such as daily cash withdrawal limits) will apply when that card is used—regardless of the account being accessed. Linking of a brokerage account to a Bank of America debit card will allow you to transfer funds between your brokerage accounts at Merrill and your deposit accounts at Bank of America when using your Bank of America debit card.
- 92) Point of sale transactions with your Merrill deferred debit card will continue to clear against your brokerage account, and point of sale transactions with your Bank of America debit card will continue to clear against your primary bank account linked to that card.
- 93) Certain accounts may not have this ability. Please contact the Investment Center at **877.653.4732** if you have any questions.

Automated Investing

- 94) When you enroll in automated investing, we will automatically buy shares on your behalf in a mutual fund according to a predetermined schedule. You may enroll to invest through your accounts or transfer funds from your accounts for investment through another Merrill account. All mutual fund purchases are subject to the eligibility terms in the mutual fund's prospectus or statement of additional information. The availability of certain mutual funds and/or share classes offered by a mutual fund may be limited at Merrill to specific service models.
- 95) A Merrill Representative can provide you with further information about this service.

Electronic Bill Payment

- 96) You can pay your monthly bills with ease using our electronic bill payment service (also referred to as Bill Pay). The service allows you to make one-time or recurring payments from your Merrill Edge Self-Directed CMA Account to third parties using your Web-connected home or office computer.
- 97) Bill payments are debited to your account electronically or by drafts that clear like Merrill Edge Self-Directed CMA Account checks. Bill payments are clearly indicated on your monthly statements.
- 98) For fees applicable to this service, see "About Fees," page 12.
- 99) *In the event of erroneous bill payments, we are authorized to credit or debit your account to correct such transactions, subject to applicable laws, rules and regulations. Payments will not be cleared if they exceed your purchasing power or spending limit (see "Merrill CMA Access® Visa® Deferred Debit and Checks," page 4), and BANA is not obligated to provide you with funds as an overdraft.*
- 100) For more information on electronic bill payment, refer to Bill Pay service at merrilledge.com or call the Investment Center at **877.653.4732**.

Direct Deposit

- 101) Through the direct deposit service, you can have payroll, pension, Social Security and other recurring payments sent electronically into your account on your payroll date or on the effective date of the payment, and those payments will be swept into your primary money account on the business day after the funds and data necessary to identify your account are received.
- 102) Go to merrilledge.com for more information about enrolling in this service.

Direct Reinvestment

- 103) By enrolling in the direct reinvestment service, you can have dividends from all New York Stock Exchange, American Stock Exchange and Nasdaq Stock Market-listed stocks and most mutual funds automatically reinvested into more shares of the same stock or fund without commission charges.
- 104) Call the Investment Center at **877.653.4732** for more information on this service.

Funds Transfer Service

- 105) You can transfer funds electronically to accounts outside Merrill or to other central asset accounts at Merrill by enrolling in the Funds Transfer Service (FTS). There is a \$100 minimum for electronic fund transfers.
- 106) You can arrange a funds transfer online at merrilledge.com or by calling **877.653.4732**. Transfers will be completed as soon as the next business day (or the same day if between Merrill accounts). You can also set up recurring transfers.
- 107) Your accounts will be debited in the same order of priority described under "Merrill CMA Access® Visa® Deferred Debit and Checks," page 4, and the transfer will not be completed if it exceeds your purchasing power or spending limit. Fund transfers to your account will not be reflected in your purchasing power or spending limit for up to 6 days, subject to applicable laws.
- 108) Restrictions apply on fund transfers from certain fiduciary accounts. Call **877.653.4732** for details.
- 109) *Please note that you will be prompted to call us to set up a password for use in initiating transfers. You should safeguard this password and not share it with anyone.*
- 110) *In the event of erroneous fund transfers, we are authorized to credit or debit your account to correct such transactions, subject to applicable laws, rules and regulations.*

Rejection of Payment Orders

- 111) Merrill and/or Bank of America may reject payment orders (e.g., wire transfers, checks, etc.). We will notify you of any rejection orally, electronically or in writing. If we send written notices by mail, we will do so by the end of the next business day. We are not liable to you for the rejection or obligated to pay you interest for the period before you receive timely notice of rejection.

merrilledge.com

- 112) All account holders may enroll in merrilledge.com. This Internet-based service provides 24-hour access to your account information, Merrill research and investment information, market data, news and e-mail.
- 113) To activate this service, a User ID and password are required. It is important to safeguard this information.
- 114) If you have not created a User ID and password or have forgotten either of them, you can request this information online at merrilledge.com or by calling **877.653.4732**.

Inter-Company Transfer of Funds

- 115) If you have both a Bank of America checking or savings account and a Merrill brokerage account, you may be able to transfer funds between these accounts using bankofamerica.com or merrilledge.com. In order to transfer funds, your online profiles must be linked. To link your online profiles, log on to either bankofamerica.com or merrilledge.com and follow the instructions to link your accounts. If you have any questions, please call **877.653.4732**.

Additional Notes on Electronic Transfers

- 116) Your account may be subject to the federal law on electronic fund transfers if you maintain the account as a natural person (as opposed to a trustee or in another capacity) and have established your account primarily for personal, household or family purposes. *Your rights and responsibilities*

will depend on the type of electronic transfer. From time to time, these rights and responsibilities may change. You will be notified of any changes as required by applicable law. If the change is necessary for security reasons, you do not have to be notified in advance.

- 117) Electronic transfers include:

You are not liable for unauthorized purchases using your Visa card or for the unauthorized use of your Visa card PIN. You are also not liable for any amount for the loss, theft or possible unauthorized transaction once you have notified us or the issuer of the card.
- 119) Call *immediately* if a Visa card is lost or stolen, or if you think someone has transferred or may transfer funds from your account without permission:
- **800.262.LOST** (800.262.5678) Toll-free
 - **609.818.8000** From outside U.S. (collect calls accepted)

Limits on electronic transfers

- 122) You are limited to \$2,500 a day in ATM withdrawals using your Visa card. Some ATM transactions that exceed this limit may be completed. In general, you may make an unlimited number of withdrawals, although some transactions may be limited or not completed for security reasons. Some ATM owners and operators may have limits on the frequency of transactions and the amount of cash withdrawals permitted.

- 127) Once stopped, recurring payments will not resume until we receive notice from you. Any request to change the title of an account will be treated as a request to stop payment of electronic transfers.
- 128) If you request that we stop a regular payment at least three business days before the electronic payment is scheduled and we do not do so, we will be liable for your losses or damages.
- 129) You may be charged a fee for stop payment requests. See "Other Fees and Charges," page 12, for current fee information.
- 130) If you have arranged with a third party for recurring transfers from your account of variable amounts, the third party will notify you 10 days before each electronic payment of the amount and date of payment. If you prefer, you may choose to get this notice only when the amount falls outside certain limits.
- 131) If you have a Visa card, you will receive advance notice of the varying amounts of the monthly debit if the amount of the debit exceeds \$500,000.

Our liability for failure to make transfers

- 132) If an electronic transfer is not completed on time or in the correct amount according to agreements governing the Merrill Edge Self-Directed CMA Account, we or the Visa card issuer may be liable for the resulting losses or damages.
- 133) There are some exceptions. Merrill and the Visa card issuer will not be liable, for instance, if:
- Through no fault on our or its part, the transfer amount will exceed your purchasing power or spending limit;
 - Circumstances beyond our or its control (such as fire or flood) prevent the transfer, despite reasonable precautions that were taken;
 - The ATM, electronic terminal or electronic system was not working properly and you knew about the breakdown when the transfer started; or
 - The ATM where you obtained cash did not have enough cash.
- 134) There may be other exceptions stated in the agreement governing the Merrill Edge Self-Directed CMA Account or provided by applicable law.

- 137) Report errors or problems in writing to:
- Merrill
Attn: CMA Operations

- Your name, address and account number
 - A description of the error or the electronic transfer you are unsure about
 - The amount of the suspected error
- 139) If the electronic transfer in question involved obtaining cash at an ATM or financial institution or was a pre-authorized electronic transfer, the question or complaint will be resolved promptly but no more than 45 calendar days after the notice is received. If the electronic transfer in question took place in a foreign country or involved a point-of-sale transfer made with a Visa card, the question or complaint will be resolved promptly but no later than 90 calendar days after notice is received.
- 140) If it is decided that no error occurred, you will be sent a written explanation within three business days after the investigation is finished. You may ask for copies of the documents used in the investigation.

Disclosure of account information

- 141) Subject to applicable law, we, the Visa card issuer or banks holding your deposit accounts will disclose information to third parties about your Merrill Edge Self-Directed CMA Account and Visa card only:

 - To credit bureaus and other consumer-reporting agencies;
 - To comply with a government agency or court orders;
 - If you have given written permission; or
 - If you authorize a merchant to automatically initiate recurring payments.

Remittance Transfers

- 142) A Remittance Transfer is a wire transfer initiated by a natural person (as opposed to a trustee or in another capacity) from an account based in the United States primarily for personal, family or household purposes to a designated recipient outside of the United States. Your rights with respect to Remittance Transfers, including error resolution and cancellation rights, will be explained to you in oral or written disclosures provided to you contemporaneously with each Remittance Transfer transaction you initiate.
- 143) Federal law provides certain rights and obligations related to Remittance Transfers that may differ from rights and obligations that apply to other types of electronic transfers, including disclosure, cancellation and error resolution rights. To the extent the provisions of this agreement are inconsistent with the oral or written disclosures provided to you for a Remittance Transfer governed by section 919 of the Electronic Fund Transfer Act (EFTA), 15 U.S.C. Section 1693o-1, the terms of such disclosures shall govern. Notwithstanding anything to the contrary contained herein, rights and obligations that apply to Remittance Transfers are as set forth in EFTA, and as applicable, as set forth in New York law.
- 144) Wire transfers to your account or funded from your account or otherwise funded by you may involve one or more funds transfer systems, including without limitation, Fedwire or Clearing House Interbank Payments System (CHIPS). Accordingly, notwithstanding any choice of law that may be provided elsewhere in this agreement, such wire transfers will be governed by the rules of any funds transfer system through which the transfers are made, as amended from time to time, including without limitation, Fedwire, the National Automated Clearing House Association, any regional association (each an "ACH") and CHIPS. Funds transfers through Fedwire will be governed by and subject to, Regulation J, Subpart B, and Uniform Commercial Code Article 4A incorporated by reference hereunder. Wire transfers through CHIPS are governed by, and subject to, CHIPS Rules and Administrative Procedures and by the laws of the State of New York, including Article 4-A of the New York Uniform Commercial Code, regardless of whether the payment message is part of a wire transfer that is a Remittance Transfer, except that in the case of an inconsistency between New York law and EFTA, EFTA shall govern.

About Margin Lending

- 145) Our Margin Lending Program allows you to borrow against the value of eligible securities in your Merrill Edge Self-Directed CMA Account. Merrill maintains the right, in our sole discretion at any time and without prior notice to you, to determine which securities are eligible to borrow against. We may refer to the program as the Margin Lending Program. You can use a margin loan to buy securities or sell securities "short," or as a source of credit for purchases using your CMA Visa card or checks.
- 146) Currently, you can borrow up to 50% of the market value of most exchange-listed stocks in your Merrill Edge Self-Directed CMA Account. A greater or lesser percentage of the value of bonds and other types of investments is available.
- 147) With margin lending, you pay interest only on the amount you borrow. Payments are not required as long as your account meets minimum equity requirements. There are no filing fees, application fees or points.

² Minimum requirement is 3% of principal amount.

- 148) You must keep a minimum of \$2,000 in equity in your Merrill Edge Self-Directed CMA Account to remain eligible for margin lending. In general, you may enroll only one account. Certain fiduciary accounts, such as custodial accounts, are not eligible for this program.
- 149) Margin requirements are subject to change and may vary depending upon factors such as security type, market price and concentration. Certain Internet-related and other volatile securities and holders of controlled and restricted securities may be subject to higher initial equity and maintenance requirements. Merrill may change initial equity and maintenance requirements at any time without notice.
- 150) Borrowing against tax-exempt bonds, tax-exempt municipal funds and tax-exempt unit investment trusts may involve the loss of the interest deduction from taxable income. You should check with your tax advisor before borrowing against tax-exempt investments or having them priced in your account.

Margin interest rates

- 151) Interest will be charged for any loan extended to you, whether for the purpose of buying, trading or carrying securities or for other purposes.
- 152) Your interest rate will be the current Merrill base lending rate (BLR) plus a supplementary percentage based on your average daily loan balance. The BLR is adjusted from time to time with reference to commercial interest rates and market conditions. To obtain the current BLR, call the Investment Center at **877.653.4732** or visit merrilledge.com/pricing.

- 153) *The rates shown may vary in individual situations at Merrill's discretion.*
- 154) *Your total interest rate is subject to change without notice in accordance with changes in the BLR and your average daily loan balance. If there is a change in the BLR during a charge period, you will be charged the new interest rate for the remainder of the charge period or until another change in the BLR occurs. If your rate is changed for any other reason, you will receive a written notice at least 30 days before the change.*
- 155) Your account statement will show the interest rate applied, the average daily loan balance, the number of days the loan was outstanding, and the actual interest charged to your account for the charge period. If there was a change in the BLR during the charge period, your account statement will itemize that information for each rate applied during the charge period.

Margin Interest Rates

- 156) Interest will be charged for any loan extended to you, whether for the purpose of buying, trading or carrying securities or for other purposes.

Your interest rate will be the current Merrill Lynch Base Lending Rate (BLR) plus a supplementary percentage or "spread" based on (1) your average daily loan or debit balance; and (2) the value of the assets and liabilities in your "Relationship Group" at the time that your account is approved for the Margin Lending Program or when your Relationship Group is reset, which can be done at your request. Your "Relationship Group" is defined as: (i) your accounts at Merrill, and (ii) in Merrill's discretion, your accounts and eligible accounts of others in your household at Merrill and Merrill's affiliates, such as Bank of America, N.A. be The BLR is adjusted weekly from time to time with reference to commercial interest rates and market conditions. Please note that your spread will not automatically be updated to reflect changes in the value of the assets and liabilities in your Relationship Group over time. To obtain the current BLR, understand what accounts are currently in your Relationship Group, or request that other accounts be added to or removed from your Relationship Group, or to have the value of your Relationship Group reset, call the Investment Center at 877.653.4732 or visit merrilledge.com/pricing.

The following table shows the supplementary percentage or spread that will be added to the BLR based on different average daily loan or debit balances and Relationship Group values. The spreads depicted in this table are as of February 22, 2022, and are subject to change in Merrill's discretion.

- 157) Your account statement will show the interest rate applied, the average daily loan balance, the number of days the loan was outstanding, and the actual interest charged to your CMA Account for the charge period. If there was a change in the BLR during the charge period, your account statement will itemize that information for each rate applied during the charge period.
- 158) Your total interest rate is subject to change without notice in accordance with changes in the BLR, your average daily loan balance, or the value of the accounts in your Relationship Group if or when that information is reset. If there is a change in the BLR during a charge period, you will be charged the new interest rate for the remainder of the charge period or until another change in the BLR occurs. If your rate is changed for any reason other than those described in this paragraph or in the case of concessions granted at the discretion of Merrill, you will receive a written notice at least 30 days before the change.

Charge period

- 159) The period for which interest charges are made runs from the last Friday of each month up to and including the last Thursday of the following month. There are three variations to this: (1) if the last Friday of the month is a holiday, then the interest charge period will end one business day earlier; (2) in December, the interest charge period will end on the next-to-last business day of the year (and the interest charge period for January of the following year will begin on the last business day of the year); and (3) for accounts that receive calendar month-end statements, the interest charge period runs from the last business day of the calendar month up to and including the next-to-last business day of the calendar month.
- 160) The interest charge period parallels the monthly statement period, except that interest for the final day of the statement period will be carried over and reflected on the next month's statement. The final day of the statement period is the last Friday of the month, except (1) if that Friday is a holiday, the final day of the statement period is the prior business day; (2) in December, when the final day of the statement period is the last business day of the year; and (3) for accounts that receive calendar month-end statements, the final day of the statement period is the last business day of the calendar month.
- 161) The average daily debit-balance entry which will appear on your statement is calculated based upon the number of days on which there was a debit balance in your account and not on the total number of days in either the charge period or the statement period.

Calculation of charges

- 162) The interest charge is determined at the close of the charge period by multiplying the average daily loan balance by the applicable interest rate and the number of days a loan was outstanding, then dividing by 360.
- 163) If the base lending rate was changed during the charge period, interest charges are calculated separately for the appropriate number of days at each rate and itemized on your statement.

- 164) Interest charges are due and payable at the close of the charge period. The exact amount due may be obtained by contacting the Investment Center at **877.653.4732**. If you do not pay the interest charge at the close of the charge period, the interest will be added to the opening loan balance for the next charge period.

Short sales

- 165) The market values of securities you sell "short" are adjusted daily for interest calculation purposes by a process called "marking to market." "Short sales against the box" are treated in exactly the same way as short sales.
- 166) The market value of all securities sold short in your account, including securities sold "short against the box," are treated as a debit for the purpose of calculating interest charges. The closing market value of the securities which were sold short is determined each business day and is either added to the net debit balance or subtracted from the net credit balance in order to calculate interest charges.
- 167) If the total market value of the securities sold short increases, then the debit adjustment to the net balance will increase by the same amount for the calculation of interest charges. Conversely, if the total market value of the securities sold short decreases, then the debit adjustment to the net balance will also decrease by a like amount for the calculation of interest charges. The market value of "long" securities held in your account against which a short sale is made is not included in the computation of interest charges.
- 168) *Please note that upward or downward adjustments of balances are for interest calculation purposes only.*

A note on selling securities not in your account

- 169) If you sell securities through us that you own but have not yet placed into your account, they must be delivered to Merrill by the settlement date of the transaction. Proceeds of such sales will not be used as an offset in calculating interest charges until the securities are received into your account in good deliverable form. Similarly, credits resulting from the exercise of employee stock options and sale of the underlying stock will not be used as an offset until the securities are actually received into your account in good deliverable form.

The exercise of an employee stock option may include either (1) a loan to you by Merrill for the amount of the exercise price, together with any additional tax withholding, up to the maximum amount that may be obtained under federal law, currently 50% of the value of most equity securities; or (2) an advance of funds for the amount of the exercise price, together with any additional tax withholding up to the net sales proceeds to be received if you are exercising an option and concurrently selling the securities. In computing interest charges, any credit resulting from the proceeds of such a sale will not be used as an offset until the securities to be obtained on the exercise of your employee stock option are actually received into your account in good deliverable form.

Option trading

- 170) Options can be traded through your Merrill Edge Self-Directed CMA Account and may be used to hedge a leveraged position. However, options themselves cannot be bought or sold on credit or borrowed against for purchases of any kind.
- 171) *Please note that option trading must be approved in advance by Merrill and additional documents are necessary. Option transactions involve certain risks and are not appropriate for every investor. Contact the Investment Center at **877.653.4732** for specific information.*
- 172) Writers of options, other than certain covered call writers and certain writers of cash-secured puts, must comply with the applicable initial equity and maintenance requirements that are set by Merrill, subject to minimum requirements imposed by the Federal Reserve Board, by securities and options exchanges, and by other self-regulatory organizations. These requirements vary depending on the underlying interest and the number of option contracts sold, and may be increased at any time by any of the above-mentioned organizations.
- 173) In addition, we may impose certain position limits, and additional initial equity and maintenance requirements may be imposed from time to time without notice. If these limits and requirements are not met, Merrill may close sufficient option contracts to bring the account into compliance with them.

Liens and additional collateral

- 174) Any securities or other property in any of your accounts with us are collateral for any debit balances in any of your accounts. A lien is created by these debits to secure the amount owed to us. We retain the right to require additional collateral any time we deem it necessary for our protection. These maintenance calls can be met by the prompt delivery of either additional acceptable securities or cash.
- 175) In accordance with the terms of our Client Agreement, should the equity in your account(s) fall below our minimum maintenance requirements for margin, securities in your account(s) may be sold to reduce or satisfy your debit balance. At present our minimum maintenance requirement for equity stocks eligible for margin is 30% of their current market value or \$3 a share, whichever is greater. As to our minimum requirements for other types of securities or transactions, contact the Merrill Edge Self-Directed Investment Center. Minimum maintenance requirement as well as initial requirements are subject to change without notice.

You agree that to the extent permitted by New York law, Merrill shall collect from you reasonable costs and expenses of collection of any such debit balance(s) and any unpaid deficiency in your account, including but not limited to attorneys' fees that Merrill incurs or pays in connection with such efforts.

Stock borrow charges

- 176) Effective August 7, 2017, if you short a stock that is in limited supply (i.e., "in demand"), you may be charged an SB Charge for borrowing that security. Whether there is an SB Charge for a particular security, and the relevant rate for the SB Charge, depend on various factors, including, but not limited to, the availability of that stock based on supply and demand in the lending market at that time, the size of the transaction, rates charged by counterparty lenders, days to cover/short-interest ratio of the stock, the percentage of the issuer's float that is held short and the number of days that the position is held short (i.e., borrowed). Securities that are "in demand", and any corresponding SB Charges, are determined by market participants, and may fluctuate on a daily basis. **It is important to note that the SB Charges may be substantial. In some instances, where the demand for the security borrowed is extremely high, the SB Charge, on an annualized basis, may exceed the principal value of the security. It is also important to note that, even if a security is not "in demand" at the time of your short sale, it may become "in demand" at any time based on market factors, and at that point, it would be subject to an SB Charge. The SB Charge rate can fluctuate daily without prior notice.**

SB charges assessed

- 177) If you short "in demand" securities, Merrill may charge you all SB Charges assessed in connection with your short sales with us on a daily basis starting on the settlement date of the trade. The charges may reflect work done by Merrill on your behalf in connection with these transactions to establish and maintain a short position in your account, which may result in a profit to Merrill. Short stock positions opened and closed intraday (not held overnight) will not be subject to an SB Charge.

Please note that you may obtain updated information with respect to the status of your short positions (including any applicable SB Charges) by contacting the Investment Center at 877.653.4732, a Merrill Financial Solutions Advisor or an Investment Center representative at any time.

In addition, all applicable SB Charges assessed will be displayed under a "SB CHARGE" debit entry on your monthly account statement, including those positions that incurred charges after the initial settlement date as described in the prior paragraph. This will show, on an aggregated basis, the charges for all shorted securities that incurred an SB Charge during the applicable period (described below), as well as a detailed breakdown of each SB Charge, including the applicable borrowing rate for each "in demand" position for the applicable period. A daily breakdown can also be provided upon request by contacting your financial advisor, a Merrill Financial Solutions Advisor or an Investment Center representative.

Any SB Charge entry on your account statement represents the debit of such charges, which are made one Business Day after each applicable SB Charge is incurred. Applicable SB Charges in your account will then be posted online one Business Day after the charge is debited. Thus, if you incur SB Charges on weekend days, such charges will be debited on the next Business Day (i.e., Monday, unless Monday is a holiday), and the charges will be visible in your account online on Tuesday (or Wednesday, if Monday is a holiday).

Your account statement will include all SB Charges debited in your account in a calendar month, except that any SB Charge debits that occur on the last Business Day of a month will be reflected on the following month's account statement.

Calculation of SB charge

- 178) SB Charges are calculated on an annualized basis based on the value of a short position and the SB rate for that position. SB Charges for a particular position are charged daily on a pro-rated basis depending on how many calendar days you hold the position short.

In the next column is an example of the calculation of an SB Charge. Please note that the example in the next column is for illustrative purposes only and does not reflect the actual SB Charges that you may incur on any given short position, which may be significantly higher than the charges reflected in the example in the next column. Please also note that in addition to SB Charges you may also be charged commissions and incur other expenses in connection with a short sale of securities that are not captured in the following example. Please note, the SB Charge amount for a given day is determined by multiplying the trade value of the stock borrowed by the applicable SB Charge rate, divided by 360. Therefore, the effective SB Charge rate for a given day can be obtained by multiplying the SB Charge amount by the number of days in a given year (e.g., 365 days) and dividing by the trade value of the stock borrowed.

- **current price of stock = \$11.00**
number of shares sold short = 10,000
SB Charge rate = 20%
- **(market price of stock) x (share quantity) = trade value of stock borrowed**
\$11.00 x 10,000 = \$110,000
- **(trade value of stock borrowed) x (SB Charge rate) = annual SB Charge amount**
\$110,000 x 0.20 = \$22,000
- **(annual SB Charge) / (360 days) = daily SB Charge amount**
\$22,000 / 360 = \$61.11
- **((daily SB Charge amount) x (365 days)) / (trade value of stock borrowed) = effective SB Charge rate**
(\$61.11 x 365) / \$110,000 = 20.28%

- 209) The estate of a deceased account holder and a departing account holder by assignment or divorce shall remain liable, jointly and severally, with the remaining or surviving account holder(s) for any obligations of the account arising before Merrill receives such notice, or incurred in liquidation of the account or the adjustment of the interests of the account holders.
- 210) In the event of any such change of ownership of the account, Merrill is authorized to divide or retitle the account in accordance with the form of legal ownership of the account as reflected on our records or by written instructions of the remaining or surviving account holder(s), or by obtaining a court order, as we may reasonably determine is appropriate in the circumstances.
- 211) Unless agreed otherwise among account holders in writing provided to Merrill, joint accounts designated "with right of survivorship" (e.g., JTROS) shall vest the interest of a deceased account holder in the surviving account holder(s). Accounts designated "without right of survivorship" (e.g., TIC) shall entitle the estate of a deceased account holder and the surviving account holder(s) to equal shares of the account.
- 212) All account holders agree to indemnify Merrill against any liability, loss or expense incurred from acting in accordance with this agreement in the event of a change of ownership of the account.

Visa cards and checks

- 213) You agree that Visa cards issued to you remain the property of the issuing bank and may be cancelled by the issuing bank at any time without prior notice.
- 214) You agree that you will be liable for all authorized transactions arising through the use of Visa cards and checks. You will be responsible, on a continuing basis, for the safekeeping of your cards and checks and shall not permit an unauthorized person to have access to them.
- 215) In addition, you will be responsible for reviewing your monthly statement in order to discover and report to Merrill any possible unauthorized use of your Visa cards and checks. You agree to notify us immediately if you believe or have reason to believe there may be or has been an unauthorized use of your Visa cards or checks.
- 216) Unless limited by law, you agree you are liable for any losses and damages arising from any breach of these undertakings to safeguard your Visa cards or checks, to review your statements and to promptly report any unauthorized activity.
- 217) You also agree to pay the reasonable costs and expenses of collecting any unpaid balance due, including any accrued finance charges, as a result of any overdraft(s), including attorneys' fees, to the extent allowed by law, involved in such collection.
- 218) You understand that, under this agreement, the Merrill Affiliated Banks have not taken a security interest in any of the assets in your account or money accounts.
- 219) You agree to pay Bank of America, N.A. (BANA), for all purchases made using your Visa cards. You authorize Merrill to pay BANA from the cash balances in your account, through a margin loan (if you have enrolled in the margin lending service) or by withdrawing or redeeming your money account balances. Payments will be made in the order described on page 5. Payments will be made on the Wednesday before the last Friday of each month for all purchases made in that monthly period.
- 220) If at any time, however, your total purchases exceed \$100,000 during any monthly cycle, the entire amount will immediately be debited from your account, *unless* BANA has received a signed statement of purpose form (Federal Reserve Form FR U-1) from you. Further charges (provided they are less than \$100,000) will be debited at the normal time. You agree to waive your right under federal law to be notified in advance of variable debits provided the amount does not exceed \$500,000.

- 221) You may make payments by other means, provided they are compatible with our operations and procedures, and you agree to notify Merrill of your intention to do so.
- 222) You agree that you will not dispose of assets in your Merrill Edge Self-Directed CMA Account or any other account with Merrill or its affiliates if such disposal will negatively affect your ability to pay BANA for card transactions. You may continue, however, to trade securities in your Merrill Edge Self-Directed CMA Account.
- 223) Cards for your CMA Account may only be issued to you if you reside in the U.S. and you use an official U.S. address for your place of residence.

Purchasing power

- 224) You agree that you will not incur charges with your checks and cards that exceed your purchasing power, which is defined as the total cash or free credit balance in your account, your available money account balances and, if applicable, available credit under the Margin Lending Program. You understand that your purchasing power may fluctuate from time to time and day to day.
- 225) If a charge exceeds your purchasing power, you will be in default, and Merrill may, among other things, terminate your subscription to the Merrill Edge Self-Directed CMA Account.

Overdrafts

- 226) If you exceed your purchasing power, Bank of America, N.A. (BANA), may accept the transaction as an overdraft and advance you funds for the amount exceeding your purchasing power. If this happens, you will be notified and you agree that you will immediately pay the amount of the overdraft and any applicable **finance charge**.
- 227) **Finance charges** will be imposed for overdrafts at an 18% **annual percentage rate**. The daily periodic rate is 0.049315%.
- 228) We figure the **finance charge** by applying the periodic rate to the "average daily balance" of your overdrafts. To get the "average daily balance," we take the beginning balance of your overdrafts each day, add any new overdrafts, and subtract any payments or credits, and unpaid **finance charges**. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance."
- 229) **Finance charges** accrue from the date BANA accepts an overdraft until the date on which payment is made. Any payments you make will be applied on the date of receipt, first to any accrued and unpaid **finance charges** and then to the balance of overdrafts in the order they were incurred.
- 230) You will be notified in writing if you have been provided with an overdraft.
- 231) You may remit payment for your overdraft in one of the following manners:
- 1) Transfer funds from another Merrill account at merrilledge.com (if applicable).
 - 2) Send a check or money order, payable to Merrill, to:

CMA Deposit Operations
P.O. Box 43247
Jacksonville, FL 32231-3247

Include your account number on your check or money order to ensure proper credit to your account. You may not use a Merrill check drawn on the same account that has the debit balance.
 - 3) Make a deposit at any Merrill branch office or Bank of America deposit-taking ATM.
 - 4) Wire funds from an external account at another institution to your Merrill account.
 - 5) Liquidate securities held in the account.
 - 6) Consider upgrading to a margin account and transfer the debit for an interest rate lower than the overdraft. Current margin rates can be viewed on merrilledge.com or by contacting a Merrill Representative at **877.653.4732**.
- 232) Please note that in the event there has been any non-related debit activity in your account since the overdraft occurred, any deposits made to your account will be used to satisfy that activity before being credited to the overdraft.

Pledging and lending assets

- 233) If you enroll in the Margin Lending Program, you agree that we have the right, subject to limitations under applicable laws, rules and regulations, to pledge or repledge securities and other property in your accounts, either separately or in common with other such securities or property, and for any amount due in your account, or a greater amount. We may do so without notice to you and without retaining in our possession or under our control for delivery a like amount of similar securities or other property.
- 234) In return for extending credit to you under the Margin Lending Program, you acknowledge and agree that we may lend, either to Merrill or to others, the securities in your account (along with all attendant rights of ownership), to the extent not prohibited by applicable laws, rules and regulations. You understand that we may receive and retain certain benefits to which you will not be entitled in connection with such loans. You agree that, in certain circumstances, such loans could limit your ability to exercise voting rights, in whole or in part, with respect to the securities lent. In addition, you acknowledge that, in using certain securities in your account for, among other things, settling short sales and lending the securities for short sales, we may receive compensation in connection therewith.

Exercising employee stock options

- 235) In order to sell shares under your company's stock option plan, you hereby constitute and appoint Merrill as your agent and attorney-in-fact for the purpose of:
- Determining and selling the number of shares of stock required to pay the amounts due upon exercise of the options;
 - Making such payments; and
 - Taking such further actions as shall be necessary to implement your employee stock option exercises.
- 236) You authorize and instruct your employer to deliver the stock issued pursuant to your stock option exercises to you. You agree that this authorization is irrevocable and will continue in full force and effect and will apply to each stock option exercise.
- 237) All company stock held or carried in your Merrill Edge Self-Directed CMA Account shall be subject to a lien for the discharge of any debt resulting from funds advanced to you for payment of the stock option exercise, applicable taxes, interest, and fees or commission.

Margin Lending Program

- 238) If enrolled in the Margin Lending Program, you agree to maintain such securities and other property in your account as required by Merrill.
- 239) In this agreement, the term "securities and other property" means money, securities, securities entitlements, financial assets, investment property, financial instruments and commodities of every kind and nature and related contracts and options relating thereto, whether for present or future delivery. This includes securities and other property currently or in the future held, carried or maintained by us or by any of our affiliates, in our possession or control (or the possession or control of our affiliates) for any purpose, for any of your accounts now or in the future opened, including any accounts in which you may have an interest.
- 240) You understand and agree that any credit extended to you in connection with your Merrill Edge Self-Directed CMA Account is primarily for investment or business purposes.
- 241) You agree that your monthly margin loan balance shall be charged interest at a rate permitted by the laws of the State of New York. If interest charges are not paid at the close of a charge period, they will be added to the opening balance for the next charge period. Interest will then be charged upon the entire opening balance of that next charge period.
- 242) **Merrill has the right to make a margin or maintenance call and require additional collateral:**
- 1) In accordance with our general policies on maintenance requirements for margin lending, which may be modified, amended or supplemented from time to time;**
 - 2) If in our discretion we consider it necessary for our protection at an earlier or later time than called for in the general policies;**
 - 3) In the event that a petition in bankruptcy or for appointment of a receiver is filed by or against you;**

4) If an attachment is levied against your accounts; or

5) In the event of your death.

- 243) **If you do not provide additional collateral as we may require for 1 and 2 above, or should an event described in 3, 4 or 5 above occur (whether or not Merrill elects to require additional collateral), you agree that Merrill may:**
- **Sell any or all securities and other property in your accounts with us or any of our affiliates, whether carried individually or jointly with others;**
 - **Buy any or all securities and other property which may be short in such accounts; and**
 - **Cancel any open orders and close any or all outstanding contracts.**
- 244) **We may exercise any or all of these rights without further demand for additional collateral, or notice of sale or purchase, or other notice or advertisement.**
- 245) **Any such sales or purchases may be made at our discretion on any exchange or other market where such business is usually transacted, or at public auction or private sale; and we may be the purchaser for our own account. You agree that our giving of any prior demand or call or prior notice of the time and place of such sale or purchase shall not be considered a waiver of our right to sell or buy without any such demand, call or notice as provided in this agreement.**

Security interest in favor of Merrill

- 246) All Securities and Other Property in any account, now or hereafter held, carried or maintained by Merrill or by any of its affiliates in Merrill's possession and control, or in the possession and control of any such affiliate, for any purpose, in or for any account of the Customer, now or hereafter opened, including any account in which the Customer may have an interest, other than retirement accounts, such as IRAs, shall be subject to a lien for the discharge of all the indebtedness and other obligations of the Customer to Merrill and are to be held by Merrill as security for the payment of any liability or indebtedness of the Customer to Merrill Lynch as described in Section 4(F).
- 247) You agree that at all times you are liable for the payment of, and agree to pay on demand, any debit balance or other obligations owing in any of your accounts at Merrill. You are liable for any deficiency remaining in such accounts in the event of the liquidation thereof, in whole or in part, by us or by you.
- 248) You agree that to the extent permitted by New York law, Merrill shall collect from you reasonable costs and expenses of collection of any such debit balance(s) and any unpaid deficiency in your account, including but not limited to attorneys' fees, that Merrill incurs or pays in connection with such efforts.
- 249) You agree that all securities and other property in any account—margin or cash—in which you have an interest, or which at any time are in your possession or under your control, other than retirement accounts, such as IRAs, shall be subject to a lien for the discharge of all your indebtedness and any other obligations that you may owe to Merrill and are held by us or our affiliates as security for payment of any indebtedness or obligations to Merrill in any of your accounts with us, including accounts in which you have an interest. Securities and other property held in retirement accounts, such as IRAs, are not subject to this lien and are not used as security for the payment of your obligations or indebtedness for other accounts, cash or margin you maintain with Merrill.
- 250) Merrill, subject to applicable laws, without giving you prior notice, shall have the right to use and/or transfer securities and other property so held by Merrill from or to any of the accounts of yours whenever, in its judgment, Merrill considers such a transaction necessary for its protection.
- 251) In enforcing our lien, we shall have the discretion to determine which securities and property are to be sold and which contracts are to be closed.
- 252) All securities and other property will be treated as financial assets under Article 8 of the New York Commercial Codes.

Liability for costs of collection

- 253) To the extent permitted by the laws of the State of New York, you agree to pay Merrill the reasonable costs and expenses of collection, including attorneys' fees, for any debit balance and any unpaid deficiency that you owe.

Termination

- 254) Merrill, BANA or you may terminate or suspend the Merrill Edge Self-Directed CMA Account and close your account(s) at any time and for any reason. You agree that you will remain responsible for authorized charges and any debit balances that arise before or after termination.
- 255) Merrill requires that you provide transfer instructions to transfer your account to another financial institution or liquidation instructions within 30 days of receiving written notification from Merrill and BANA informing you that we are terminating your account. If such instructions are not submitted by you within 30 days, cash, money market mutual funds and bank deposits will be liquidated or withdrawn, and the proceeds will be sent to you in the form of a check; equity securities eligible for Direct Registration will be issued to you in statement form; equity and fixed income securities eligible for certificate delivery will be issued to you in that form; and equity and fixed income securities ineligible for certificate delivery will be liquidated. Any non-transferable securities, including but not limited to mutual fund positions and option contracts, will be liquidated at current market prices; and sale proceeds will also be issued to you in the form of a check. Any outstanding obligations and/or debit balance(s) you may owe in your account(s), including any annual and closing fees, will be paid prior to any checks being issued. Liquidation of any security will likely be a taxable event and may incur fees, including mutual fund contingent deferred sales charges, or other applicable liquidation fees. Merrill recommends that you consult a tax advisor to determine what result, if any, liquidation may have on your tax situation.
- 256) Upon termination, you agree to promptly return all Visa cards and unused checks to us and discontinue use of any other means of access to your account. Failure to do so may result in a delay in complying with your instructions as to the disposition of your assets.

Low balance donation

- 257) If Merrill terminates your account and your CMA account contains a balance of less than \$15.00, the balance may be donated to charity. If you choose, you have the right have your account balance transferred to another financial institution or to direct Merrill to mail you a check for the balance. However, if you fail to provide such instructions, Merrill will donate this balance to charity. By not directing us to send you a check or otherwise transfer your remaining balance, you are deemed to expressly consent to this charitable donation.

Applicable laws and rules

- 258) **This agreement, with respect to all portions of the Merrill Edge Self-Directed CMA Account, including interest charges on loans made to you, will be governed by and interpreted under the laws of the State of New York. The terms of the agreement with Bank of America, N.A., are governed by federal and North Carolina law. Your rights and obligations for Remittance Transfers will be governed by and interpreted as described in the section titled "Remittance Transfers."**
- 259) All transactions in your account shall be subject to the constitution, rules, regulations, customs and usages of the exchange or market and its clearinghouse, if any, on which such transactions are executed by us or our agents, including our subsidiaries and affiliates.
- 260) You may not use your account or relationship to the firm to process transactions that are prohibited by law, including, but not limited to, restricted transactions prohibited by the Unlawful Internet Gambling Enforcement Act of 2006.
- 261) Wire transfers to your account or funded from your account or otherwise funded by you may involve one or more funds transfer systems, including without limitation, Fedwire or Clearing House Interbank Payments System (CHIPS). Accordingly, notwithstanding any choice of law that may be provided elsewhere in this agreement, such wire transfers will be governed by the rules of any funds transfer system through which the transfers are made, as amended from time to time, including without limitation, Fedwire, the National Automated Clearing House Association, any regional association (each an "ACH") and CHIPS. Funds transfers through Fedwire will be governed by and subject to, Regulation J, Subpart B, and Uniform Commercial Code Article 4-A incorporated by reference hereunder. Wire transfers through CHIPS are governed by, and subject to, CHIPS Rules and Administrative Procedures and by the laws of the State of New York,

including Article 4A of the New York Uniform Commercial Code, regardless of whether the payment message is part of a wire transfer that is a Remittance Transfer, except that in the case of an inconsistency between New York law and EFTA, EFTA shall govern.

- 262) *Notice to all non-U.S. individual clients and U.S. citizens residing abroad:* Regardless of your citizenship, if you are living outside the U.S. at your death, assets held in your account(s) with Merrill may be subject to U.S. estate taxes. To ensure any U.S. estate tax liabilities are satisfied, U.S. law imposes (i) a lien on all of your assets (both U.S.-situated and non-U.S. situs assets) held with Merrill at your death and (ii) statutory executor status on Merrill on behalf of the U.S. government at such time. As a result of this lien and the potential liability of Merrill as statutory executor for any unsatisfied U.S. estate tax, all of the assets in your account(s) with Merrill at your death will be restricted from withdrawal or transfer until (a) Merrill concludes that an exception applies based on an affidavit confirming your total U.S. assets held at death, your country of citizenship (this exception is not available for U.S. citizens), and your country of permanent residence; (b) Merrill receives documentation satisfactory to Merrill confirming that your assets are subject to a probate proceeding within the U.S.; or (c) a release from the U.S. Internal Revenue Service (IRS), known as a "Federal Transfer Certificate," is provided to Merrill (obtaining this from the IRS can take up to a year or more). As Merrill does not provide tax advice, please seek guidance on this topic from your own legal or tax advisor.
- 263) If any provision of this agreement is held to be invalid, illegal, void or unenforceable, by reason of any law, rule, administrative order or judicial decision, such determination will not affect the validity of the remaining provisions of this agreement.

Substitute payments

- 264) Merrill will aim to reduce the occurrence of circumstances that lead to its clients receiving substitute interest or dividend payments for their securities in lieu of payments from the issuer of the securities. For municipal securities, we may do so by informing clients when such circumstances arise in a transaction, and giving clients the opportunity to instruct us to either: (i) cancel and correct the transaction in question if a cancellation and correction can reasonably be executed or (ii) purchase a comparable security if a comparable security is available for purchase. There may be circumstances where a transaction cannot reasonably be cancelled or corrected or a comparable security is not available for purchase, which may lead to clients receiving substitute payments for their securities in lieu of payments from the issuer of the securities. In addition, clients may receive substitute payments for their securities under a number of circumstances in normal business activities that may create a temporary shortfall that results in Merrill holding an insufficient amount of the securities at the Depository Trust Company to enable all our clients to receive the actual payment from the issuer of the securities. Under such circumstances, we have established policies and procedures to determine which clients to allocate substitute payments to. Clients who receive a substitute payment will see the payment indicated as such in their account statements. Merrill is committed to ensuring that its clients are not adversely impacted by their receipt of substitute payments. Therefore, to the extent substitute payments are made to our clients, Merrill will "gross up" substitute payments after the close of the year the payments are made with an objective to compensate you for any federal, state, or local tax liabilities that might be incurred, including an amount equal to the tax liability on the gross up itself, in accordance with our policies, copies of which will be provided upon request. If you believe the gross up amount received is not sufficient to offset the tax liability incurred due to substitute payments, please contact a Merrill Representative at 877.653.4732.

Investment in non-U.S. issued securities

- 265) If you trade and hold non-U.S. securities, you acknowledge and agree that Merrill or its affiliates are, or may be, required to disclose customer name and other identifying information, including Social Security number or tax identification number, to regulators (including taxing authorities) and/or issuers to comply with local law and/or custom and practice. For example, we may be required to provide personal information in order to meet local regulations that require the submission of investor names to the local stock exchange, or an issuer may request residence and taxpayer identification information in order to obtain favorable tax treatment, such as lower withholding rates, for shareholders.

- 266) If you hold shares of Italian companies whose equity securities are traded in any regulated market, you hereby represent that you only hold "Non-Qualified Equity Investments" (Partecipazioni Non Qualificate). You agree, and acknowledge that it is your responsibility, to immediately inform Merrill if this representation is inaccurate or untrue or if it becomes inaccurate or untrue.

Disputes

- 267) If we believe there is a dispute concerning the control or ownership of assets of the account, we may, but are not obligated to, take one or more of the following actions, without any liability, until such dispute is resolved to our satisfaction:
- Restrict activity in the account;
 - Require that all instructions be in writing, signed by the account holder or, if applicable, all account holders or persons claiming ownership or authority to control the account;
 - Suspend or terminate the Merrill Edge Self-Directed CMA Account; and/or
 - File an interpleader action in an appropriate court at the expense of the account holder(s).

Successors

- 268) This agreement is binding on and will inure to the benefit of your heirs, successors and personal representatives, and may not be assigned without the written consent of Merrill and the Merrill Affiliated Banks. This agreement is binding upon the successors of, and may be assigned by, Merrill and the Merrill Affiliated Banks.

Compliance with Applicable Laws

- 269) You represent that you and any beneficial owners(s) if signed in a representative capacity have complied, and you agree that you and any such beneficial owner(s) will comply for so long as this Agreement is in effect, with all applicable laws (including obligations related to tax payments and reporting and to currency exchange controls) related to (i) the assets deposited, acquired or otherwise held in any securities account held at Merrill now or in the future or (ii) any other transaction you enter into with Merrill or its affiliates. You further agree and acknowledge that you and any beneficial owner(s) if signed in a representative capacity are responsible for timely paying any taxes owed to any tax authority and for timely filing all relevant tax returns in relation to assets held in any securities account held at Merrill now or in the future or any other transaction you enter into with Merrill or its affiliates.

Investment Policy Statements—Responsibility to Review and Monitor

- 270) You acknowledge that it is your sole responsibility to adhere to any investment policy statement (IPS) or similar document that applies to you. You further acknowledge that, in connection with your Merrill Account(s), Merrill shall not have any responsibility to review, monitor, or adhere to your IPS or similar document.

Headings

- 271) The heading of each provision of this agreement is for descriptive purposes only and shall not be deemed to modify or qualify any of the rights or obligations set forth in each such provision.

IRS Circular 230 Disclosure

- 272) Merrill does not provide tax, accounting, or legal advice. Neither the information, nor any advice contained in this communication is intended or written to be used, and cannot be used, for the purpose of avoiding U.S. federal, state, or local tax penalties, or promoting, marketing or recommending any transaction or matter addressed herein.

Revised Uniform Fiduciary Access to Digital Assets Act

- 273) In connection with the Revised Uniform Fiduciary Access to Digital Assets Act ("RUFADAA") and applicable state enabling statutes, Merrill will provide an authorized fiduciary for a Merrill client, as determined by Merrill, with "read-only" on-line access to such client's account(s) provided that the client's fiduciary creates his/her own user name and password, complies with the terms and conditions set forth in the Brokerage Website Terms and Conditions, as appropriate and provides Merrill with any additional requested documentation. On-line access is at all times subject to the terms, conditions and requirement applicable to Merrill websites and/or mobile applications, including any requirements for access. If Merrill determines that on-line access cannot be reasonably granted to such authorized fiduciary, hard copies of the information/documents requested by the authorized fiduciary may be provided.

REPRESENTATIONS AS TO OWNERSHIP AND CAPACITY TO ENTER INTO AGREEMENT

- 274) The Customer represents that no one except the Customer (or the beneficial owner(s) if signed in a representative capacity) has an interest in the CMA Account(s) of the Customer with Merrill. If this CMA Account is beneficially owned by any person who is a U.S. Securities Exchange Act of 1934 Section 16 reporting person of a U.S. public company, the Customer represents that no funds or assets belonging to such U.S. public company, or any entity affiliate of such U.S. public company, will be invested through this CMA Account. If the Customer is a sole proprietor, the Customer represents that the Customer is of legal age to contract in the Customer's jurisdiction of residence. The Customer represents that no person having an ownership interest in the Customer is an employee of any exchange, or of any corporation of which any exchange owns a majority of the capital stock, or of a member of any exchange, or of a member firm or member corporation registered on an exchange, or of a bank, trust company, insurance company or any corporation, firm or individual engaged in the business of dealing either as broker or as principal in securities, bills of exchange, acceptances or other forms of commercial paper. If any of the foregoing representations is inaccurate or becomes inaccurate, the Customer will promptly so advise in writing.

Securities-Based Loans Disclosure Statement

Risk factors you should consider before using margin or other loans secured by your securities accounts

- 1) Merrill is furnishing this Disclosure Statement to provide you with a summary of the risks involved in borrowing on margin from Merrill or otherwise borrowing funds secured by assets in your securities account(s) through an affiliated loan program, known as "securities-based credit." You should understand those risks before using securities-based credit as part of your investment strategy or as a liquidity source. In addition, you should understand:
 - The terms of your loan agreement;
 - The interest rate you will pay;
 - Initial margin and maintenance requirements and how market fluctuations may result in a "maintenance call"; and
 - The lender's procedures for issuing maintenance calls and liquidating securities and other assets in your accounts.
- 2) Please carefully review your loan agreement. If you have any questions or concerns, please contact the Investment Center at 877.653.4732 before trading securities in a margin account or otherwise using leverage. Trading "on margin" increases your market risk exposure.

Borrowing for Purposes of Purchasing Securities

- 3) When you purchase securities, you may pay for the securities in full or, if your account has been established as a margin account with the Margin Lending Program, you may borrow part of the purchase price from Merrill, thereby "leveraging" your investment. If you choose to borrow funds for your purchase, Merrill's collateral for the loan will be the securities purchased, other assets in your margin account and your assets in any other accounts at Merrill, other than retirement accounts (such as IRAs). If the securities in your margin account decline in value, so does the value of the collateral supporting your loan and, as a result, Merrill can take action, including issuing a margin call and/or selling securities in your account with Merrill to maintain the required equity in your account.
- 4) If your securities account has a Visa card and/or checks, you may also create a margin debit if your withdrawals (by Visa card, checks, pre-authorized debits, FTS or other transfers) exceed the sum of any available free credit balances plus available money account balances (such as bank deposit balances or money market mutual funds). Please refer to your account documents for more information.
- 5) You should note that it may be more advantageous to pay cash than to use margin for smaller securities purchases. On smaller purchases of securities, a higher percentage of the transaction costs goes to commissions and interest charges, which are generally higher on smaller balances. The commissions plus the interest charges could equal or exceed any appreciation in your securities.
- 6) If you want to borrow for the purpose of purchasing securities or paying off debt that has been incurred to purchase securities, you may also explore other securities-based credit alternatives from an affiliated lender that allow you to set up a "purpose credit" under Regulation U promulgated by the Federal Reserve. A "purpose" securities-based line may be subject to lower advance and call rates and withdrawal and substitution will be subject to compliance with Regulation U. Please carefully review the terms and risks set out in the applicable loan agreement.

Borrowing for Purposes Other Than Purchasing Securities

- 7) You may also borrow against the value of securities or other assets in your securities accounts for purposes other than to purchase securities. When you do so, the assets in your account are "pledged" as collateral to secure the loan. In such cases, your loan may be made by Merrill (in a margin account) or by an affiliated lender. For example, the Loan Management Account® (LMA® account) is a demand loan made by our

affiliate, Bank of America, N.A., that is secured by a pledge of assets in one or more Merrill securities accounts. Securities-based credit involves special risks and is not for everyone. Please carefully review the governing loan documentation for a complete description of the loan terms and risk disclosures.

- 8) Eligible collateral and other collateral requirements may differ across margin and other securities-based credits. Review the terms and conditions of your lending arrangement carefully.

Interest rates

- 9) Interest rates vary by loan program, so be sure you understand how interest rates are determined. The interest rate charged on the loan will reduce your overall rate of return.
- 10) Interest rates are usually based on an index plus or minus a percentage. The index may be an internal one, such as our base lending rate (BLR) for margin, or an external one, such as the one-month Bloomberg Short-Term Bank Yield Index (BSBY), or any such other successor index rate as determined by lender. In either case, your interest rate can change without notice to you if the index changes. A fixed rate of interest may be available with certain loan programs.
- 11) Your interest rate may be based on your outstanding loan balance (such as in our Margin Lending Program). As a result, your interest rate can change without notice to you in accord with changes to your loan balance.
- 12) Interest charges not paid at the close of the applicable interest period are typically added to your loan balance. You can elect to pay the interest charges plus any principal balance. Your interest charges will be shown on your account statements. Not all loans operate in this manner. Please review the terms and conditions of your lending arrangement carefully.

Maintenance requirements

- 13) Your pledged assets must meet specified maintenance requirements as determined by the lender. In other words, the assets must at all times maintain a certain minimum value. If the assets in your account decline in value and fall below these maintenance requirements, the lender may require you to deposit additional collateral—known as a "margin call" or "maintenance call"—or take other action as permitted by the loan agreement. The lender is also permitted, for example, to sell assets in any of your pledged Merrill accounts to meet maintenance requirements.
- 14) The forced sale of your assets may negatively affect your ability to follow your investment strategy or achieve your investment objectives. Some or all of the assets may be sold at prices higher than what it initially cost you to acquire them. If that happens, you may suffer adverse tax consequences.
- 15) You can reduce the possibility of maintenance calls by carefully considering the volatility of the securities you pledge as collateral and the amount that you borrow. Risk-management strategies you should consider include:
 - Borrowing less than the maximum allowable amount.
 - Borrowing against a portfolio of less-volatile securities such as government Treasuries, high-grade corporate bonds and blue-chip stocks.
 - Pledging a diversified portfolio as collateral.
 - Watching your portfolio carefully, especially when market conditions are fluctuating. By doing so, you will be aware of a potential decline in value before a maintenance call becomes necessary.
- 16) Alternative credit arrangements:

As explained above, there are various credit arrangements available from Bank of America, N.A., an affiliate of Merrill, (as well as potentially from other financial institutions) that may fit your needs. These other types of credit products may provide more definite terms, greater flexibility with respect to collateral requirements, and other terms and other benefits, including the acceptance of collateral other than marketable securities. Please consult with your independent legal, tax, or other advisors as you deem necessary. If you have questions regarding the range of credit solutions available from Merrill and its affiliates, please contact a Merrill Representative at 877.653.4732.

Margin Risk Disclosure Statement

- 17) In accordance with FINRA requirements, Merrill is furnishing this information to you to provide some basic facts about purchasing securities on margin, and to alert you to the risks involved with trading securities in a margin account. Before trading stocks in a margin account, you should carefully review the margin terms in this agreement. As used below, "we" or "us" refer to Merrill.

When you purchase securities, you may pay for the securities in full, or you may borrow part of the purchase price from Merrill if your account has been established as a margin account with the Margin Lending Program. If you choose to borrow funds, the securities purchased are the collateral for the loan to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, we can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held with us, in order to maintain the required equity in the account.

It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:

- **You can lose more funds than you deposit in your margin account.** A decline in the value of securities that are purchased on margin may require you to provide additional funds to us to avoid the forced sale of those securities or other assets in your account(s).
- **We can force the sale of securities or other property in your account(s).** If the equity in your account falls below the maintenance margin requirements or our higher "house" requirements, we can sell the assets in your accounts pledged by you to Merrill to cover the margin deficiency. For margin loans, we can sell the assets in any of your accounts held by Merrill. For other securities-based loans, you should check your loan agreement. You also will be responsible for any remaining loan balance in the account after such a sale.

- **We can sell your securities or other property without contacting you.** Investors sometimes mistakenly believe that they must be contacted for a maintenance call to be valid, and that securities or other property in their accounts cannot be liquidated to meet the call unless they are contacted first. This is not the case. We will attempt to notify you of maintenance calls, but we are not required to do so. Even if we have contacted you and provided a specific date by which you can meet a maintenance call, we can still take necessary steps to protect our interests, including immediately selling the securities or other property without notice to you.

- **You are not entitled to choose which securities or other property in your account(s) are liquidated or sold to meet a maintenance call.** Because the securities and other assets in your account(s) are collateral for the loan, we have the right to decide which assets to sell in order to protect our interests.

- **We can increase our "house" maintenance margin requirements at any time and are not required to provide you advance written notice.** These changes in our policy may take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause us to liquidate or sell securities in your account(s).

- **You are not entitled to an extension of time on a margin call.** While an extension of time to meet margin requirements may be available to you under certain conditions, you do not have a right to the extension.

- 18) If you have any questions or concerns about margin or the Margin Lending Program, please contact a Merrill Representative at **877.653.4732**.

About the Merrill Lynch Direct Deposit Program

- 1) This section describes the manner in which free credit balances of the Service, which includes CMA Accounts, will be deposited in bank deposit accounts established in the name of Merrill as your agent at Bank of America, N.A., by Merrill, Pierce, Fenner & Smith Incorporated (Merrill). This feature is called the Merrill Lynch Direct Deposit Program (MLDD Program).
- 2) If you subscribe to the MLDD Program for your Merrill Edge Self-Directed CMA Account, Merrill, as your agent, will establish two bank deposit accounts on your behalf at BANA: (1) a bank transaction account (BTA); and (2) a money market deposit account (MMDA). The BTAs and MMDAs established through the MLDD Program are each a "Deposit Account and collectively the Deposit Accounts."

Eligibility

- 3) The MLDD Program is available only to individuals and certain fiduciaries and trusts, provided the beneficiaries are individuals or otherwise eligible.

How the Program Works

- 4) The timing of the deposit of available free credit balances will be as set forth in the Merrill Edge Self-Directed CMA Account Agreement.
- 5) For Merrill Edge Self-Directed CMA Accounts, regardless of the number of owners (e.g., joint, single), free credit balances are remitted automatically for deposit by Merrill, acting as your agent, to your Deposit Accounts established by Merrill at BANA. Merrill will make this deposit on your behalf without reference to the amount deposited with BANA, or any other amounts you may have on deposit with BANA.
- 6) All deposits made to the Deposit Accounts will be made to your MMDA accounts, except as described under "Transfers and withdrawals," below.

Important deposit insurance considerations

- 7) All funds on deposit in each Merrill Affiliated Bank are eligible for insurance by the FDIC. Deposits are insured up to the SMDIA, per ownership category, per bank, as defined in paragraph 35. For purposes of determining deposit insurance coverage, all accounts or deposits (including CDs you hold either directly or through any other account at Merrill or any other intermediary) in the same Merrill Affiliated Bank will be aggregated. Amounts on deposit at BANA in the same insurable capacity in excess of the applicable FDIC insurance limit will not be covered by FDIC insurance. You are responsible for monitoring the total amount of all Merrill Affiliated Bank deposits in order for you to determine the extent of insurance coverage available to you on those deposits, including the Deposit Accounts and CDs.
- 8) If you have elected the MLDD Program sweep feature in connection with more than one Merrill account, you should note that remittances of funds from the Merrill Edge Self-Directed CMA Account securities accounts to the Deposit Accounts are made by Merrill, as your agent, on an automated and independent basis. Merrill will not monitor and adjust deposits to the Deposit Accounts to achieve the greatest deposit insurance coverage for you between or among your Merrill accounts. Persons with more than one Merrill account with the MLDD Program should consider various alternatives to lessen the amount of their uninsured Deposit Accounts. These alternatives may include selecting a different money account into which available cash balances in their second (or additional) Merrill accounts are swept, and carefully monitoring and periodically adjusting the amount of their deposits with BANA (whether in the Deposit Accounts, CDs or other deposits).
- 9) Merrill is not responsible for any insured or uninsured portion of the deposits made under the MLDD Program, or any CDs or any other deposits you may have.
- 10) For more information on FDIC deposit insurance, see "About Deposit Insurance," page 20.

Transfers and withdrawals

- 11) Withdrawals will be made from your BTAs by Merrill as your agent as necessary to satisfy debits (securities purchases, checks, Visa and other charges) in your Merrill Edge Self-Directed CMA Account. If you have

Deposit Accounts with BANA, then withdrawals will be made from your Deposit Accounts at BANA.

- 12) If funds in a BTA are insufficient to satisfy a debit, funds in the MMDA at BANA will be transferred to the BTA at BANA to satisfy the pending withdrawal, plus a "cushion" to be determined from time to time by Merrill. Certain transfers from an MMDA may be subject to a limit of six during a monthly statement cycle. At any point during a month in which transfers from the MMDAs at BANA have reached the applicable limit, funds will be transferred from all MMDAs you have at BANA to the related BTAs. For the remainder of the month, free credit balances in your Merrill Edge Self-Directed CMA Account will be deposited in your BTAs instead of the MMDAs as described above. At the beginning of each month, all funds in the BTAs (less \$1) will be transferred to the MMDAs. The limits on MMDA transfers will not limit the number of withdrawals you can make from funds on deposit at BANA through the MLDD Program.
- 13) As required by federal regulations, BANA reserves the right to require seven days' prior notice before permitting a transfer out of the BTAs and MMDAs. BANA has not exercised this right in the past.
- 14) The BTAs and MMDAs are not transferable.

Interest rates and yields

- 15) Interest rates paid on deposits in the MLDD Program are determined at the discretion of BANA based on economic and business conditions. Interest rates may change daily. The current yield on any deposits held in the MLDD Program is included on your Merrill account statement. Recent yields may be accessed on merrilledge.com (see the "Deposit Account & Money Fund Rates" link at the bottom of each page) or by contacting a Merrill Representative at **877.653.4732**.
- 16) Balances in the BTAs and MMDAs at BANA will earn the same interest rate and rate of return.
- 17) The rates of return paid with respect to the accounts may be higher or lower than the rates of return available to direct depositors of BANA for comparable accounts. Of course, you should compare the terms, rates of return, required minimum amounts, charges and other features of the deposits at BANA with other accounts, sweep programs and alternative investments offered by Merrill or other institutions.
- 18) Interest will accrue on Deposit Account balances from the day they are deposited to BANA to (but not including) the date of withdrawal, and will be compounded daily and credited monthly. BANA uses the daily balance method to calculate interest on the accounts. This method applies the applicable rate to the principal in the accounts each day.

Account statements and information

- 19) All deposits to and withdrawals from your Deposit Accounts will be confirmed and appear in chronological sequence on separate monthly Merrill Edge Self-Directed CMA Account statements. In addition, the statements will show the total of your opening and closing deposit balances for the period at BANA. To determine your total deposits in BANA through the MLDD Program, you will need to add the balances shown on each statement. The statements will also include interest earned for the period at BANA.
- 20) You may obtain information about your accounts with BANA including balances and checking activity, by accessing your account via merrilledge.com.

Your relationship with Merrill

- 21) Merrill is acting as agent and messenger for its customers for the deposits at BANA. The separate accounts established by Merrill on your behalf will be evidenced by a book entry on the account records of BANA and reflected on your periodic Merrill account statements. No evidence of ownership, such as a passbook or certificate, will be issued to you.
- 22) Checks clear through the check writing facility provided for your Merrill Edge Self-Directed CMA Account, which results in debits directly against your Merrill Edge Self-Directed CMA Account at Merrill. As a central asset account, the Merrill Edge Self-Directed CMA Account is an investment and money management vehicle. The Visa card and checking features are intended to provide you with easy access to assets in your account. The Merrill Edge Self-Directed CMA Account is not a bank account. Checks are provided to you by Merrill and not by BANA. In addition, all transactions are effected through Merrill, as agent, and not directly between you and BANA.

23) **Deposits with BANA are obligations of BANA only and are not guaranteed by or obligations of Bank of America Corporation or any other subsidiary thereof. Upon request, you will be provided with the publicly available summary financial information that Merrill has relating to the BANA. Merrill is not a bank. Securities made available through Merrill are not guaranteed by any bank, are not insured by the FDIC and may lose value.**

24) Merrill may, in its sole discretion and without notice, terminate your use of the Merrill Edge Self-Directed CMA Account. BANA may also terminate, in its sole discretion and without notice, your Deposit Accounts. If Merrill does not wish to continue to act as your agent with respect to your Deposit Accounts, you may deal directly with BANA, subject to its rules with respect to maintaining direct bank accounts. Similarly, if you decide that you no longer wish to have Merrill act as your agent and messenger with respect to the Deposit Accounts established for you at BANA, you may establish a direct relationship with BANA, subject to its rules with respect to maintaining such accounts, by requesting to have the accounts established in your name. This will result in severance of the Deposit Accounts from your Merrill Edge Self-Directed CMA Account.

25) As stated in the Merrill Edge Self-Directed CMA Account Disclosures and Account Agreement, Merrill may delay payment from your account for a certain number of days based upon factors including whether the source of the funds placed in your Merrill Edge Self-Directed CMA Account was an electronic funds transfer, check, draft or similar instrument.

26) **Conflicts of interest
Bank deposit programs**

There are conflicts of interest relating to the cash sweep programs. If you hold cash balances in your account, both the Merrill Lynch Affiliated Banks and Merrill Lynch benefit financially when your cash is “swept” to and held in deposit with them under our sweep programs. The Merrill Lynch Affiliated Banks benefit from their use of the deposits, and Merrill Lynch receives compensation from the Merrill Lynch Bank Affiliates for its services relating to the cash sweep programs.

The participating Merrill Lynch Affiliated Banks use bank deposits to fund current and new lending, investment and other business activities. This is a conflict of interest because, like other depository institutions, their profitability is determined in large part by the difference between the interest paid and other costs incurred by them on bank deposits and the interest or other income earned on their loans, investments and other assets, which may be funded in part by bank deposits. The deposits provide a stable source of funding, and borrowing costs incurred to fund their business activities have been reduced by the use of deposits from Merrill Lynch clients.

In addition, the Merrill Lynch Affiliated Banks determine the interest rate paid to depositors in the cash sweep programs.

The deposits will bear a rate of interest that has been established for, and in light of the features of, the cash sweep programs. Generally, this rate will likely be lower than (1) the interest rates available on non-sweep deposit accounts with Merrill Lynch Affiliated Banks and other banking institutions and (2) yields on cash alternatives, such as money market funds. The features of these non-sweep deposit accounts and cash alternatives are different from bank deposit accounts affiliated with the cash sweep programs.

Merrill Lynch receives:

- Up to \$100 per year from BANA and BA-CA for each account that sweeps to the Merrill Lynch Bank Deposit Program, Merrill Lynch Business Deposit Program and Merrill Lynch Direct Deposit Program
- Up to \$85 per year for each account that sweeps to the Retirement Asset Savings Program
- Up to \$100 per year from MLBTC for each account that sweeps to the International Bank Variable Rate Deposit Facility
- A fee of up to 2% per annum of the average daily balances from the ISA banks

This compensation is subject to change from time to time, and Merrill Lynch may waive all or part of it.

Advisors are compensated based on their clients’ total deposits held in the Merrill Lynch Affiliated Banks (excludes Retirement Asset Savings Program). They are also compensated on balances held in the ISA Program from participating banks. The greater the amount of the cash balance maintained in your Account (which could be as a result of a recommendation from your financial advisor) that is swept into a cash sweep programs bank deposit account and the lower the interest rate paid on the deposit, the more our bank affiliates benefit.

27) Other than the regular annual Merrill account fees, there will be no charge, fee or commission imposed with respect to your deposits with BANA.

About Deposit Insurance

FDIC insurance

- 28) FDIC insurance covers all deposit accounts at an FDIC insured bank, which includes MLDD Program deposits. Deposits maintained in different categories of legal ownership—such as individual accounts, joint accounts or certain retirement accounts—are separately insured by the FDIC, up to the applicable SMDIA per depository institution. The SMDIA is \$250,000 per depositor, per ownership category, per bank.
- 29) Your FDIC protection takes effect as soon as BANA receives your deposits from Merrill. Amounts in excess of the applicable FDIC insurance limit may be deposited to the Merrill Affiliated Banks from the same Merrill account. It is important to note that uninvested cash held in more than one Merrill account may be deposited to the same Merrill Affiliated Banks. Any accounts or deposits (e.g., CDs) maintained with a Merrill Affiliated Bank in the same legal ownership category, whether directly, through other Merrill accounts or through any other intermediary, would be aggregated for FDIC insurance limit purposes.
- 30) **You are responsible for monitoring the total amount of your deposits in order for you to determine the extent of insurance coverage available to you on your deposits, including any CDs. Merrill is not responsible for any insured or uninsured portion of MLDD program deposits, CDs or any other deposits.**
- 31) Merrill will not be obligated to you for amounts not covered by deposit insurance, nor will Merrill be obligated to make any payments to you in satisfaction of a loss you might incur as a result of a delay in insurance payouts applicable to your Deposit Accounts. Merrill will not be obligated to credit your Merrill Edge Self-Directed CMA Account with funds in advance of their payment to Merrill by the FDIC. Each Deposit Account constitutes a direct obligation of the issuing depository institution and is not directly or indirectly an obligation of Merrill.
- 32) Since deposit insurance coverage is based on a customer’s funds on deposit in any one depository institution, coverage can change if two or more institutions where you have funds on deposit merge or consolidate. Please note that if your deposits at a depository institution are assumed by another depository institution (“acquirer”) pursuant to a merger or consolidation, such deposits will continue to be separately insured from the deposits that you might have established with the acquirer until the expiration of a six-month period from the date of the acquisition. Thereafter, any assumed deposits will be aggregated with your existing deposits with the acquirer held in the same ownership category for purposes of federal deposit insurance. Any deposit opened at the acquired institution after the acquisition will be aggregated with deposits established with the acquirer for purposes of federal deposit insurance.
- 33) The application of the SMDIA is illustrated by several common situations discussed below. For additional information, including FDIC rules related to retirement accounts, visit [fdic.gov](https://www.fdic.gov).

Special Provisions for FDIC Deposit Insurance Coverage

- 34) If you have opened a Merrill account that holds bank deposits on your behalf or on behalf of the beneficial owners of the assets in the account, you, as the account holder or representative, must be able to provide information, in the event of adverse circumstances, about your ownership of the deposits or information regarding the interests of the beneficial owner(s) or beneficiaries to Merrill in accordance with the FDIC’s requirements.
- 35) In the event of adverse circumstances, you agree to:
- Cooperate fully with us and the FDIC in connection with determining the insured status of funds in such accounts at any time;
 - Provide promptly the necessary data in the required format.

- 36) In the event of bank failure, the FDIC would be appointed as receiver and a hold would be placed on your account so that the FDIC can conduct the deposit insurance determination; that hold will not be released until the FDIC obtains the necessary data to enable the FDIC to calculate the deposit insurance. You understand and agree if you do not provide the necessary data to Merrill in a timely manner, it may result in a delay in receipt of insured funds and your ability to transact with these funds.

Individual customer accounts

- 37) An individual account is an account owned by one person. Individual accounts include accounts established for the benefit of the owner by agents, nominees, guardians, custodians or conservators, and accounts established by a business that is a sole proprietorship. All individual accounts established by, or for the benefit of, the same owner at an FDIC insured institution are added together and the total is insured up to \$250,000.
- 38) For example, funds in accounts held by a custodian under the Uniform Gifts to Minors Act are not treated as owned by the custodian, but are added to other deposits of the minor held in an individual capacity and insured up to \$250,000.

Joint accounts

- 39) A joint account is an account owned by two or more people. Each co-owner's interest in joint accounts at an FDIC-insured institution is insured up to \$250,000. For example, a joint account owned by two persons would be eligible for insurance coverage of up to \$500,000 (\$250,000 for each person), subject to aggregation with each co-owner's interests in other joint accounts at the same depository institution. Joint accounts are separately insured from the co-owner's deposits maintained in other ownership categories at the depository institution (e.g., individual accounts) if each co-owner (1) is an individual person; and (2) has signed an account agreement with Merrill and has an equal right of withdrawal from the account.

Revocable trust accounts

- 40) A revocable trust is an account that indicates an intention that funds will belong to named beneficiaries upon the owner's death. A revocable trust can be revoked or terminated at the discretion of the owner. The FDIC's insurance regulations distinguish between two types of revocable trusts—formal trusts and informal trusts.
- 41) A formal revocable trust is established through a written trust document or agreement. The beneficiaries must be a natural living person and/or a charity/non-profit organization recognized by the IRS. Because Merrill account records do not specifically name the beneficiaries of a formal revocable trust, it is necessary for the account title to indicate that the account is held by a formal revocable trust in order for each named beneficiary to qualify for FDIC insurance.
- 42) An informal revocable trust is created if all of the following conditions are met: (1) the account title must include commonly accepted terms such as "transfer on death," "in trust for" or similar language to indicate the existence of a trust relationship (the terms may be abbreviated); (2) the beneficiaries must be identified by name in the deposit account records for the bank; (3) the beneficiaries must be a natural living person and/or a charity/non-profit organization recognized by the IRS.
- 43) FDIC coverage is determined by the number of beneficiaries named by an owner and the amount of the deposit. For revocable trust accounts where the owner has a balance of \$1,250,000 or less at an FDIC-insured institution and has named five or fewer beneficiaries, rather than evaluate the *proportional* interest of each beneficiary, the maximum coverage is determined by multiplying the number of beneficiaries by \$250,000. For revocable trust accounts where the owner has more than \$1,250,000 and has named six or more unique beneficiaries, each with an equal interest in the trust, the calculation is the same as for revocable trusts that name five or fewer beneficiaries. The maximum insurance coverage is up to \$1,500,000. For revocable trust accounts where the owner has more than \$1,250,000 at an FDIC-insured institution and has named more than five beneficiaries in the revocable trust with unequal interests, the maximum coverage is the greater of (i) \$1,250,000 or (ii) the aggregate amount of all the beneficiaries' proportional interests in the revocable trusts, limited to \$250,000 per beneficiary.

- 44) Properly established revocable trust account deposits, whether formal or informal, are separately insured from the owner's deposits maintained in other ownership categories at the depository institution. However, a revocable trust account established by a husband and wife that names the husband and wife as sole beneficiaries will be treated as a joint account and will be aggregated with other joint accounts subject to the rules described above under "Joint Accounts."

Irrevocable trust accounts

- 45) An irrevocable trust is an account in which the grantor gives up all power to revoke or amend the trust. The irrevocable trust may be created through an irrevocable trust document or agreement, statute or court order, or could spring from a revocable trust. The deposit account records of the depository institution must disclose the existence of the trust relationship. The interests of the beneficiaries must be non-contingent (i.e., capable of determination without evaluation of contingencies) and ascertainable from the deposit account records of the depository institution or from the records of the trustee maintained in good faith and in the regular course of business. The value of each beneficiary's interest must be capable of determination in accordance with FDIC regulations. The trust must be valid under state law. Irrevocable trust accounts are separately insured from the owner's deposits maintained in other ownership categories at the depository institution (e.g., revocable trust accounts). The interests of a beneficiary in all deposit accounts under an irrevocable trust established by the same grantor, at the same FDIC-insured institution, are added together and insured up to \$250,000. If the owner retains an interest in the trust, that interest is added to the owner's single accounts, if any, and that total is insured up to \$250,000.

Treatment of accounts upon death of owner

Under certain circumstances, if you become the owner of deposits at a depository institution because another depositor dies, beginning six months after the death of the depositor, the FDIC will aggregate those deposits for purposes of the SMDIA with any other deposits that you own in the same ownership category at the depository institution. Accounts that may be subject to this FDIC policy include joint accounts, "payable on death" accounts and certain trust accounts. For example, in the event of the death of one of two co-owners of a joint account, beginning six months after the death of the depositor, all the funds would be treated as individually held by the surviving co-owner and would, therefore, be aggregated with all other individually owned deposits of such survivor at the same depository institution for insurance purposes, unless some other action is taken. The FDIC provides the six month "grace period" to permit you to restructure your deposits to obtain the maximum amount of deposit insurance for which you are eligible.

Payments under adverse circumstances

- 46) In the event that federal deposit insurance payments become necessary, the FDIC is required to pay principal plus unpaid and accrued interest to the date of the closing of the relevant depository institution as prescribed by law and applicable regulations. Since there is no specific time period Merrill Lynch Bank Deposit Program during which the FDIC must make available such insurance payments, you should be prepared for the possibility of an indeterminate delay in obtaining insurance payments. In addition, you may be required to provide certain documentation to the FDIC and to Merrill before any insurance payments are released to you. For example, if a deposit account is held by you as trustee for the benefit of trust participants, you may be required to furnish an affidavit to that effect; you may be required to furnish other affidavits and indemnities regarding the insurance payments.

Additional information from the FDIC

- 47) If you have questions about FDIC insurance coverage, you may obtain information by contacting the FDIC by letter at Deposit Insurance Outreach, Division of Depositor and Consumer Protection, 550 17th Street, N.W., Washington, D.C. 20429; by phone at 877.275.3342 or 800.877.8339 (TTY); or by visiting the FDIC website at [fdic.gov](https://www.fdic.gov). ■

BUSINESS CONTINUITY PLANNING

Merrill Lynch is responsible for creating and maintaining business continuity plans for all its businesses. In the event of a business disruption, we have plans designed to allow us to continue operations of critical business functions, such as entering of client orders, completing securities transactions and providing clients access to their cash and securities. We accomplish this in part by:

- Relocating impacted businesses to designated recovery locations.
- Using redundant processing capacity at other locations.
- Designing our technology and systems to support the recovery processes for critical business functions.
- Using business and technology teams that are responsible for activating and managing the recovery process.
- Adopting a communication plan to ensure that Merrill Lynch employees receive emergency notifications and instructions via a variety of sources, including in-building announcements, telephone contact, toll-free phone numbers and Web sites.
- Rehearsing our recovery procedures and testing those procedures on a regular basis.

As part of our plans, Merrill Lynch has identified the applications that are critical to each of our business divisions. These applications are to be implemented in separate production and recovery data centers using industry-standard practices to copy data from the production site to the recovery site in real time. In most cases, recovery times will range from nearly instantaneous to approximately four hours. For some business functions, next-day recovery is projected.

With regard to client assets, nearly all market-traded securities are held in central depositories, such as the Depository Trust and Clearing Company, rather than in physical certificate form. Ownership of the securities is reflected on a book-entry record-keeping basis, with the depositories' participants, such as Merrill Lynch, maintaining on their records the beneficial ownership positions of their customers. This structure is recognized worldwide as providing investors with an unsurpassed level of liquidity and security for the assets they choose to custody with major financial institutions.

As a premier financial service firm, we take our commitment to our clients very seriously and participate globally in various industry-level discussions regarding business continuity planning under the auspices of industry organizations. Participation in these types of forums increases our ability to proactively recognize and manage business disruption risks and coordinate recovery efforts across the financial service industry.

In the event of a disruption, you will be able to receive information about your accounts and instructions on how to gain access to your funds by calling your Financial Advisor or the toll free number listed on your account statement.

Although we have taken significant steps to develop and implement sound business recovery plans, we cannot guarantee that systems will always be available or recoverable after a disaster or significant business disruption. However, we believe that our planning for such events is robust and consistent with many of the best practices established within the industry. Any material changes to the above information will be available on our Web site or upon request.

Merrill Direct Reinvestment Service

When you enroll in the Merrill Direct Reinvestment Service (the "Service"), you agree to be bound by the terms and conditions outlined below.

(i) **Description.** When your investments generate dividends, and in certain instances, capital gains or other distributions (collectively, "dividends" or "distributions"), you can decide to either receive cash payments deposited to your account or to automatically reinvest the distributions through the Service as an opportunity to help build the value of your investments. There is no fee for the Service, and for most account types you pay no commission on dividends or distributions automatically reinvested in the same investment through the Service.¹ Additionally, the Service provides you with the flexibility to have dividends from some holdings reinvested while having the dividends from other investments credited as cash directly to your account. You also have greater flexibility with respect to mutual fund investments where separate reinvestment elections for dividends and capital gains distributions are offered.

(ii) **Eligible Investments and Accounts.** If you enroll in the Service, you can have dividends from eligible common and preferred stocks, mutual funds, exchange traded funds ("ETFs"), closed end funds ("CEFs"), unit investment trusts ("UITs"), and regulated investment companies ("RICs") automatically reinvested into more shares or units of the same stock, fund, trust or company, generally without commissions or fees charged. You may also elect through the Service to reinvest capital gains distributions paid by mutual funds.

Alternative investments (including but not limited to hedge funds, private equity funds, non-traded real estate investment trusts and business development companies) are typically not held in "street name" and dividend reinvestments for alternative investments are generally offered pursuant to the issuer's terms and conditions, and not those of the Service described in this document. You should refer to disclosures provided to you in connection with these alternative investments, such as prospectuses or private placement memorandum and the subscription agreement (including the subscription agreement supplement), which include additional information about our compensation and any dividend reinvestment options offered by the issuers. For these alternative investments, the terms of the issuer's dividend reinvestment options (and not those contained in this document) apply.

Eligible investments must be held in "street name" (which means the investments are owned by you but are registered in Merrill Lynch's name) in order to participate in the Service. Most eligible investments that you hold through your Merrill Lynch account are held in street name.

The Service is an option for most Merrill Lynch account types, subject to the terms and conditions of any other services or programs you may participate in. You may confirm your account eligibility by contacting your financial advisor, a Merrill Financial

Solutions Advisor or an Investment Center representative at any time.

(iii) **Service Operations.** We will credit cash dividends you receive from eligible investments to your account on the dividend payable date. Thereafter, we will debit cash dividends to be reinvested from your account and combine cash dividends across all accounts that have elected the Service in the same investment in order to purchase additional shares or units of that investment. We will then credit your account following the dividend payable date with the number of shares or units of the investment, including fractional shares or units, equal to the amount of dividends reinvested, divided by the purchase price per share or unit (the "reinvestment price"). The reinvestment price will be the price per share or unit of the investment on or around the dividend payable date or the ex-dividend date (generally for mutual funds). The reinvestment price may reflect an average price per share or unit if the investments are purchased in multiple transactions. The details regarding the actual prices are available to you upon request.

Reinvestment for certain investments may occur through the Depository Trust Company ("DTC") Dividend Reinvestment program ("DTC program"). DTC and the issuer determine which investments participate in the DTC program. DTC will allocate investments purchased through reinvested dividends ("reinvestment shares") to us upon receipt from the issuer. For investments participating in the DTC program, the cash dividends you receive from eligible investments will be credited from your account. Thereafter we will debit cash dividends to be reinvested from your account and combine cash dividends debited across all accounts that have elected the Service in the same investment. Upon our receipt of reinvestment shares through the DTC program, we will credit your account with the number of reinvestment shares (including fractional shares or units with issuers whose investment plans accommodate fractional shares or units) allocated to your account equal to the amount of dividends reinvested, divided by the reinvestment price announced by DTC.

We are compensated by issuers of certain hedge funds, private equity funds, RICs, non-traded REITs and BDCs (typically those which are considered "alternative investments") and mutual funds based on the total market value of investments held by our clients, which increases if dividends are reinvested.

For certain other investments, such as UITs, the sponsor may impose additional requirements with respect to any dividend reinvestment options offered. These requirements will be described in the prospectus provided to you in connection with your investment.

¹ Individual Investor Accounts, Business Delaware accounts, Business Investment Accounts (BIA), and Trust Management Accounts (TMA) are charged a commission of 4.0% on dividend and distribution reinvestments up to \$100.00, the greater of \$4.00 or 2.0% on reinvestments between \$100.01 and \$500.00, and 1.5% on reinvestments over \$500.00.

(iv) **Enrollment in the Service.** Dividends on your investments held in your Merrill Lynch account are generally paid in cash unless you take action and indicate that you want to reinvest those dividends; there is no requirement to participate in the Service. You may enroll in the Service online by selecting “Help & Support” or by contacting your financial advisor, a Merrill Financial Solutions Advisor or an Investment Center representative at any time. You may specify whether you wish to enroll for all eligible investments or selected eligible investments in your account. Automatic dividend reinvestment will commence with the first dividend having a record date which is at least two business days after you have notified us of your desire to enroll in the Service with respect to a particular investment.

If you elect to reinvest dividends and then purchase additional shares or units of the same investment, dividends for the new shares or units will also be automatically reinvested.

Changes to reinvestment elections are not allowed between the record date and the payable date for any investment. If a request to change reinvestment elections is entered during this period, changes will not take effect until after the payable date. Otherwise, you may change your elections by contacting your financial advisor, a Merrill Financial Solutions Advisor or an Investment Center representative at any time.

(v) **Confirmation of Reinvestment Transactions.** We will not provide you with individual trade confirmations for dividend reinvestment transactions, as we do for other transactions. Your periodic account statement will include all transaction details that would typically appear on a trade confirmation. On your statement you will see each automatic dividend reinvestment transaction made pursuant to the Service, including, but not limited to the date of the transaction, the amount of the dividend paid, the identity and number of shares or units bought and the purchase price. You will be able to obtain these transaction details at an earlier date online or by contacting your financial advisor, a Merrill Financial Solutions Advisor or an Investment Center representative beginning on the business day following the dividend reinvestment transaction. If you currently receive quarterly account statements, you will receive an additional monthly account statement for the month in which the dividend reinvestment transaction was effected.

You will continue to receive a trade confirmation for all securities transactions entered into outside of the Service unless you have instructed us otherwise.

(vi) **Termination/Amendment of the Service.** If your investment needs or goals change, you may discontinue your enrollment in the Service online by selecting “Help & Support” or by contacting your financial advisor, a Merrill Financial Solutions Advisor or an Investment Center representative at any time. Termination will be effective with respect to the first dividend having a record date

which is at least two business days after you notify us. We reserve the right to amend or terminate the Service, in whole or in part at any time. Changes to your investment holdings, including changes you may not have initiated, can result in changes or termination of the Service with respect to such holdings and require action on your part to re-initiate the Service. You will be notified in advance of any material amendment that may impact your investments or termination of the Service.

(vii) **Tax.** We recommend that you consult a tax advisor to determine what effect, if any, participation in the Service may have on your tax situation.

(viii) **Other.** Your enrollment in the Service is optional. We have not made any recommendation that you should enroll in the Service and we are not recommending or offering any advice regarding the purchase of any investment included as an eligible investment in the Service. You understand that reinvesting your dividends does not assure profits on your investments, nor does it protect against losses in declining markets.
