Agreement to Terms and Conditions

The Merrill Brokerage Website Terms and Conditions (the "Terms and Conditions") are made between Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill ") and you and govern your access to and use of any of Merrill's brokerage websites ("Merrill Brokerage Website"). Where applicable, these Terms and Conditions are supplemental to any Merrill account agreement, such as the Client Relationship Agreement, Cash Management Account Agreement® (CMA®), Individual Retirement Account Agreement, Working Capital Management Account® (WCMA®) Agreement, etc. (each, an "Account Agreement") that you previously entered into, or may in the future enter into, with Merrill, each of which otherwise remains in full force and effect. You must acknowledge your assent to these Terms and Conditions electronically when you activate your Password on the Merrill Brokerage Website. If the account holder is an entity, the entity agrees that access to the Merrill Brokerage Website shall be restricted to Authorized Representatives (as defined in the Account Agreement) for such entity and that the entity will be liable for all acts or omissions of such Authorized Representatives in violation of these Terms and Conditions. Please note that while all of the features and information discussed below are made available on the Merrill Brokerage Website for current Merrill clients, certain features or information (including, but not limited to, Merrill Research, real time quotes/market data, and client order entry) are not available to prospective clients. You agree that under no circumstances will you hold Merrill liable for any loss or damage caused by use of or reliance on any content, goods or services available on such other websites.

6. Limitation on Merrill's Responsibilities and Liability

You agree that Merrill will not be responsible for the accuracy, completeness or use of any market data, news or research information provided through the Merrill Brokerage Website and Merrill does not make any warranty concerning such information. You further understand and agree that the Merrill Brokerage Website utilizes the Internet to transport data and communications, and, while Merrill takes reasonable security precautions to safeguard data and communications, Merrill disclaims any liability for interception and/or subsequent use of any such data or communications. The securities prices, quotations, research, ratings, news and other information provided on the Merrill Lynch Brokerage Website are provided by various third party sources that include, but are not limited to, the New York Stock Exchange, Inc., American Stock Exchange, Inc., NASDAQ Stock Market, Inc., The Options Price Reporting Authority and its participant exchanges, Dow Jones & Company, Inc., Moody's Investor Services, Inc., Morningstar Inc., and their respective affiliates, agents and others, including persons or entities that act as data processors on behalf of the foregoing (collectively, "Information Providers"). By using this website, you acknowledge and agree that: (1) securities prices, quotations, research, ratings, news and other information received from Information Providers ("Market Data") are solely for your individual use and you will not retransmit or furnish Market Data to any other person or entity, except to other officers, partners or employees if you are an entity; (2) the Market Data is and shall remain the property of the respective Information Providers or of the market on which a reported transaction took place or a reported quotation was entered; (3) at any time, Information Providers may discontinue disseminating any category of Market Data, may change or eliminate any transmission method and may change transmission speeds or signal characteristics, and you shall not hold the Information Providers liable for any resulting liability, loss or damages that may arise therefrom; and (4) your agreements set forth herein and the disclaimers of warranty and disclaimers of liability set forth below are for the express benefit of the

Information Providers as third party beneficiaries and they may enforce these provisions against you.

Notwithstanding any provisions to the contrary contained herein, with respect to Dow Jones & Company, Inc. only: (i) you may, on an occasional and irregular basis, reproduce, distribute, display or transmit an insubstantial portion of the Market Data provided by Dow Jones & Company, Inc. (the "Dow Jones Information"), for a noncommercial purpose and without charge, to a limited number of individuals, provided you include all copyright and other proprietary rights notices with such portion of the Dow Jones Information in the same form in which the notices appear on the Dow Jones Information, the original source attribution, and the phrase "Used with permission from Dow Jones & Company."; (ii) if you are an entity, you may only retransmit or furnish the Dow Jones Information to officers, partners or employees in accordance with the foregoing sentence.

Notwithstanding any provisions to the contrary contained herein, the following additional provisions apply to Market Data provided by Moody's Investor Services, Inc. Each rating or other opinion must be weighted solely as one factor in any investment decision made by or on behalf of any user of the Market Data, and each user must make its own study and evaluation of each security and of each issuer and guarantor of, or of each provider of credit support for, each security that it may consider purchasing, holding, or selling. Moody's hereby discloses that most issuers of debt securities and rated by Moody's have, prior to assignment of any rating, agreed to pay Moody's for the appraisal and rating services rendered by it fees ranging from \$1,500 to \$1,500,000.

These Terms and Conditions shall remain in effect as to the Information Providers for so long as you have the ability to receive Market Data through this website as contemplated hereby. In addition, either you or Merrill may terminate your access to Market Data at any time. You understand that Merrill is obligated to terminate access to this site as to the provision of any or all of the Market Data pursuant to this paragraph upon notice to that effect from any of the Information Providers. The foregoing provisions regarding the proprietary nature of Market Data, third party beneficiary enforcement by the Information Providers and the disclaimer of liability and disclaimer of warranty by the Information Providers survive termination of your access to Market Data. These Terms and Conditions supersede each previous agreement between you and the Information Providers insofar as the superseded agreement pertains to Market Data provided to you through this website.

- This paragraph applies to Transfers as described in Section 8 and Wire Transfers as described in Section 9. If we fail or delay in making a transfer, including a wire transfer pursuant to your instructions, or if we make a transfer in an erroneous amount that is less than the amount per your instructions, unless otherwise required by law or as otherwise provided in this Agreement, our liability shall be limited to correcting the error. If we make a payment or transfer in an erroneous amount that exceeds the amount per your instructions, or if we permit an unauthorized payment or transfer, including a wire transfer after we have had a reasonable time to act on a notice from you of possible unauthorized use, unless otherwise required by law or as otherwise provided in this Agreement, our liability will be limited to a refund of the amount erroneously paid or transferred, plus interest thereon from the date of the transfer to the date of the refund, but in no event to exceed 60 days' interest. If we become liable to you for interest compensation under this Agreement or applicable law, such interest shall be calculated based on the average federal funds rate at the Federal Reserve Bank in the district where Bank of America is headquartered for each day interest is due, computed on the basis of a 360-day year. Unless otherwise required by law, in no event will Merrill or Bank of America be liable to you for special, indirect or consequential damages including, without limitation, loss or damage from subsequent wrongful dishonor resulting from our acts or omissions or lost profits, even if we are advised in advance of the possibility of such damages. We shall not be liable for your attorney's fees, except as required by law.
- You expressly agree that Merrill and/or Bank of America shall be liable to you only for our negligent performance or non-performance of a transfer, including a wire transfer, and that our responsibility shall be limited to the exercise of reasonable and ordinary care. Unless otherwise required by law, Merrill and/or Bank of America shall not be liable for any error or delay on the part of any third party or for any other act or omission of any third party, including without limitation third parties used by Merrill and/or Bank of America in executing any payment order relating to a transfer or performing a related act, and no such third party shall be deemed to be our agent.
- Tell us at once if you believe your Merrill Brokerage Website Password has been compromised or if someone has transferred or may transfer money from your account without your permission. The best way to minimize your loss is to call us immediately. The unauthorized use of your Merrill Brokerage Website services could cause you to lose all of your money in your accounts, plus any amount available under your overdraft protection if the unauthorized use involves a Bank of America checking or savings account. When you give someone your Merrill Brokerage Website ID and Password, you are authorizing that person to use your service, and you are responsible for all transactions that person performs while using your service. All transactions that a person performs, even those transactions you did not intend or want performed, are authorized transactions. If you

notify us that the person is no longer authorized, then only transactions that person performs after the time you notify us are considered unauthorized. Transactions that you or someone acting with you initiates with fraudulent intent are also authorized transactions. For your protection, sign off after every Merrill Brokerage Website session and close your browser to ensure confidentiality.

- a. For Transfers as described in Section 8: You will have no liability for unauthorized transactions if you notify us within 60 days after the statement showing the transaction has been mailed to you. If you do not, you may not get back any of the money you lost from any unauthorized transaction that occurs after the close of the 60-day period, if we can show that we could have stopped the transaction if you had notified us in time.
- b. For Wire Transfers as described in Section 9: Please see the sub-section titled "Wire Transfer Rules" in Section 9.

Client Order Entry Terms and Conditions Agreement to Terms and Conditions

The following terms and conditions govern your use of the Merrill Lynch Brokerage Website Client Order Entry ("COE"). "You" and "your" refers to each account holder who signs the COE enrollment form. By enrolling in COE, you agree that these terms and conditions supplement your existing central asset account, retirement account, or other account agreement with Merrill ("Account Agreement"), all of which agreements otherwise remain in effect, as supplemented by the Merrill Brokerage Website Terms and Conditions (which are available for viewing anytime online at the Merrill Lynch Brokerage Website). These COE terms and conditions may be amended or supplemented by Merrill upon written notice, delivered by regular mail, by e-mail, or by an on-screen notice on the Merrill Brokerage Website. You agree that Merrill may modify COE's functionality and trading rules at any time. Merrill also reserves the right to terminate your enrollment in COE at any time.

1. COE Trading Rules

COE allows you to enter orders to buy and sell U.S. market traded equities, including exchange-listed and widely-held over-the-counter stocks, a wide selection of mutual funds, and certain bonds and certificates of deposit. COE is not designed to be a brokerage service for day traders or for investors who trade in: (i) low-priced securities; or (ii) foreign securities. Merrill intends to maintain an order entry policy for low-priced securities and other trading rules, which will be subject to change from time to time upon posting on the Merrill Brokerage Website. COE is intended to be available for order entry seven (7) days a week, twenty-four (24) hours a day, except for brief maintenance periods; however, Merrill does not warrant that the service will be uninterrupted.

Orders sent outside of regular U.S. market hours will be held and entered during market hours on the next trading day. Certain orders may be blocked or subject to pre-review by Merrill which may take up to several minutes to process. Merrill reserves the right to place restrictions on your account in its sole discretion, and to cancel any order that we believe would violate federal credit regulations or other regulatory limitations; however, Merrill will have no responsibility or liability for failing to cancel any order. If you enroll in COE, your current commission structure will be applied to all trades through COE.

2. Order Entry Security

You agree that each account holder who agrees to COE enrollment shall be responsible for all

orders entered through COE using the User ID and Password initially assigned by Merrill, or any changed User ID or Password, regardless of who enters such orders. You agree that each account holder shall be responsible at all times for maintaining the confidentiality of the User ID and Password and will not make them available to any third parties. If you do allow third parties to access COE (including your accounts) using your User ID and Password, you agree to hold Merrill, its directors, officers, employees, agents and affiliates (collectively, "Other Persons") harmless and to indemnify Merrill Lynch and all Other Persons against any liability, costs or damages arising out of claims or suits by any account holder, including yourself, or such third parties based upon or relating to such access.

3. Your Responsibilities Regarding Order Entry

All orders entered through COE shall be subject to the applicable rules, customs and usage s of the exchange or market, and its clearinghouse, on which such orders are transacted by Merrill, including our affiliates, including cancellation of orders in certain circumstances. Whether or not funds are available in your account on trade date, you agree to pay by settlement date for any trade for which you place an order through COE. You agree that you will immediately notify the Merrill office servicing your account by telephone and confirm the same in writing if you become aware of any discrepancy in your account balance or security positions or if you have reason to believe that a third party is using your User ID and Password without your authority. If you fail to notify Merrill when any of the above conditions occur, neither Merrill nor any Other Persons shall have any responsibility or liability to any account holder or any other person claiming through any account holder for any claims with respect to the handling, mishandling or loss of any order. You agree to accept full responsibility for the monitoring of your account with respect to all transactions entered through COE.

4. Limitation on Merrill's Responsibilities and Liability

You agree that all orders placed through COE are at your sole risk and responsibility based on your own evaluation of your financial circumstances and investment objectives. COE may display on the order entry screen BofA Merrill Lynch Global Research's quality rating and investment opinion on companies, if available, as well as Independent Research opinions; however, such information and opinions by themselves do not constitute investment advice, or a solicitation or recommendation by us for the purchase or sale of any securities, or a representation that any securities are in your best interest. Neither Merrill nor any Other Persons shall have any liability for any investment decision made using such information or opinions. Neither Merrill nor its Financial Advisors provide any tax or legal advice. You understand and agree that COE utilizes the Internet to transport data and communications. Merrill will take reasonable security precautions to safeguard data and communications; however, Merrill disclaims any liability for interception and/or use of any such data or communications. You agree that neither Merrill nor any third party working with Merrill to provide services hereunder shall be responsible for any damages caused by communications line failure, systems failure, and other occurrences beyond their control, or from any unauthorized trading or theft by any third party who gains access to your account by use of your User ID and Password as a result of your intentional or unintentional conduct, including

negligence by you in protecting your User ID and Password. Merrill will not be responsible for any access costs you incur to connect to COE.

Neither Merrill nor any third party make any representations or warranties express or implied with respect to COE, including without limitation, any implied warranties of merchantability or fitness for a particular purpose. To the extent permitted by law, under no circumstances, including negligence, will Merrill or any of its affiliates, directors, officers or employees, or any third party vendor be liable or have any responsibility of any kind for any loss or damage that you incur in the event of any failure or interruption of COE, or resulting from the act or omission of any other party involved in making COE available to you, or from any other cause relating to your access to or use of COE, whether or not the circumstances giving rise to such cause may have been within the control of Merrill or of any vendor providing software or services support for COE. In no event will Merrill or any such parties be liable to you for any special, indirect, consequential or incidental damages even if Merrill or any other party have been advised of the possibility thereof. Any liability arising out of any action or omission by Merrill or any such parties shall be limited to an amount equal to the benefit which the transaction would have resulted in during the period between the date of a trade and the applicable time for settlement of such trade.

Note: The Funds Transfer Service and Bill Payment Services are governed by separate enrollment terms and conditions, which are available in the Documents & Forms Library, and are not governed by the above Merrill Brokerage Website Terms and Conditions.
