To processScreenFuture ContributionsKDCExchangesRNO option 6

Complete and submit all pages of this form if you are changing the Designated Beneficiary on an existing NextGen 529 Account to a "Member of the Family" of the current Designated Beneficiary.

#### Circumstances in which your NextGen 529 Account will NOT be eligible for a change of Designated Beneficiary:

- A Participant maintaining a NextGen 529 Account as a UGMA/UTMA custodian may NOT change the Designated Beneficiary, except as permitted by applicable law.
- If the new Designated Beneficiary is **NOT** a "Member of the Family," as defined in Section 3 below, you must complete a NextGen 529 Direct Withdrawal Request Form instead, since the change will be considered a non-qualified withdrawal that may be subject to income taxes and a 10% additional penalty tax.
- Transfers will NOT be permitted if the aggregate balance of all NextGen 529 Accounts for the same Designated Beneficiary would exceed \$475.000.

## 6. Investment Change Option

When you change your Designated Beneficiary, a new investment election may be made for your NextGen 529 Account balance and for future Contributions. If you do not make a selection below, existing balances and future Contributions will continue to be invested in the Portfolio(s) you previously selected. Investments in an Age-Based Portfolio will be automatically reinvested in a new Age-Based Portfolio based on the age of the new Designated Beneficiary.

For full or partial transfers, the investment change instructions below will apply to the Designated Beneficiary identified in Section 1 of this form. If you would like to change the investments for the Designated Beneficiary for whom you are transferring assets to, a separate Investment Change Form must be completed.

**Note:** Upon receipt of properly completed paperwork, investment change requests may take up to five business days to process. The requested proceeds of the redeemed Units will be reinvested in the Portfolio(s) as directed and will be invested at the net asset value for Units of the Portfolio(s) on the day of reinvestment.

Current NextGen 529 Account assets may be exchanged twice per calendar year or upon a change of the Designated Beneficiary. Each Portfolio has its own fees and expenses. The new Portfolio you are choosing to invest in may not bear the same fee and expense structure of the Portfolio you are currently invested in. Please refer to the NextGen 529 Program Description for more detailed information on fees and expenses for specific Portfolios. If you would like to change how your existing Contributions are invested, please follow the instructions below. Please be advised that Units of the Principal Plus Portfolio may not be exchanged for Units of the NextGen Savings Portfolio.

# 8. Important Disclosures & Signature

If NextGen 529 is not your new Designated Beneficiary's home state's 529 plan, you should be aware of the following:

- You should consider whether your or your Designated Beneficiary's home state offers any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in such state's 529 plan.
- Any state-based benefits offered with respect to a particular Section 529 college savings plan should be one of many appropriately weighted factors to be considered in making an investment decision.
- You should consult with your tax or other advisors to learn more about how state-based benefits (including any limitations) would apply to your specific circumstances and you also may wish to contact your home state, your Designated Beneficiary's home state or any other 529 college savings plan to learn more about the features, benefits and limitations of that state's 529 college savings plan.
- Any information presented by Merrill Lynch or its Financial Advisors or any Maine Distribution Agents or FAME about tax considerations affecting your
  financial transactions or arrangements is not intended as tax advice and cannot be relied upon for the purpose of avoiding any tax penalties. Merrill

NextGen Savings Portfolio: Capitalized terms used in this paragraph are defined in the NextGen 529 Client Direct Series Program Description. The portion of the underlying deposits in the Bank Deposit Account that is attributable to the Units held by a Participant in the NextGen Savings Portfolio is (a) eligible for FDIC insurance coverage of up to \$250,000 per Participant (calculated on a basis which aggregates that portion of the underlying deposits attributable to the Units held by the Participant in the NextGen Savings Portfolio with all FDIC-insured assets held by the Participant at the Bank) and (b) for purposes of FDIC insurance coverage only, considered to be held in the same ownership capacity as a Participant's other single ownership accounts held at the Bank. However, Units of the NextGen Savings Portfolio are not insured or guaranteed by the FDIC or any other agency of state or federal government, FAME, the Bank or the Program Manager, nor does a Participant have a direct beneficial interest or the rights of an owner in the underlying deposits in the Bank Deposit Account. Participants are responsible for monitoring the aggregated value of the portion of the underlying deposits of the NextGen Savings Portfolio attributable to the Units of such Portfolio held by a Participant plus their other deposits held directly with the Bank, for purposes of the \$250,000 FDIC insurance coverage limit. Deposits held in different ownership capacities, as provided in the FDIC rules, are insured separately. UGMA/UTMA Accounts are generally treated as assets of the Designated Beneficiary, and other types of trust Accounts may be treated as assets will be treated for purposes of the FDIC limit.
