

Incoming Direct Registration System/Deposit and Withdrawal at Custodian Authorization Letter

Please use this form to transfer securities through the Direct Registration System (DRS) or Deposit and Withdrawal from a custodian to Merrill Lynch, Pierce, Fenner & Smith Incorporated (Merrill Lynch).

Direct Registration System (DRS): A DRS transfer is most commonly used when your securities are held directly on the books and records of a transfer agent and you would like to move those securities to Merrill Edge.

Your transfer request is a DRS transfer if:

- The shares are already issued and are registered to you.
- You have an account number with the transfer agent and receive statements.

Deposit and Withdrawal at Custodian (DWAC): A DWAC refers to new or certified paper shares to be electronically transferred. This transfer option is typically used for shares that were awarded from a company/employer and will need to be pulled from a pool of shares to complete the electronic transfer.

Your transfer request is a DWAC transfer if:

- The shares are new and will need to be pulled from a pool of shares.
- You do not have a personal account with the transfer agent and do not receive statements.

Avoid transfer delays! Please review the following section:

- Use one form for each account that you are transferring.
- Complete this entire form and use **CAPITAL** letters and **BLACK** ink.
- Complete **only** DRS section (2a) **OR** DWAC section (2b) on transfer form.
- For DRS transfers, print all pages of your most recent statement dated within the last six months and submit with this form.
- Send all documents to us using one of these methods:
