Merrill Lynch makes available products and services offered by Merrill Lynch, Pierce, Fenner & Smith Incorporated (“MLPF&S”) and other subsidiaries of Bank of America Corporation (“BoFA Corp.”).

Investment products:

Are Not FDIC Insured	Are Not Bank Guaranteed	May Lose Value
-----------------------------	--------------------------------	-----------------------

MLPF&S is a registered broker-dealer, a registered investment adviser and Member SIPC. Merrill Lynch makes available certain investment products sponsored, managed, distributed or provided by companies that are affiliates of BoFA Corp.

Agreement and Program Description

1. INTRODUCTION

This Agreement and Program Description (“Agreement”), as amended from time to time by Merrill Lynch, Pierce, Fenner & Smith Incorporated (“Merrill Lynch”), sets forth the terms and conditions governing the Working Capital Management Account® (WCMA®) financial service (“WCMA Service”) and the Business Investor Account (BIA) financial service (“BIA Service”). The Service you have elected to enroll in will be confirmed in your Welcome Kit and on your Account Statement.

The WCMA Service and the BIA Service are integrated financial services linking two components: (1) Securities Brokerage Services; and (2) Basic Cash Management Services. In addition, the WCMA Service includes the WCMA Master Financial Service consisting of: (1) a Master WCMA Account established with the services described above; and (2) one or more WCMA SubAccounts®. WCMA SubAccounts have many of the same features and services as the WCMA Account, but the applicable account and service fees differ. The fees, Money Accounts and Basic Cash Management Services for the WCMA Service and the BIA Service are different. For more information on fees, see Appendix A–WCMA Account Fees and Appendix B–BIA Account Fees.

As of May 1, 2012, Customers can no longer subscribe to new BIA Accounts; however, existing BIA Accounts will be maintained.

The BIA Account is primarily intended for use as an investment account for businesses, and Basic Cash Management Services are limited. In particular, the BIA Account has significant limits on the number of Disbursements per month, does not offer cards and, if these limits are exceeded, then Merrill Lynch, in its sole discretion, may terminate the Customer’s ability to make Disbursements and/or terminate the Customer’s subscription to the BIA Service. In addition, Disbursements in excess of the described limits will incur additional fees per item (whether by BIA Check, ACH transaction or otherwise). For more information on these limits, please refer to Section 6(F)(v) (“Disbursement Limitations”) below.

The Customer agrees to read this Agreement and retain a copy for its records. The Customer acknowledges receipt of the Merrill Lynch Business Deposit Program Disclosure Statement, Merrill Lynch Bank Deposit Program Disclosure Statement, Additional Disclosures – Merrill Lynch Bank Deposit Program and Merrill Lynch Business Deposit Program, Money Market Mutual Funds’ prospectuses, Appendix A–WCMA Account Fees, Appendix B–BIA Account Fees, the Margin Truth-in-Lending Disclosure Statement, and the Securities-Based Loan Disclosure Statement, all of which are referred to as the “Documents” for purposes of this Agreement. The Documents, which contain additional terms governing the WCMA or BIA Service, are incorporated into this Agreement and made a part hereof. Unless the context otherwise requires, the term “Agreement” shall include the Documents, as amended from time to time by Merrill Lynch.

Unless otherwise indicated, the Agreement terms and program descriptions apply to both the WCMA and the BIA Accounts. Merrill Lynch offers WCMA and BIA Accounts, as well as various products and services, through different service models, including the client self-directed and full-service channels. Based on the service model, the same or similar account, product or service may vary in its price or fees charged to clients.

2. DEFINITIONS

In this Agreement:

“Account Value” means the value of cash, bank deposits, Money Market Mutual Funds and long market value of securities held as part of the Financial Relationship.

“ACH” means Automated Clearing House. The ACH Network is a nationwide electronic payment system used to transfer funds between participating financial institutions.

“Availability Delay” means the amount of time before a deposit to your Securities Account will become available for the Sweep Program to pay Disbursements and other amounts due.

“BA-CA” means Bank of America California, N.A., its successors or assigns.

“BANA” means Bank of America, N.A., its successors or assigns.

“Banks” means BANA, BA-CA and any other depository institutions participating from time to time.

“Basic Cash Management Services” means services such as bank deposit programs available through the Sweep Program, check writing and ACH.

“BBIF Funds” means the following tiered Money Market Mutual Funds: BBIF Money Fund and BBIF Treasury Fund.

“BIA Account” means a Merrill Lynch securities account established for the Customer pursuant to this Agreement, which is either a cash account or, if the Customer elects, a margin account.

“Business Day” means any day on which Merrill Lynch is open to the public for carrying on substantially all its business functions.

“Business Delaware Account” means a brokerage account for businesses; does not offer cash management features, such as Visa® debit cards, check writing or cash sweep options.

“Card(s)” means a Merrill Lynch WCMA® Business Access Visa® Debit Card issued by the Banks for use with the WCMA Account.

“Cash Balance” means any uninvested balance resulting from incoming receipts such as check deposits, ACH deposits, Fedwire® receipts or the proceeds from the sale of securities.

“CD” means Certificate of Deposit.

“Checks” means checks provided by Merrill Lynch for use by the Customer with the Securities Account by Merrill Lynch’s third-party processing institution.

“Customer,” “Client,” “You,” “Your” or “Yours” means the business entering into this Agreement.

“DDA” means Demand Deposit Account.

“Deposit Account” means the DDAs and MMDAs established through the Merrill Lynch Bank Deposit Program.

“Disbursement Priority” means the order in which available cash, Money Account balances or credit facilities are used to pay for Disbursements.

“Disbursements” means the items paid from the Securities Account and includes Visa transactions, checks, cash advances, Fedwire and ACH transactions and similar items.

“FDIC” means the Federal Deposit Insurance Corporation.

“Financial Relationship” means the Accounts that have been linked for valuation purposes. Accounts are systematically linked by Tax Identification Number (TIN) and by use of the Master Financial Service (Master WCMA Account and/or WCMA SubAccount). Bank of America account types included are Bank of America Business checking, savings and CDs. Merrill Lynch account types included are BIA, WCMA, Endowment Management Accounts and Business Delaware accounts.

“Investment Advisory Service” means one of the managed money services made available from time to time by or through Merrill Lynch or an affiliated company. An example of an Investment Advisory Service is the Merrill Lynch Consults® service.

“ISA” means Insured Savings Account. The ISA® Program is a series of electronically linked MMDAs into which funds are deposited on your behalf by Merrill Lynch. The MMDAs are held at one or more depository institutions, whose deposits are insured by the FDIC, up to applicable limits, including depository institutions affiliated with Merrill Lynch and its parent, Bank of America Corporation.

“LMA®” means the Loan Management Account® credit facility provided by BANA.

“Local Checks” generally means a check deposited at a Merrill Lynch branch office located in the same state as the drawee bank. This designation is determined at the branch office where the deposit is made.

“Master WCMA Account” means the WCMA Account designated as the Master Account in the WCMA Master Financial Service.

“Merrill Lynch” means Merrill Lynch, Pierce, Fenner & Smith Incorporated, its successors and/or assigns.

“Merrill Lynch Bank Deposit Program” means the tiered program whereby available Cash Balances are held in specified deposit accounts established for the Customer by Merrill Lynch as the Customer’s agent with BANA and/or BA-CA for the WCMA Account. Deposits in the Merrill Lynch Bank Deposit Program are insured by the FDIC for up to \$250,000 per depositor, per ownership category, per bank.

“Merrill Lynch Business Deposit Program” means the tiered program whereby available Cash Balances are held in specified MMDAs established for the Customer by Merrill Lynch as the Customer’s agent with BANA and/or BA-CA for the BIA Account. Deposits in the Merrill Lynch Business Deposit Program are insured by the FDIC for up to \$250,000 per depositor, per ownership category, per bank.

“MMDA” means Money Market Deposit Account.

“Money Accounts” means the Merrill Lynch Bank Deposit Program, Merrill Lynch Business Deposit Program, the BBIF Funds, and the ISA Program. For non-U.S. residents/non-U.S. citizens, “Money Accounts” also means the International Bank Variable Rate Deposit Facility and the Dollar Assets Portfolio.

“Money Market Mutual Funds” means the BBIF Funds. For non-U.S. residents/non-U.S. citizens, “Money Market Mutual Funds” means the Dollar Assets Portfolio.

“Non-local Check” generally means a check deposited at a Merrill Lynch branch office in a state other than the drawee bank. This designation is determined at the branch office where the deposit is made.

“Primary Money Account” means the Money Account designated by the Customer for automatic sweep of Cash Balances.

“Secondary Money Account” means a Money Account that is available for investment or deposit by contacting your financial advisor. A Secondary Money Account is available for automatic withdrawal to cover Disbursements and other transactions when your Primary Money Account is depleted.

“Securities Account” or **“Account”** means either a WCMA Account or BIA Account, as applicable.

“Securities and Other Property” includes, but is not limited to, money, securities, securities entitlements, financial assets, investment property, financial instruments and commodities of every kind and nature, and all contracts and options relating thereto, whether for present or future delivery.

“Service” means either the WCMA financial service or the BIA financial service, as applicable.

“SIPC” means Securities Investor Protection Corporation.

“SMDIA” means Standard Maximum Deposit Insurance Amount.

“Sweep Program” means the automatic investment or deposit of available Cash Balances into the Primary Money Account.

“WCMA Account” means a Merrill Lynch securities account established for the Customer, which is either a cash account or, if the Customer elects, a margin account. “WCMA Account” includes each account and each WCMA SubAccount.

“WCMA Master Financial Service” means the service that consists of a Master WCMA Account and one or more related WCMA SubAccounts.

“WCMA SubAccounts” means the underlying accounts, tied to a Master Account, established as part of the WCMA Master Financial Service.

3. SUBSCRIPTION TO THE WCMA® OR BIA SERVICE

To subscribe to the WCMA or BIA Service, a Customer must execute an Entity Authorization Form (the “Authorization Form”), pursuant to which a Securities Account will be established with Merrill Lynch. Merrill Lynch will establish accounts for the Customer with the Banks for Cards and with Merrill Lynch’s third-party processing institutions and Bank of America for check clearing, incoming Fedwires and receiving ACH transactions. Merrill Lynch reserves the right to alter or waive the conditions of subscription to the Service and also reserves the right to reject any application to subscribe to the Service or any of its features for any reason.

As of May 1, 2012, Customers can no longer subscribe to new BIA Accounts; however, existing BIA Accounts will be maintained.

The Customer can authorize individuals to utilize certain features of the Service on its behalf. These authorizations shall remain effective until Merrill Lynch receives notification in writing to the contrary. The Customer will be liable for all transactions made by the Customer or by any person authorized to act on the Customer's behalf.

4. SECURITIES BROKERAGE SERVICES

(A) GENERAL

The Securities Account may be used to purchase, sell and hold securities and other investments available from or through Merrill Lynch. If the Securities Account includes the Margin Lending Program, it may also be used to purchase and sell securities on credit or to obtain loans based on the current margin loan value of securities in the Securities Account.

Whether or not the Account is a margin account, Merrill Lynch shall have all of the legal rights of a secured credit or with respect to the Securities Account, including the rights described in Section 5(A).

(B) CUSTODY OF SECURITIES

Merrill Lynch will hold all securities for the Securities Account in a control location acceptable to the U.S. Securities and Exchange Commission (SEC), which may include, but is not limited to: (i) a securities depository, such as the federally regulated Depository Trust Company for U.S. issuers and Euroclear for European issuers, (ii) a Federal Reserve member bank, or (iii) a mutual fund's transfer agent. Securities are commingled in a Merrill Lynch book-entry account, generally held in nominee name at the control location, along with securities belonging to other Merrill Lynch customers. Your securities will at all times be separately identified on the books and records of Merrill Lynch as belonging to you, and Merrill Lynch will provide you with statements that reflect your holdings. This method of custody, which has significantly increased efficiencies and reduced the risks associated with holding customer securities, is used by all major banks, trust companies and brokerage firms and has been recognized as providing unsurpassed safety for holders of securities. With regard to the custody of your securities, Merrill Lynch acts as your agent and transmits your instructions through the appropriate control location.

Where securities are not held in nominee name, the issuer or control location, as appropriate, recognizes Merrill Lynch as your agent and honors instructions provided by Merrill Lynch on your behalf.

(C) DELIVERY OF SECURITIES AND PAYMENTS

The "settlement date" is usually the third business day after the execution or "trade date." Typically, the settlement date is the day when payment is due for purchases or when securities are due for sales. The Customer agrees to remit payment promptly.

Securities purchased will be held in the Securities Account unless the Customer requests delivery to the Customer or its designee, in which case Merrill Lynch will forward the Customer's instructions to the company's transfer agent after payment is received. Delivery

normally takes several weeks after the purchase has been settled and fully paid for. Delivery of securities may not be available for issues that are held in book-entry form. Depending on the issuer, the Customer may have the option of taking delivery of a security to be held in direct registration with issuer's transfer agent.

If payment is not received promptly, Merrill Lynch will liquidate the position unless an extension is obtained. Under exceptional circumstances and subject to Merrill Lynch's rights to liquidate, Merrill Lynch, on the Customer's behalf, may (in its sole discretion) apply for an extension from a regulatory organization. If Merrill Lynch does so, the Customer will be charged an extension fee. If the position is liquidated, the Customer will be responsible for any resulting deficiency, fees and late charges. Fees will be automatically debited from the Securities Account and are subject to change. If the Customer elects to take delivery of securities, the account statement will evidence delivery once they have been mailed to the Customer. If the Customer does not receive them, the Customer agrees to notify Merrill Lynch promptly so that replacement proceedings can begin. If the Customer fails to notify Merrill Lynch within six months of the delivery date shown on the account statement, the Customer will be responsible for replacing the securities through the transfer agent and will have to pay all costs.

The Customer may instruct Merrill Lynch not to disclose the Customer's name, address and securities positions to issuers in which the Customer owns securities under an SEC rule that permits issuers to communicate directly with their non-objecting beneficial owners.

(D) SECURITY INTEREST

Whether or not the Securities Account is a margin account, all Securities and Other Property in any account, now or hereafter held, carried or maintained by Merrill Lynch or by any of its affiliates in Merrill Lynch's possession and control, or in the possession and control of any such affiliate, for any purpose, in or for any account of the Customer, now or hereafter opened, including any account in which the Customer may have an interest, other than retirement accounts, such as IRAs, shall be subject to a lien for the discharge of all the indebtedness and other obligations of the Customer to Merrill Lynch and are to be held by Merrill Lynch as security for the payment of any liability or indebtedness of the Customer to Merrill Lynch in any of said accounts. Securities and other property held in retirement accounts, such as IRAs, are not subject to this lien and are not used as security for the payment of the Customer's obligations or indebtedness for other accounts the Customer maintains with Merrill Lynch. Merrill Lynch, subject to applicable laws, without giving the Customer prior notice, shall have the right to use and/or transfer securities and other property so held by Merrill Lynch from or to any of the accounts of the Customer whenever in its judgment Merrill Lynch considers such a transaction necessary for its protection. In enforcing its lien, Merrill Lynch shall have the discretion to determine which securities and other property are to be sold and which contracts are to be closed.

All Securities and Other Property will be treated as financial assets under Article 8 of the New York Uniform Commercial Codes.

5. LENDING SERVICES

(A) MARGIN LENDING PROGRAM

- (i) **Margin Requirements and Credit Charges.** The Margin Lending Program permits the Customer to obtain loans from Merrill Lynch secured by eligible marginable and exempt Securities and Other Property. The Customer will maintain such Securities and Other Property in the Account for margin purposes as Merrill Lynch shall require from time to time; and the monthly debit balance of the Securities Account shall be charged, in accordance with Merrill Lynch's usual custom, with interest at a rate permitted by the laws of the state of New York. The interest charge made to the Customer's Securities Account at the close of a statement period will, unless paid, be added to the opening balance for the next charge period and that interest will be charged upon such opening balance, including all interest so added.
- (ii) **Security Interest.** All Securities and Other Property shall be subject to a lien for the discharge of all the indebtedness and other obligations of the Customer to Merrill Lynch and are to be held by Merrill Lynch as security for the payment of any liability or indebtedness of the Customer to Merrill Lynch as described in Section 4(D).
- (iii) **Calls for Additional Collateral-Liquidation Rights.**

- (a) **Merrill Lynch, in addition to and not in lieu of any other rights or remedies it may have under this Agreement, shall have the right to require additional collateral:**
- 1. in accordance with its general policies regarding its margin lending maintenance and requirements, as such may be modified, amended or supplemented from time to time by Merrill Lynch; or**
 - 2. if in its discretion Merrill Lynch considers it necessary for its protection at an earlier or later point in time than called for by said general policies; or**
 - 3. in the event that a petition of bankruptcy or for an appointment of a receiver is filed by or against the Customer; or**
 - 4. if an attachment is levied against the accounts of the Customer; or**
 - 5. in the event of the death or dissolution of the Customer.**

Securities and other property held in related retirement accounts are not considered for collateralization purposes.

- (b) **If the Customer does not provide Merrill Lynch with additional collateral as Merrill Lynch may require in accordance with (iii)(a)(1) or (iii)(a)(2) above, or should an event described in (iii)(a)(3), (iii)(a)(4) or (iii)(a)(5) above occur (whether or not Merrill Lynch elects to require additional collateral), Merrill Lynch shall have the right:**

- 1. to sell any or all Securities and Other Property in the accounts of the Customer with Merrill Lynch or with any of its affiliates, whether carried individually or jointly with others;**
- 2. to buy any or all Securities and Other Property that may be short in such accounts; and**
- 3. to cancel any open orders and close any or all outstanding contracts.**

Merrill Lynch may exercise any or all of these rights under (b)(1), (2) or (3) without further demand for additional collateral, or notice of sale or purchase, or other notice or advertisement. Any such sales or purchases may be made at the discretion of Merrill Lynch on any exchange or other market where such business is usually transacted, or at public auction or private sale; and Merrill Lynch may be the purchaser for its own account.

If Merrill Lynch gives prior demand or call or prior notice of the time and place of such sale or purchase, that shall not be considered a waiver of its right to sell or buy without any such demand, call or notice as herein provided.

- (iv) **Payment of Indebtedness Upon Demand.** The Customer shall at all times be liable for the payment upon demand of any debit balance or other obligation owing in any of the accounts of the Customer with Merrill Lynch, and the Customer shall be liable to Merrill Lynch for any deficiency remaining in any such accounts in the event of the liquidation thereof, in whole or in part, by Merrill Lynch or by the Customer, and Customer shall make payment of such obligations upon demand.
- (v) **Liability for Costs of Collection.** To the extent permitted by New York law, Merrill Lynch shall collect from you reasonable costs and expenses of collection of debt balance(s) and any unpaid deficiency in your account including, but not limited to, attorney's fees that Merrill Lynch incurs or pays in connection with such efforts.
- (vi) **Pledge of Securities and Other Property.** All Securities and Other Property now or hereafter held, carried or maintained by Merrill Lynch in its possession or control in any of the accounts of the Customer may be pledged and re-pledged by Merrill Lynch from time to time, without notice either separately or in common with other such Securities and Other Property, for any amount due in the accounts of the Customer, or for any greater amount, and Merrill Lynch may do so without retaining in its possession or under its control for delivery a like amount of similar Securities and Other Property.
- (vii) **Lending Agreement.** In return for the extension or maintenance of margin credit by Merrill Lynch in the Securities Account, the Customer agrees that the securities in the Securities Account, together with all attendant rights of ownership, may be lent to Merrill Lynch or lent out to others to the extent not prohibited by applicable laws, rules and regulations. In connection with such securities loans, and in connection with securities loans made to the

Customer to facilitate short sales, Merrill Lynch may receive and retain certain benefits to which the Customer will not be entitled. The Customer understands that, in certain circumstances, such loans could limit the Customer's ability to exercise voting rights, in whole or in part, with respect to the securities lent. In addition, the Customer acknowledges that, in using certain securities in the Customer's account for, among other things, settling short sales and lending the securities for short sales, Merrill Lynch may receive compensation in connection therewith.

6. BASIC CASH MANAGEMENT SERVICES

(A) GENERAL

The Securities Account may be used to manage receipts, payments and short-term investments. Customer Cash Balances are automatically swept into the Primary Money Account and are automatically redeemed/withdrawn to pay Disbursements and other amounts due. This automation allows the Client to keep balances in Money Accounts which may earn dividends or interest. Basic Cash Management Services of the Securities Account are intended to provide the Customer with access to the assets in its Securities Account, but the Securities Account is not a bank account.

Merrill Lynch is a registered broker-dealer and a wholly owned subsidiary of Bank of America Corporation. Merrill Lynch is not a bank and is separate from its FDIC-insured affiliates, which include Bank of America, N.A., and Bank of America California, N.A., or other depository institutions. Merrill Lynch Bank and Trust (Cayman) Limited is an affiliate of Merrill Lynch, however, deposits held at Merrill Lynch Bank and Trust (Cayman) Limited are not FDIC insured. Except where specifically indicated, securities and products sold, offered or recommended by Merrill Lynch are not insured by the FDIC, and are not obligations of, or endorsed or guaranteed in any way, by any bank, and may lose value.

Merrill Lynch is solely responsible for its own contractual obligations and commitments.

(B) TIER ASSIGNMENT AND ACCOUNT VALUATION

(i) **Tier Assignments.** Every month, Merrill Lynch will perform a valuation process on the Financial Relationship or on the Securities Account not in a Financial Relationship and will assign each Account a tier based on its Account Value. Tiers and tier assignments may be changed by Merrill Lynch without prior notice.

- (a) WCMA and BIA Accounts
 - Tier 1 – Less than \$250,000
 - Tier 2 – \$250,000 to \$999,999
 - Tier 3 – \$1,000,000 to \$9,999,999
 - Tier 4 – \$10,000,000 or more

(ii) **Effect of Tier Assignment.** The tier to which a Securities Account is assigned will determine the yield earned on deposits held in the Merrill Lynch Business Deposit Program, Merrill Lynch Bank Deposit Program, the Availability Delays of Cash Balances, and the share class of the BBIF Fund that the Securities Account is eligible to own.

Clients with higher total eligible assets generally receive a higher yield on their bank deposits than clients with lower total eligible assets.

(iii) **Valuation.** The valuation is determined by the average monthly value of the Financial Relationship. Bank of America account types included are Bank of America business checking, savings and CDs. Merrill Lynch account types included are BIA, WCMA and Business Delaware Accounts. For clients with WCMA and/or BIA Accounts that are not in a Financial Relationship, the tier assignment for each account will be based on the Account Value. Securities Accounts enrolled in a discretionary Investment Advisory Service are included as part of this valuation process, but will be assigned to Tier 4 for purposes of determining the correct share class or interest rate.

At the end of the day on the last Business Day of every week, an Account Value will be calculated for each account within the Financial Relationship. At the end of the month, these weekly values will be used to determine the average monthly Account Value. The Account Value will be determined by the value of cash, bank deposits, Money Market Mutual Funds and the long market value of securities held as part of the Financial Relationship.

Valuation procedures may be changed by Merrill Lynch without prior notice. Securities and other assets will be valued in a manner determined by Merrill Lynch, in its sole discretion, and in some cases may be based on estimates, which are obtained from various sources. Values may vary from prices achieved in actual transactions, especially for thinly traded securities, and are not firm bids or offers or guarantees of any type with respect to the value of securities and other assets.

(iv) **Change in Tier Assignments.** Once a Securities Account has been assigned to a tier, the tier assignment may change on the first Business Day of the month due to Financial Relationship Valuation changes as described in Section 6(B) (iii) (Valuation). If a tier changes, any balances in the BBIF Funds will automatically convert from the current share class to the share class that the Securities Account is eligible to own. The automatic conversion between share classes will occur on the first Business Day of each month, and will be made at the net asset value of the two share classes without the imposition of any transaction charge or exchange fee or loss of dividends. For the Merrill Lynch Bank Deposit Program and Merrill Lynch Business Deposit Program, the new tier assignment may affect the interest earned.

(v) **Newly Opened Accounts without an Existing Financial Relationship.** At the end of the month of enrollment, and each month thereafter, the Securities Account will be valued and assigned to a tier. Based on the tier assignment, WCMA and BIA Accounts will be eligible to own the corresponding BBIF Fund share class and the accounts will be eligible for the corresponding yield earned on deposits held in the Merrill Lynch Bank Deposit Program or Merrill Lynch Business Deposit Program. Tier 1 Availability Delays will continue to apply through the end of the second month. At the end of the second month, and each month thereafter, the Securities Account will be valued and Availability Delays will be applied based on the tier assigned.

(vi) **Newly Opened Accounts with an Existing Financial Relationship.** New Securities Account(s) associated with an existing Financial Relationship will be assigned to Tier 1 during the month of enrollment. At the end of the month of enrollment and each month thereafter, the new Securities Accounts will be valued and assigned to a tier based on the value of the Financial Relationship and applicable Availability Delays will be applied.

(C) MONEY ACCOUNT INVESTMENTS/DEPOSITS

(i) **General.** The deposit of checks, the sale of securities and other activity generate Cash Balances in your Securities Account. Once you complete and return the account application to us, available Cash Balances in a Securities Account automatically sweep to the Primary Money Account. Until that time, your Cash Balances will not earn interest or dividends. Additionally, if your account is enrolled in a Merrill Lynch investment advisory program, you should understand that Merrill Lynch may charge an asset-based advisory fee on the cash in the account even though you are not earning any interest or dividends on that cash.

With the Primary Money Account, you do not need to contact your financial advisor to deposit or withdraw funds—it happens automatically. You initially select your Primary Money Account by designating it on the WCMA Account Application Booklet or, for accounts you establish after signing a WCMA Account Application Booklet, by speaking to your financial advisor. If you ever want to change your Primary Money Account, you must contact your financial advisor.

Your Merrill Lynch account statement indicates where your Cash Balances are currently deposited or invested, as well as recent yield information.

In addition to the Primary Money Accounts, you may make manual investments in a Secondary Money Account by placing a purchase order with your financial advisor.

If you choose a Secondary Money Account for your account, you will be required to contact your financial advisor each time you want to invest your cash in that particular Secondary Money Account. Otherwise, available cash will continue to sweep to the Primary Money Account that you have selected.

Secondary Money Accounts provide an automatic withdrawal/redemption feature in order to satisfy Disbursements. Therefore, you would not need to contact your financial advisor when you need to withdraw funds. However, cash in a Secondary Money Account will automatically be withdrawn to cover purchase and debit transactions only when the Primary Money Account is depleted and in the order in which you have designated for the account.

Balances in a Secondary Money Account are included in your “Purchasing Power” as described in Section 6(F)(vi).

Considerations when choosing a Primary and/or a Secondary Money Account:

- Think about your needs, goals, risk tolerance, investment time horizon and liquidity requirements.
- Yields may differ between Money Market Mutual Funds and bank deposit programs.

- Money Market Mutual Funds and bank deposit programs have different types of insurance coverage.
- Money Market Mutual Funds have investment risk of various degrees and are not guaranteed or insured as to principal.

The available Money Accounts are different for the WCMA Account and the BIA Account. The Money Accounts available are described below. Merrill Lynch may change the Money Account options at any time.

Your Merrill Lynch financial advisor is always available to discuss your Money Account options as the yields may change, depending on market conditions, at different times throughout the year.

THE MONEY ACCOUNTS CONSTITUTE ONLY ONE COMPONENT OF THE SERVICES. CUSTOMERS ARE ADVISED TO READ, AS APPLICABLE, THE MONEY MARKET MUTUAL FUND PROSPECTUS OR THE MERRILL LYNCH BUSINESS DEPOSIT PROGRAM DISCLOSURES THAT BEGIN ON PAGE 19 AND/OR THE MERRILL LYNCH BANK DEPOSIT PROGRAM DISCLOSURES THAT BEGIN ON PAGE 19.

- (ii) **Primary Money Account Options.**
- For WCMA Accounts.** The Primary Money Accounts generally available through the Sweep Program are:
- (a) The Merrill Lynch Bank Deposit Program; and
 - (b) The BBIF Funds.
- For BIA Accounts.** The Primary Money Account generally available through the Sweep Program is the Merrill Lynch Business Deposit Program.
- (iii) **Secondary Money Account Options.**
- For WCMA Accounts.** The Secondary Money Accounts generally available are the BBIF Funds, the Merrill Lynch Bank Deposit Program, and the ISA Program.
- For BIA Accounts.** The Secondary Money Accounts generally available are the BBIF Funds and the ISA Program.
- (iv) **No Sweep.** Customer may elect that Cash Balances do not sweep to one of the Primary Money Accounts available. Cash Balances (known as “free credit balances”) will not earn interest or dividends. These balances will be part of the assets held in your Account which are protected by SIPC coverage (up to \$500,000 for securities and cash per customer, of which no more than \$250,000 may be cash) and excess-SIPC coverage, as described in Section (6)(E)(iv), but will not be covered by FDIC insurance.

Merrill Lynch is permitted to use free credit balances in our business and such balances are not segregated. The Customer has the right to receive any available free credit balances, subject to any open commitments in the Securities Account.

- (v) **For Customers Who Are Neither Residents Nor Citizens of the United States of America:**
- The International Bank Variable Rate Deposit Facility¹ or the Dollar Assets Portfolio² are available to WCMA accounts as Primary Money Account options, as well as Secondary Money Account options. The International Bank Variable

Rate Deposit Facility is available to BIA accounts as a Primary Money Account option, whereas the Dollar Assets Portfolio is available to BIA accounts as a Secondary Money Account option. However, they are not available to all clients. Jurisdictional restrictions apply. Please contact your financial advisor to determine if you are eligible to participate before selecting your Primary Money Account.

(D) SHARE CLASS ELIGIBILITY FOR BBIF FUNDS

TABLE 1.

Account	Tier 1	Tier 2	Tier 3	Tier 4
WCMA/BIA Account	Class 1	Class 2	Class 3	Class 4

- (i) **BBIF Funds.** The BBIF Funds will offer multiple classes of shares, each with its own fees and expenses. Tier assignment will determine which share class a Securities Account is eligible to own. Table 1 shows which share class of the BBIF Funds is available for each tier assignment. The fees and expenses of the fund affect the yield on the investment in each share class.

In general, the higher the fees and expenses, the lower the yield. In the BBIF Funds, the lower the share class, the higher the fee and expense schedule. Accounts assigned to a higher tier, and therefore a higher share class, will generally receive a higher yield from their BBIF Fund investment than accounts assigned to a lower tier, and therefore a lower share class in the same BBIF Fund. Please refer to the BBIF Funds' prospectuses for further information.

(E) OTHER CONSIDERATIONS

- (i) **Prospectuses.** The Money Market Mutual Funds are described in the prospectuses for the funds, including information concerning risks, fees and expenses. The Agreement describing the WCMA Service is authorized for distribution only when preceded or accompanied by any applicable prospectus.

Investing involves risk. For more complete information on any mutual fund, please request a prospectus and/or, if available, a summary prospectus from your Merrill Lynch financial advisor and read it carefully. Before investing, carefully consider the investment objectives, risks, and charges and expenses of the fund. This and other information can be found in the fund's prospectus and/or, if available, summary prospectus.

You could lose money by investing in a Money Market Mutual Fund. Although the Money Market Mutual Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. An investment in a Money Market Mutual Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Money Market Mutual Fund's sponsor has no legal obligation to provide financial support to the Money Market Mutual Fund, and you should not expect that the sponsor will provide financial support to the Money Market Mutual Fund at any time.

Benefits of Money Market Mutual Funds to Merrill Lynch. Assets held in the Money Market Mutual Funds are financially beneficial to Merrill Lynch and its affiliates. Merrill Lynch provides the platform infrastructure related to the use of these Money Market Mutual Funds as the automatic cash sweep option in accounts at Merrill Lynch as well as distribution, marketing support and other services with respect to the Money Market Mutual Funds. In consideration of the provision of the infrastructure, marketing support and/or other services, Merrill Lynch receives compensation of up to 0.44% annually of the value of Money Market Mutual Fund shares held in Merrill Lynch accounts.

Certain of the Money Market Mutual Funds have also retained Financial Data Services, LLC. ("FDS"), an affiliate of Merrill Lynch, as the transfer agent to such funds. As compensation for these services, FDS receives either up to

¹ Account holders who, according to our records, are or could be resident for tax purposes in the United States are unable to participate in this Primary Money Account. Deposits in this Primary Money Account are placed with Merrill Lynch Bank and Trust Company (Cayman) Limited ("MLBTC"), a bank incorporated in the Cayman Islands. Merrill Lynch Bank and Trust Company (Cayman) Limited (Registration Number: 26981) is regulated by the Cayman Islands Monetary Authority ("CIMA") and currently maintains a Category A bank license, an unrestricted trust license and a securities investment business license. Details about the extent of our regulation by CIMA are available on request. Our registered office is at: 4th Floor Harbour Center, P.O. Box 1164 GT, North Church Street, Grand Cayman, KY1-1102, Cayman Islands. A list of names and personal details of every director of the company is available for inspection to the public at the company's registered office for a nominal fee.

Deposits held at MLBTC are not deposits within the meaning of the Federal Deposit Insurance Act (12 U.S.C. 1813(l)), are not insured or guaranteed by the U.S. Government, the FDIC, any other government agency or covered by any other deposit protection program.

Note: U.S. persons (including U.S. residents) who have an economic interest in, or signature authority over, foreign financial accounts, including an account with MLBTC, may be required to file a Report of Foreign Financial Accounts ("FBAR") with the U.S. Department of the Treasury in respect of such foreign financial accounts. In addition, U.S. persons (and non U.S. persons obligated to file U.S. federal income tax returns) who have an economic interest in foreign financial assets on IRS Form 8938 to be filed with their U.S. federal income tax return. Clients should consult their own independent legal and/or tax advisor for further guidance regarding any U.S. disclosure and reporting obligations that clients may have with respect to their accounts, assets and other financial decisions.

² Dollar Assets Portfolio (the Fund) is offered only to non-U.S. citizens who are not residents of the United States. The Fund may only be offered in jurisdictions in which such offer or sale is permitted.

The Fund is a no-load open-ended investment company incorporated as an exempted company under the laws of the Cayman Islands. The Fund is a Money Market Mutual Fund seeking preservation of capital, liquidity, and current income through investment in a diversified portfolio of U.S. dollar denominated short-term money market securities of high quality issuers. There can be no assurance that the investment objective of the Fund will be realized.

BlackRock Investment Management, LLC, acts as the investment adviser (the "Investment Adviser") for the Fund, with full responsibility for the selection and management of the Fund's portfolio investments. The Investment Adviser is registered with the U.S. Securities and Exchange Commission pursuant to the U.S. Investment Advisers Act of 1940, as amended.

The information is provided for informational purposes only and does not constitute an offer of shares in the Fund. Before selecting the Fund, clients should consider the investment objectives, risks, and fees and charges of the Fund. This and other information may be found in the Fund's prospectus. Clients should always read the Fund's prospectus carefully before selecting the Fund. Although the Fund seeks to preserve the value of an investment at US\$1 per share, it is possible to lose money by investing in the Fund. An investment in the Fund is not a bank deposit. The Fund is not insured or guaranteed by any bank or governmental agency. Shares are denominated in the currency specified and are subject to exchange rate fluctuations, which can affect the return to the investor.

\$15 annually for each position or up to 0.10% annually of the value of Money Market Mutual Fund shares held in a client's account at Merrill Lynch. Each Money Market Mutual Fund's operating costs include its allocable share of the fees and expenses of such outside service providers.

Merrill Lynch financial advisors are compensated based on their clients' total assets held in the Money Market Mutual Funds.

- (ii) **FDIC Insurance.** Deposits in the Merrill Lynch Bank Deposit Program, Merrill Lynch Business Deposit Program and ISA Program are protected by FDIC insurance, up to applicable limits. The FDIC's standard maximum deposit insurance amount ("SMDIA") is \$250,000 per depositor, per ownership category, per bank. Any accounts or deposits maintained with the Banks in the same legal ownership category, whether directly, through other Merrill Lynch accounts or through any other intermediary, would be aggregated for FDIC insurance limit purposes. **Clients are responsible for monitoring the total amount of deposits held at the Banks in order to determine the extent of FDIC insurance coverage available to such deposits. Merrill Lynch is not responsible for any insured or uninsured portion of such deposits.** For additional information on the FDIC, visit fdic.gov.

Deposits placed with the Merrill Lynch Bank and Trust (Cayman) Limited are not insured or guaranteed by the FDIC.

- (iii) **SIPC Protection.** As with any investment in securities, investments in Money Market Mutual Funds may fluctuate in value. **Investments in the Money Market Mutual Funds are not insured or guaranteed by the FDIC or any other government agency.**

The securities and cash that Merrill Lynch holds in your account are protected by the SIPC. If a U.S. broker-dealer fails, SIPC funds are available to make up for any shortfall of clients' assets that the broker-dealer was required to maintain—up to a maximum of \$500,000 per client for securities, inclusive of up to \$250,000 per client for cash. In addition, Merrill Lynch has obtained "excess-SIPC" coverage from a Lloyd's of London syndicate for large client accounts. This policy provides further protection (including up to \$1.9 million for cash) for customers who have received full SIPC limits, subject to an aggregate loss limit of \$1 billion for all customer claims. Please note that Money Market Mutual Funds and Merrill Lynch bank deposits are not "cash" for purposes of account protection. Rather, Money Market Mutual Funds receive SIPC and excess-SIPC protection as securities and Merrill Lynch bank deposits are protected by FDIC insurance. SIPC and the excess-SIPC coverage do not protect against investment losses from market action. You may obtain further information about the SIPC, including the SIPC brochure, via the SIPC's website at sipc.org, or by calling the SIPC at 202.371.8300.

- (iv) **ISA Program.** If the Customer elects to invest in the ISA Program, the Customer will receive the ISA Program Fact Sheet and a list of the ISA Program participating depository institutions available from Merrill Lynch. Merrill Lynch's FDIC-insured affiliates, BA-CA and BANA, are on that list and others may be added from time to time. Please review

these documents carefully. The ISA Program has a minimum opening deposit of \$1,000. Merrill Lynch receives a fee from ISA Program Banks of up to 2% per annum of the average daily balances. This compensation is subject to change from time to time, and Merrill Lynch may waive all or part of it. Amounts deposited through the ISA Program, including interest paid thereon, are protected by FDIC insurance in an amount up to \$250,000 per Customer (as defined by applicable federal law) per depository institution. ISA Program deposit balances are not covered by SIPC protection. The ISA Program is not appropriate for businesses that anticipate effecting frequent third-party payment or funds transfer transactions through the Securities Account, including transactions initiated with Checks. Merrill Lynch will monitor transaction activity and reserves the right to limit the number of withdrawals each month. In its sole discretion, Merrill Lynch may terminate the Customer's use of the ISA Program. By choosing the ISA Program, the Customer agrees to the terms and conditions in the ISA Fact Sheet, which will be sent when the opening deposit is made. The Customer may also ask its financial advisor for an ISA Fact Sheet.

- (v) **Fees.** Merrill Lynch receives deposit brokerage fees based on the number of accounts that sweep to the Merrill Lynch Bank Deposit Program and Merrill Lynch Business Deposit Program or total deposit balances in the ISA Program, and your financial advisor may receive compensation based on total deposit balances. In addition, other Merrill Lynch affiliates may receive fees for providing services in connection with the Merrill Lynch Bank Deposit Program and Merrill Lynch Business Deposit Program.

Merrill Lynch receives compensation for the provision of the infrastructure, marketing support and/or other services to the Money Market Mutual Funds and a deposit brokerage fee from the depository institutions with respect to deposits in the ISA Program. In addition, other affiliates of Merrill Lynch may receive fees for providing services, such as the transfer agency services, to the Money Market Mutual Funds.

- (vi) **Right to Change/Suspension of Money Accounts.** Merrill Lynch reserves the right to change the Money Accounts available with the Service at any time. If a particular Money Account is no longer generally available in the Service or is no longer available for a particular category of Customer, the Customer authorizes Merrill Lynch to transfer, exchange and/or convert any existing shares/balances in such Money Account into another Money Account. Merrill Lynch will provide the Customer with written notice in advance of such transfer, exchange and/or conversion. If the offering of any particular Money Account is suspended for any reason, Merrill Lynch is authorized, but not obligated, to cause available Cash Balances in the Securities Account to be invested in another Money Account. If such suspension is of a nature that makes prior notice unfeasible, Merrill Lynch will give subsequent notice within a reasonable time.

Each of the Banks are permitted to merge with another financial institution, sell or transfer their assets, or otherwise engage in transactions that result in the Customer's deposit balances in the Merrill Lynch Bank Deposit Program and the Merrill Lynch Business Deposit Program being held at a different financial institution. Merrill Lynch will notify the Customer in writing in such an event.

(vii) **Money Account Dividends/Interest.** Dividends will be declared daily on Money Market Mutual Funds shares and will be reinvested daily in additional shares and credited to the Customer's account monthly.

Interest for the Merrill Lynch Bank Deposit Program, Merrill Lynch Business Deposit Program and ISA Program will be compounded on a daily basis and credited to the Customer's account monthly.

(F) AVAILABILITY AND APPLICATION OF FUNDS AND DEPOSITS

(i) **Availability Delays.** (See Table 2) The availability of Cash Balances (for investment in a Money Account, to pay Disbursements or other amounts due) will depend on the type of deposit, the tier to which a Securities Account is assigned, subject to certain exceptions noted in Table 2. Merrill Lynch also reserves the right to impose additional Availability Delays under certain circumstances including, among others, (i) if a question exists about whether a deposit instrument will be paid; (ii) if an emergency exists such as a failure of communications or computer equipment; and (iii) other matters beyond the control of Merrill Lynch.

For all Securities Accounts, Cash Balances from the proceeds of sales of securities or dividend/interest receipts become available on the next Business Day following receipt.

(ii) **Cut-Off Times for Deposits.** Deposits must be received before established cut-off times for same-day posting.

Cut-off time for deposits into any Bank of America Automated Teller Machine (ATM) nationwide or a deposit via a mobile device is typically 7:30 p.m. Eastern Time (ET).

Deposit-taking Bank of America ATMs can accept both check and cash deposits. Merrill Lynch branch offices, however, **cannot accept cash deposits.**

Cash deposited at any deposit-taking Bank of America ATM will be immediately reflected in your purchasing power. For an explanation of purchasing power see Section 6(F)(vi), "Purchasing Power."

You may make check deposits to your WCMA account by using the MyMerrill™ mobile application with your mobile device. There is no fee to download and to use the Merrill Lynch application but you may be charged fees by your wireless service provider. Please contact your service provider for details on specific fees. For more information regarding this application, please call your financial advisor or visit MyMerrill.com®.

Table 2 shows the Availability Delays for Accounts by tier assignment.

(iii) **Automatic Application of Funds.** Subject to the Availability Delays described above, any available balances will generally be applied as follows:

1. To pay for any purchases or amounts due in the Securities Account.
2. To pay for manual subscriptions to Money Accounts.
3. To pay Disbursements.
4. To sweep on the next Business Day to the Primary Money Account.

(iv) **Disbursement Priority.** Amounts due in connection with the Service will be paid in the following order of priority:

1. From available Cash Balances;
2. From any remaining balances in the Primary Money Account and then from balances in the Secondary Money Accounts, based on the order designated by the Customer, until depleted;

TABLE 2. AVAILABILITY DELAYS – WCMA AND BIA ACCOUNTS

Deposit Type	Tier 1 <\$250,000	Tier 2 \$250,000 to <\$1 million	Tier 3 \$1 million to <\$10 million	Tier 4 ≥\$10 million
Local Check*	2 Business Days	2 Business Days	2 Business Days	1 Business Day
Non-local Check*	4 Business Days	4 Business Days	2 Business Days	1 Business Day
ACH Credits*	2 Business Days	1 Business Day	1 Business Day	1 Business Day
Fedwire**	0 Business Days	0 Business Days	0 Business Days	0 Business Days
Account Transfer**	0 Business Days	0 Business Days	0 Business Days	0 Business Days
ATM Check Deposits	2 Business Days	2 Business Days	1 Business Day	1 Business Day
ATM Cash Deposits**	0 Business Days	0 Business Days	0 Business Days	0 Business Days
Remote Check Deposit Service	2 Business Days	2 Business Days	1 Business Day	1 Business Day
Mobile Check Deposits	2 Business Days	2 Business Days	1 Business Day	1 Business Day

* Check deposits in excess of the transaction limits set forth below are subject to a five Business Day Availability Delay, and ACH Credits in excess of the transaction limits set forth below are subject to a four Business Day Availability Delay, to settle Disbursements from the Securities Account, regardless of tier assignment. The foregoing notwithstanding, Cash Balances, regardless of Deposit Type and amount, will continue to sweep according to the standard Availability Delay tables. The transaction limits are as follows:

Tier 1 \$30,000	Tier 2 \$100,000	Tier 3 \$300,000	Tier 4 \$500,000
-----------------	------------------	------------------	------------------

** Immediate availability for Disbursements, same-day availability for margin loan payoff, next-day availability for sweep to a Money Account.

3. Customers with margin accounts, from extensions of credit in the Account within its available loan value.
- (v) **Disbursement Limitations (BIA Account only).** There are limits on certain Disbursements. The limits are no more than three (3) BIA Checks (including certain types of ACH transactions described below) or six total "transactions" in any calendar month. A "transaction" includes BIA Checks or related transactions, outgoing Fedwires and/or outgoing ACH transactions. For example, if in January, three checks and four ACH transactions clear the BIA account, the Customer will have exceeded the transaction limits. A BIA Check includes the following transactions: (A) checks written to pay bills that are converted by the biller to an ACH transaction, (B) checks that are converted by a merchant at the point of sale, (C) checks that initially are returned unpaid and later represented, (D) ACH payments initiated over the Internet to pay for goods and services, (E) a pre-authorized payment, approved over the telephone, for telephone catalog sales, ticket sales or other one-time purchases, and (F) payments affected using an Internet Web bill payment service. Any transaction in excess of the Disbursement limits will be subject to a per-item fee.

If these limits are exceeded, then Merrill Lynch, in its sole discretion, may terminate the Customer's ability to make Disbursements and/or terminate the Customer's subscription to the BIA Service.

(vi) **Purchasing Power.**

- (a) **General.** The amount available for Disbursements and manual investments in the Money Accounts is called "Purchasing Power." Purchasing Power equals the total of:

1. any available Cash Balances in the Securities Account;
2. the available value of the Money Accounts; and
3. margin accounts, the unused loan value of eligible securities in the Securities Account.

Purchasing Power is reduced: (1) on the trade date for securities purchases; (2) at the time the Banks and Merrill Lynch are notified of card, check, ACH and Fedwire transactions; (3) at the time of request for outgoing funds transfers; and (4) two Business Days prior to the release of any future or recurring funds transfers.

- (b) **Transactions Exceeding Purchasing Power.** If a transaction exceeds the Purchasing Power, Merrill Lynch may elect to decline such a transaction. BANA may, but is not obligated to, accept such transaction as an overdraft and advance funds to Merrill Lynch, third parties or the Banks in the amount exceeding the Customer's Purchasing Power. Any overdraft, together with any finance charges incurred, is immediately due and payable to BANA. Additional fees and charges may apply.

You may remit payment for your overdraft in one of the following manners:

1. Contact your financial advisor to transfer funds from another Merrill Lynch account (if applicable).

2. Send a check or money order, payable to Merrill Lynch, to:

MERRILL LYNCH
P.O. BOX 256
NEWARK, NJ 07101-0256

Include your account number on your check or money order to ensure proper credit to your account. You may not use a Merrill Lynch check drawn on the same account that has the debit balance.

3. Make a deposit at any Merrill Lynch branch office or Bank of America deposit-taking ATM.
4. Wire funds from an external account at another institution to your Merrill Lynch account.
5. Liquidate securities held in the account.
6. Consider upgrading to a margin account and transfer the debit for an interest rate lower than overdraft. Contact your financial advisor for current margin rates.

Please note that in the event there has been any non-related debit activity in your account since the overdraft occurred, any deposits made to your account will be used to satisfy that activity before being credited to the overdraft.

Alternatively, the Customer may elect to use LMA for overdraft purposes. The terms of the LMA loan are governed by the LMA agreement and related documents. LMA loan proceeds may not be used, directly or indirectly, to purchase, carry or trade securities in any brokerage account with Merrill Lynch. LMA loans charge interest, and may be subject to fees and other charges, all as set forth in the LMA agreement and documents.

- (c) **Overdraft.** In each overdraft statement cycle, Finance Charges are figured by applying a daily periodic rate of .049315% (18% Annual Percentage Rate) to the average daily balance of overdrafts and by multiplying the resulting figure by the number of days in that statement cycle. A daily overdraft balance is calculated by starting with the beginning balance of amounts owed, adding any new overdrafts and unpaid Finance Charges and subtracting any payments or credits received that day. The average daily balance is then calculated by adding all of the daily balances of overdrafts in that statement cycle and dividing the total by the number of days in the overdraft statement cycle. Finance Charges accrue from the date BANA accepts an overdraft until the date payment is made.

The Customer will receive a periodic overdraft billing statement from BANA that will detail, among other disclosures, any overdraft(s) plus Finance Charges on the overdraft(s), payments and credits, and the balance due.

- (vii) **Manual Investments/Manual Deposits.** You may make "manual investments" or "manual deposits" in the Money Accounts by placing a purchase order with your Merrill Lynch financial advisor. Subject to the Availability Delays described

in Section 6(F)(i), manual deposits of \$1 or more may be made in the Merrill Lynch Bank Deposit Program or Merrill Lynch Business Deposit Program at any time; manual deposits of \$1,000 or more may be made in the ISA Program at any time.

Subject to the Availability Delays described in Section 6(F)(i), manual investments may be made in Money Market Mutual Funds as outlined in the fund's prospectus. Automatic and manual investments in Money Market Mutual Fund shares are made under the circumstances described in the prospectuses of the Money Market Mutual Funds under the caption "How to Buy, Sell and Transfer Shares."

(viii) **Directed Reserve Program.** WCMA Customers that have a margin loan may elect to maintain a minimum Money Accounts balance (the Directed Reserve program) by designating an amount to be invested and maintained in their Money Accounts. Customers who elect to maintain a minimum Money Accounts balance should note that interest expense (including on any margin loan) may be subject to disallowance for tax purposes. Merrill Lynch does not offer advice on these tax issues except to recommend that the Customers consult a qualified tax advisor.

(a) If a minimum Money Accounts balance is selected, then advances pursuant to margin loans may be made while the Customer maintains a Money Accounts balance. When selecting the minimum Money Accounts balance option and designating an amount, Customers should be aware that the rates at which interest will be charged with respect to margin loans will generally exceed the yield represented by dividends paid on the shares of the Money Market Mutual Funds and by interest paid on balances in the Merrill Lynch Bank Deposit Program or the ISA Program.

(b) If at any time the amounts in the Money Market Mutual Funds and/or the balances in the Merrill Lynch Bank Deposit Program or the ISA Program are less than the selected minimum Money Accounts balance, then available Cash Balances and, if applicable, a margin loan will be automatically made to re-establish the minimum Money Accounts balance.

(G) CHECK AND CARD USAGE

(i) General.

(a) **Accounts for Cards and Checks.** Customer authorizes Merrill Lynch to open accounts with Merrill Lynch's third-party processing institution for check clearing and receiving ACH transactions, and with the Banks for Cards. Customer agrees that Checks and WCMA® Business Access Visa® Debit Cards, if any, shall be used solely in conjunction with the Securities Account. The representatives of the Customer designated on the Check and/or Card Instructions (the "Instructions"), which may be provided in writing or orally, are authorized to use the Cards and/or write Checks on the Securities Account as designated by the Customer. The Customer may request up to 99 Cards per WCMA account. The Cards may not be available to certain Customers or in certain states.

(b) **Limitation on Use of Checks and Cards.** Neither Checks nor Cards may be used to purchase shares of the Money Market Mutual Funds, to deposit funds in the Merrill Lynch Bank Deposit Program, Merrill Lynch Business Deposit Program and/or the ISA Program, or to purchase, carry or trade in securities in the Account or any other Merrill Lynch account.

(c) **Safekeeping.** The Customer shall, on a continuing basis, be responsible for the care and safekeeping of the Cards, Checks and Checking account number information, and for the review of the monthly statements provided by Merrill Lynch, in order to promptly discover and report to Merrill Lynch the possible unauthorized use of said Cards and Checks. The Customer shall permit only those persons authorized in the Instructions to use Cards, to sign, prepare, complete or issue Checks on the Customer's behalf or to have access to unissued Checks. The Customer shall be responsible for any and all losses and damages, direct, indirect or consequential, that arise from or are attributable to the breach of the Customer's undertaking to safeguard its Cards, Checks and Checking account number information, to review its monthly statements or to permit only designated persons to have access to or prepare, complete or issue Checks. The Customer shall notify Merrill Lynch immediately by calling one of the phone numbers provided in Section 6G(i)(d) if it believes or has reason to believe that the Customer's Cards, Checks or account number information have been used or signed by an unauthorized person. Inquiries and error allegations concerning the Account and the monthly statement should be directed only through Merrill Lynch and not through the Banks or the third-party processing institution.

(d) **Lost/Stolen Checks/Cards.** If a Card, Personal Identification Number (PIN) or Checks are lost or stolen, the Customer should report the loss or other actual or possible unauthorized use of its Securities Accounts immediately by calling 866.4ML.BUSINESS (866.465.2874), which can be reached 24 hours a day, seven days a week. From outside the U.S., clients should call collect, at any time, the following number in the U.S.: 609.818.8000.

(ii) Check Usage.

(a) **Third-Party Processing Institution.** Checks clear through one or more of Merrill Lynch's third-party processing institutions.

(b) **Signatures.** If the Customer requests that Checks be printed with two or more signature lines for countersignature purposes and/or that Checks be signed with a signature stamp or signature plate, the Customer agrees that such requirements are for the Customer's internal purposes only, and neither Merrill Lynch nor its third-party processing institutions shall have any responsibility or liability for the payment of any check signed with a signature stamp/plate, without a countersignature or with an unauthorized countersignature.

- (c) **Check Copies.** Checks will not be returned to the Customer. Copies may be obtained by calling 866.4ML.BUSINESS (866.465.2874) or accessed online.
 - (d) **Stop Payment Procedures.** Customers may request that payment of Checks drawn on the Securities Account be stopped. In order to process a stop payment, the Customer must notify Merrill Lynch of the exact amount of the Check, the full check number, date and payee, and the full number of the Securities Account. If that information is not correct, or is untimely or the Customer does not promptly comply with a request for other reasonable information about the Check, then Merrill Lynch and the third-party processing institution will not be responsible if the Check cannot be stopped. If a Check was not stopped for any reason and there was a timely and proper stop payment order in effect for such Check, then Merrill Lynch may, without liability, delay crediting the Securities Account until it determines the rights of the parties involved, including the third-party processing institution. In addition, neither Merrill Lynch nor the third-party processing institution will be liable if, through the payment of a Check contrary to a stop payment order, any other items drawn on the Securities Account are returned unpaid.
 - (e) **Post-dated and Incomplete Checks.** The third-party processing institution reserves the right to pay post-dated Checks, although it is not obligated to do so. The third-party processing institution also reserves the right not to pay Checks that it determines, in its sole discretion, are incomplete or improperly completed.
- (iii) **Card Usage (WCMA Account Only).**
- (a) **General.** In connection with the Customer's subscription to the WCMA Service, the Customer may request that the Banks issue to the Customer one or more WCMA® Business Access Visa® cards, each with its own unique Visa number, for use by one or more Authorized Cardholders as designated by the Customer on the Visa Business Card information forms provided to Merrill Lynch.
 - (b) **Ownership.** The Card(s) remain the property of the Banks and may be canceled by the Banks at any time without prior notice. The Customer agrees to surrender the Card(s) immediately upon the request of the Banks or Merrill Lynch.
 - (c) **Unauthorized Visa Card Use.** The Customer has the option of assigning a Personal Identification Number ("PIN") for each Authorized Cardholder for whom a Card is requested. The Customer may be liable for the unauthorized use of its Card(s) or PIN by anyone other than its designated cardholders in an amount up to \$50. The Customer and/or Authorized Cardholders will not be liable for any unauthorized use that occurs after Merrill Lynch or the Banks have been notified orally of loss, theft or possible unauthorized use. Notice should be directed to 866.4ML.BUSINESS (866.465.2874).
 - (d) **International Transactions.** Merrill Lynch will charge an international transaction fee equal to 2% of the U.S. dollar amount of all transactions that occur outside of the United States, including purchases, credits, ATM

withdrawals and cash advance transactions. This fee will only apply to transactions submitted to Visa in a currency other than U.S. dollars and will be in addition to any other applicable transaction fees.

Visa transactions in a foreign currency are converted by Visa into a U.S. dollar amount in accordance with Visa's operating regulations and conversion procedures in effect at the time the transaction is processed. Visa's regulations and procedures currently provide that the currency conversion rate used is a rate selected by Visa from the range of rates available in wholesale currency markets, which rate may vary from the rate Visa itself receives, or a government-mandated rate.

The method of currency conversion is subject to change by Visa without notice. The currency conversion rate in effect on the processing date may also differ from the rate in effect on the transaction date or posting date. Transactions made in a foreign currency that are submitted to Visa in U.S. dollars will be posted to your WCMA Account in that U.S. dollar amount.

- (e) **Automated Teller Machine (ATM) service.** The Customer may elect to provide one or more debit cards for its respective WCMA account (up to 99 per account). If the Customer has requested one or more debit cards for its respective WCMA Accounts and each cardholder has chosen a Personal Identification Number (PIN), then each cardholder will have the following ATM capabilities:

Any Cash-Dispense ATM

Cash Withdrawal – Cash withdrawals may be obtained at any cash-dispense ATM. The daily ATM cash withdrawal limit is \$500 per card, subject to the Purchasing Power of the account and the cardholders' spending limit.

Bank of America ATMs – Nationwide

Deposits: You may deposit checks and cash at any deposit-taking Bank of America ATM. Checks may also be deposited at any Merrill Lynch branch office, but cash can only be deposited at a Bank of America ATM—it cannot be accepted at any Merrill Lynch branch office.

Purchasing Power (Available Balance) Inquiry: You may view your account's purchasing power at most Bank of America ATMs by choosing to check your "Available Balance" on the ATM screen. Your purchasing power will be reflected at the ATM as noted in "Total Available Funds," below.

Total Available Funds: This is the total amount of funds available to you at the time of your ATM balance inquiry.^{1,2}

Personal Identification Number (PIN) Changes: Authorized cardholders with a valid PIN will have the ability to change this PIN at most Bank of America ATMs.

- (f) **Termination of Account.** The Customer's right to use the Card(s) will be automatically terminated if the Customer's subscription to the WCMA Service is terminated by the Customer or Merrill Lynch. It is also understood that the Banks may terminate the Customer's right to use the Card(s) at any time in its discretion without prior notice. If the Customer's right

to use the Card(s) is terminated for any reason, the Customer shall promptly return the Card(s) to the Banks or Merrill Lynch.

- (g) **Spending Limits and Spending Cycles.** The Customer may elect to assign predetermined spending limits and corresponding spending cycles for any of its Authorized Cardholder(s) and may have the spending cycle refreshed back to the predetermined dollar amount. If the Customer elects this option, it must notify Merrill Lynch of the requested dollar amount and designated spending cycle for each Authorized Cardholder. Such spending limits and spending cycles shall remain in effect until notice of change or revocation is delivered to Merrill Lynch. The Customer agrees that this spending limit and spending cycle service is furnished as a convenience to the Customer to provide support for the Customer's monitoring and control of business usage of the Card(s) by its designated Authorized Cardholder(s); however, the Customer remains liable for all transactions made by its Authorized Cardholder(s) even if such spending limits and spending cycles are exceeded.
- (h) **Purposes for Use of Card.** The Customer agrees that any Authorized Cardholders on the account will use the Card primarily for business purposes and will not use the Card(s) or proceeds of any cash advances obtained with the Card(s) to purchase, carry or trade securities (or repay debt incurred to purchase, carry or trade securities).
- (i) **Direct Debiting of the WCMA Account.** The Customer agrees to pay BANA for purchases made with the WCMA[®] Business Access Visa[®] Debit Card. The Customer authorizes Merrill Lynch to pay BANA from the assets in the Customer's WCMA Account. The entire amount of all card transactions will be immediately debited from the WCMA Account upon receipt by Merrill Lynch.
- (j) **Disposal of Assets.** The Customer agrees that the Customer will not dispose of assets in the WCMA Account or any other account with Merrill Lynch or its affiliates if such disposal will negatively affect the Customer's ability to pay BANA for card transactions. The Customer may continue, however, to trade securities in the WCMA Account.

(H) ELECTRONIC FUNDS TRANSFERS

- (i) **General.** Requests for transfers of funds will be transmitted to banks selected by Merrill Lynch as agent for the Customer. Such banks and any subsequent banks involved in the transfer may use various systems, including the Federal funds wire transfer system, when carrying out the Customer's request. The rights and obligations of the Customer, Merrill Lynch and any banks involved in carrying out the Customer's funds transfer requests are governed by Article 4A of the Uniform Commercial Code, and by

applicable rules of ACH associations or, for Federal funds wire transfers, by Subpart B of Regulation J of the Federal Reserve Board of Governors.

Transfer of funds throughout the banking system and related funds transfer and communications systems, including the Federal funds wire transfer system, involve various risks which the Customer assumes in requesting wire transfers. Such risks include, but are not limited to, the following:

- (a) The liability of banks with respect to funds transfers may be limited by law and by contract; in particular, their responsibility for processing transfers may be limited to relying upon identifying (e.g., account) numbers rather than account party names;
- (b) Customer may not be able to cancel or amend a funds transfer request once transmitted to a bank for processing; and
- (c) Federal funds wire transfers are irreversible once transmitted by a bank and may not be recoverable.

Merrill Lynch shall act as the Customer's agent in transmitting funds transfer requests to banks selected by Merrill Lynch, and the Customer shall be regarded as the "sender" of such transfers. In addition to applicable law, the Customer's rights and obligations shall be governed by contracts that Merrill Lynch enters into with banks from time to time for funds transfers of its own and the Customer's funds.

The Customer agrees that Merrill Lynch's security procedures, which include a confidential password to initiate electronic transfers, and the security procedures of banks that Merrill Lynch contracts with for transfers of funds, are commercially reasonable. If Merrill Lynch notifies the Customer of changes in its own security procedures or if Merrill Lynch agrees to modified security procedures of such banks from time to time, the Customer's continued use of these services to request transfers shall constitute the Customer's agreement that such changed security procedures are commercially reasonable. The Customer has a right to request information about applicable security procedures at any time.

- (ii) **Funds Transfer Service ("FTS").** The Customer may elect to enroll in FTS by completing the Funds Transfer Service Enrollment Form ("FTS Enrollment Form"). This document, as amended from time to time by Merrill Lynch, is hereby incorporated by reference and made a part hereof. If the Customer so elects, the Customer authorizes Merrill Lynch to initiate the transfer of funds on its behalf in accordance with instructions from the persons authorized by the Customer and any other persons entrusted with the Customer's FTS password.

All FTS transfer requests must be accompanied by the number of the account and the confidential password ("FTS Password") selected by the Customer. Such transfers may be made by initiating credit or debit transfers to or from

¹ Total Available Funds is not your account value; it's the amount available for purchases and/or transactions in your account at a particular point in time.

² All WCMA Authorized Cardholders will have access to view the total WCMA Account value/purchasing power at Bank of America ATMs unless a card spending limit is established. If a spending limit is established, each Authorized Cardholder will be limited to view their respective spending limit balance when selecting a balance inquiry transaction at Bank of America ATMs. This does not affect other ATM functionality such as cash withdrawal for the Authorized Cardholder. The balance inquiry function and the ability to make deposits at the ATM are limited to Bank of America ATMs.

accounts at Merrill Lynch or at one or more financial institutions designated by the Customer in its FTS Enrollment Form, and the institutions participating in such transfers are hereby authorized to accept such debit or credit transfer instructions communicated by Merrill Lynch and to transfer funds in accordance therewith.

In the event that erroneous transfers are made pursuant to FTS, Merrill Lynch is authorized to initiate debit or credit transfers to correct such erroneous transfers, provided that any such correction is made in accordance with applicable laws, rules or regulations.

For purposes of this Agreement, an FTS Password shall cease to be effective at the commencement of business by Merrill Lynch on the first Business Day following receipt of written or telephone notice of cancellation of the Customer's FTS Password, directed to Merrill Lynch. The Customer shall not disclose its FTS Password to any person other than those persons that it has designated as authorized to initiate FTS transfers.

The Customer understands that it shall be liable for all transfers of funds, whether or not actually authorized by the Customer, that are initiated by instructions that include the FTS Password of the Customer then in effect, as well as any and all losses and damages, direct, indirect or consequential, that arise from or are attributable to such transfers. The Customer understands and agrees that Merrill Lynch may accept debit and/or credit instructions to debit and/or credit an account in which the person(s) authorized may have an interest and Merrill Lynch shall have no obligation to ascertain the propriety of any such instructions.

7. TERMINATION OF THE CUSTOMER'S SUBSCRIPTION TO THE WCMA OR BIA SERVICE

Merrill Lynch may terminate the Customer's subscription to the WCMA or BIA Service at any time in its sole discretion. The Customer may terminate its subscription to the WCMA or BIA Service at any time upon notice to Merrill Lynch. Without limiting Merrill Lynch's rights in this regard, the deposit of checks followed by the prompt withdrawal of funds, for the primary purpose of earning dividends or interest on Money Account balances from the time Merrill Lynch advances funds on the Customer's behalf until checks so deposited are collected, is inconsistent with the Service. Merrill Lynch may terminate the Customer's subscription to the WCMA or BIA Service if, in its sole judgment, it appears to Merrill Lynch that the Customer is so acting.

Merrill Lynch requires that the Customer provide transfer instructions to transfer its account to another financial institution or liquidation instructions within 30 days of receiving written notification from Merrill Lynch informing the Customer that Merrill Lynch is terminating its account and its subscription to the WCMA or BIA Service. If such instructions are not submitted by the Customer within 30 days:

- Cash, all shares of the Money Market Mutual Funds (including, if applicable, any shares and/or deposits representing the minimum Money Accounts balance) and bank deposits, such as the Merrill Lynch Bank Deposit Program, Merrill Lynch Business Deposit Program and/or the ISA Program, will be liquidated or withdrawn and the proceeds will be sent to the Customer in the form of a check;

- Equity securities eligible for Direct Registration will be issued to the Customer in statement form;
- Equity and fixed income securities eligible for certificate delivery will be issued to the Customer in that form;
- Equity and fixed income securities ineligible for certificate delivery will be liquidated; and
- Any non-transferable securities, including but not limited to mutual fund positions and option contracts, will be liquidated at current market prices. Sale proceeds will also be issued to the Customer in the form of a check.

Merrill Lynch recommends that the Customer consult a tax advisor to determine what result, if any, liquidation may have on the Customer's tax situation.

Merrill Lynch will apply the proceeds of any sales to repay any amount payable by the Customer pursuant to this Agreement. Merrill Lynch shall have the right to offset any amount owed under this Agreement against any monies due to the Customer and any monies held in an account of the Customer with Merrill Lynch or any of its affiliates.

All rights and remedies of Merrill Lynch existing at termination of the Customer's subscription to the WCMA or BIA Service shall survive and shall be in addition to all other rights and remedies available at law or equity.

Upon termination of the Customer's subscription to the WCMA or BIA Service, the Customer shall promptly return all Cards and unused Checks to Merrill Lynch. Failure to return the Cards or such Checks to Merrill Lynch may result in a delay in complying with the Customer's instructions as to the disposition of the proceeds from the redemption or withdrawal of the Customer's Money Accounts balance and its Securities Account assets.

8. LOW BALANCE DONATION

If your Merrill Lynch non-retirement account contains a balance of less than \$15.00, the next assessment of annual account fees may result in a debit balance for your account. If this occurs you will be required to pay Merrill Lynch that balance. If you choose, you have the right to direct Merrill Lynch to close your account and mail you a check. If you fail to provide instructions to do so, Merrill Lynch will donate this balance to charity. This policy is designed to prevent you from owing Merrill Lynch money and to prevent the inconvenience of having your account remain open with such a small balance. By not directing us to send you a check or otherwise transfer your remaining balance, you are deemed to expressly consent to this charitable donation.

9. FEES AND CHARGES

All Securities Account fees, including an annual account fee, will be charged to the Securities Account. The Customer authorizes Merrill Lynch to pay such fees from assets in the Securities Account, including Cash Balances, Money Accounts balance, and, if necessary, by selling other assets in the Securities Account. Merrill Lynch reserves the right to change its fees, including the annual account fee, as well as any other fees or charges, or to implement additional fees and charges at any time, except as limited by applicable law. Fees are nonrefundable.

No transaction charge or commission will be made with respect to the purchase or redemption of Money Market Mutual Fund shares

or deposits to or withdrawals from the Merrill Lynch Business Deposit Program, Merrill Lynch Bank Deposit Program or the ISA Program.

10. AUTHORIZATION WITH RESPECT TO CREDIT INFORMATION

The Customer hereby authorizes Merrill Lynch, the Banks and their affiliates to obtain and verify and disclose any and all financial, credit and other information relating to the Customer, to each other, to Merrill Lynch and to any affiliates of Merrill Lynch.

11. CONFIRMATIONS, PERIODIC STATEMENTS AND NOTICES

The Customer will receive a monthly transaction statement (the Monthly Statement) from Merrill Lynch, which will detail all account transactions during the preceding month. As part of the WCMA Master Financial Service, a Customer may elect to "link" one or more WCMA SubAccounts with a Master WCMA Account so that account statements for all linked accounts are mailed in a single package to the Master WCMA Account address. Alternately, the Customer may elect to receive separate account statements for each WCMA SubAccount at an address designated for each WCMA SubAccount. All account holders remain responsible for verifying the accuracy of their account statements, reading notices about their accounts and directing activity in their accounts. The monthly statement will include information provided by Merrill Lynch as agent for the Banks, the third-party processing institution and any ISA Program participating depository institutions. In addition, Fiscal Year-End Statements will be provided to Customers, according to the Fiscal Year-End information provided. Merrill Lynch reserves the right to charge a fee for providing duplicate copies of Monthly Statements.

Trade confirmations and Monthly Statements shall be conclusive if not objected to by written notice delivered to Merrill Lynch within 10 business days after delivery of or communication of the confirmations or statements to the Customer by Merrill Lynch. For other transactions (such as electronic funds transfers and Visa transactions), the Monthly Statements shall be deemed conclusive if not objected to within 60 days of mailing.

Any notices or other communications by Merrill Lynch to the Customer's address listed in the account application or to such other address as may be designated from time to time in writing or orally by the Customer, and all notices and other communications so sent by whatever means, shall be deemed to have been given personally to the Customer upon such sending, whether or not actually received. A Customer with one or more WCMA SubAccounts that has elected to link those accounts with a Master WCMA Account for statement delivery purposes agrees that the account holder for the Master WCMA Account is its agent for the purpose of receiving said Customer's (1) WCMA Monthly Statement for the WCMA SubAccount and (2) any notices or other communications. Merrill Lynch may mail all such statements and communications to the address designated by the account holder for the Master WCMA Account.

12. LIMITATIONS ON LIABILITY

Merrill Lynch, the Banks and any third parties providing services pursuant to this Agreement make no representations, warranties or guarantees, express or implied, with respect to the WCMA or BIA Service or any services provided in accordance therewith, except as otherwise set forth in this Agreement. In no event shall

Merrill Lynch, the Banks or any third party providing services pursuant to this Agreement be liable for lost profits or any special, consequential or exemplary damages of any nature resulting from the conduct of the WCMA or BIA Service, even if Merrill Lynch, the Banks or any such third party has been notified of the possibility of such losses or damages, provided, however, that this shall not limit any party's liability for compensatory damages due to gross negligence or willful misconduct.

13. EXTRAORDINARY EVENTS

Merrill Lynch shall neither be responsible for any loss sustained by the Customer, nor have any obligation to provide services to the Customer or its Securities Account, when and to the extent that Merrill Lynch, or any party that provides services or facilities to Merrill Lynch in connection with the WCMA or BIA Service, is prevented from doing so by government acts or restrictions, exchange or market rulings, suspension of trading, electronic or telephone failures, labor disputes, civil commotion, enemy action, war, acts of terrorism or any other cause not within Merrill Lynch's or such other party's control.

14. AMENDMENTS AND ADDITIONAL DOCUMENTATION

Merrill Lynch and the Banks (as applicable) shall have the right to amend this Agreement by modifying or rescinding any of its existing provisions or by adding new provisions, by notifying the Customer in writing. The Customer agrees that any such Amendments shall be effective as of the date Merrill Lynch establishes, subject to applicable law. Merrill Lynch, the Banks or their affiliates shall have the right to amend the Documents at any time with such advance notice as may be stated in the Documents, or if not stated, without prior written notice. In addition to the foregoing rights of Merrill Lynch and without limitation thereof, any amendment, update or alteration to any or all of the Money Market Mutual Funds' prospectuses shall be immediately effective to amend, update, alter and supersede any prior prospectus. Nothing in this Agreement shall be read to limit the right of Merrill Lynch to make any change, amendment or termination of the WCMA or BIA Service, the Agreement, the Documents or the Money Market Mutual Funds. The Customer understands that there may be additional documentation required by applicable law or the policies and procedures of Merrill Lynch or the Banks. The Customer shall promptly comply with any such requests for additional documents.

15. MISCELLANEOUS

(A) SEVERABILITY

If any provisions of this Agreement are held to be invalid, illegal, void or unenforceable by reason of any law, rule, administrative order or judicial decision, all other provisions of this Agreement shall nevertheless remain in full force and effect.

(B) JOINT AND SEVERAL LIABILITY

If there is more than one Customer or person signing this Agreement, their obligations under this Agreement shall be joint and several.

(C) COSTS OF COLLECTION

To the extent permitted by applicable law, the Customer shall pay the reasonable costs and expenses of collection, including attorneys' fees, for any unpaid balance in the Securities Account or other amounts owed by the Customer to Merrill Lynch, its agents or the Banks pursuant to this Agreement.

(D) CAPTIONS AND HEADINGS

Captions and headings of this Agreement are not part of this Agreement and shall not be considered in its interpretation.

(E) INTEGRATION

Subject to Merrill Lynch's right to amend this Agreement and the Documents in Section 13, this Agreement, the Documents and all other documents incorporated herein by reference or required by Merrill Lynch in connection herewith, constitutes the entire understanding of the parties with respect to the subject matter hereof.

(F) APPLICABLE RULES AND REGULATIONS

All transactions in the Securities Account and all Margin Lending Program transactions shall be subject to the constitution, rules, regulations, customs and usages of the exchange or market and its clearing house, if any, on which such transactions are executed by Merrill Lynch or its agents, including subsidiaries and affiliates of Merrill Lynch. Nothing in this provision, however, shall be read to create any right in the Customer to enforce any provision of such constitution, rules, regulations, customs and usages against Merrill Lynch. You may not use your account or relationship to the firm to process transactions that are prohibited by law, including, but not limited to, restricted transactions prohibited by the Unlawful Internet Gambling Enforcement Act of 2006.

(G) AUTHORIZATIONS

If the governing documents of the Customer require two or more persons to authorize the conduct of the Customer's business, or if any Authorized Representatives of the Customer are entities with such requirements, the Customer shall implement procedures to assure that any orders or other instructions (including, but not limited to, trading, withdrawals of funds and/or other assets by check, letter of instruction, wire or Card transaction) given to Merrill Lynch are those of the Authorized Representatives (as defined in the Authorization Form) acting jointly within the extent of their authority, even if such orders or instructions are conveyed by only one Authorized Representative to Merrill Lynch. **Merrill Lynch shall be under no duty or obligation whatsoever to verify, confirm, inquire into or otherwise assure that any instructions or orders given to it by any one Authorized Representative, or by any one individual acting on behalf of an Authorized Representative which is an entity, are authorized acts of the Customer.** In the event of conflicting instructions, Merrill Lynch reserves the right to take no action with respect to such instructions until the dispute is resolved to the satisfaction of Merrill Lynch. The Customer shall hold Merrill Lynch, its affiliates, officers, agents and employees harmless from any losses arising from Merrill Lynch's reliance on, and action taken based on, instructions from any one Authorized Representative or by any one individual acting on behalf of an Authorized Representative which is an entity.

If Merrill Lynch believes there is a dispute concerning the control or ownership of assets in the Customer's Securities Account, Merrill Lynch may, but is not obligated to, take one or more of the following actions, without any liability, until such dispute is resolved to our satisfaction:

- Restrict activity in the Securities Account;

- Require that all instructions be in writing, signed by a duly authorized representative of Customer or, if applicable, all account holders or persons claiming ownership or authority to control the Securities Account;
- Suspend or terminate the WCMA or BIA Service; and/or
- File an interpleader action in an appropriate court at the expense of the Customer.

(H) SPECIAL ACCOUNTS

Merrill Lynch has modified the conditions of the WCMA or BIA Service for certain group plans and different categories of Customers. Merrill Lynch may charge Customers different fees from those charged to other participants in the WCMA or BIA Service. Merrill Lynch may make available different Money Accounts and other services and features. It is anticipated that Merrill Lynch will continue to offer modified versions of the WCMA or BIA Service.

(I) THIRD-PARTY RESEARCH

Merrill Lynch may offer you access to third-party research on certain U.S. and non-U.S. equity and fixed-income securities. You agree that neither Merrill Lynch nor any of its affiliates bears any responsibility or liability for third-party research or its content which may be made available to you. You assume full responsibility for any trading decision you make based on third-party research. Access to third-party research is provided for informational purposes only and does not constitute investment advice. Merrill Lynch does not endorse or otherwise adopt third-party research reports or ratings.

(J) SUBSTITUTE PAYMENTS

Merrill Lynch will aim to reduce the occurrence of circumstances that lead to its clients receiving substitute interest or dividend payments for their securities in lieu of payments from the issuer of the securities. For municipal securities, we may do so by informing clients when such circumstances arise in a transaction, and giving clients the opportunity to instruct us to either: (i) cancel and correct the transaction in question if a cancellation and correction can reasonably be executed or (ii) purchase a comparable security if a comparable security is available for purchase. There may be circumstances where a transaction cannot reasonably be cancelled or corrected or a comparable security is not available for purchase, which may lead to clients receiving substitute payments for their securities in lieu of payments from the issuer of the securities. Clients may receive substitute payments for their securities under a number of circumstances in normal business activities that may create a temporary shortfall that results in Merrill Lynch holding an insufficient amount of the securities at the Depository Trust Company to enable all our clients to receive the actual payment from the issuer of the securities. Under such circumstances, we will use an internal lottery system to determine on a random basis which clients to allocate substitute payments to. Clients who receive a substitute payment will see the payment indicated as such in their account statements. Merrill Lynch is committed to ensuring that its clients are not adversely impacted by their receipt of substitute payments. Therefore, to the extent substitute payments are made to our clients, Merrill Lynch will "gross up"

substitute payments after the close of the year the payments are made to compensate you for any federal tax liabilities that might be incurred, including an amount equal to the tax liability on the gross up itself, in accordance with our policies, copies of which will be provided upon request.

(K) NON-U.S.-ISSUED SECURITIES

If you trade and hold non-U.S.-issued securities, you acknowledge and agree that Merrill Lynch or its affiliates are, or may be, required to disclose Customer name and other identifying information, including Social Security number or tax identification number, to regulators (including taxing authorities) and/or issuers to comply with local law and/or custom and practice. For example, we may be required to provide personal information in order to meet local regulations that require the submission of investor names to the local stock exchange, or an issuer may request residence and taxpayer identification information in order to obtain favorable tax treatment, such as lower withholding rates, for shareholders.

(L) REFERRAL POLICY

Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S") is an affiliate of Bank of America, N.A. and other subsidiaries of Bank of America Corporation (collectively, "Merrill Lynch"). Merrill Lynch is one of the world's largest financial institutions, serving individual consumers, small- and middle-market businesses, institutional investors, large corporations and governments with a full range of banking, investing, asset management and other financial and risk management products and services.

In the event Merrill Lynch refers your business among its affiliates to provide you with certain products or services, Merrill Lynch (or its employees or representatives) may receive financial or other benefits for such referrals.

(M) COMPLIANCE WITH APPLICABLE LAWS

You represent that you and any beneficial owners(s) if signed in a representative capacity have complied, and you agree that you and any such beneficial owner(s) will comply for so long as this Agreement is in effect, with all applicable laws (including obligations related to tax payments and reporting and to currency exchange controls) related to (i) the assets deposited, acquired or otherwise held in any securities account held at Merrill Lynch now or in the future or (ii) any other transaction you enter into with Merrill Lynch or its affiliates. You further agree and acknowledge that you and any beneficial owner(s) if signed in a representative capacity are responsible for timely paying any taxes owed to any tax authority and for timely filing all relevant tax returns in relation to assets held in any securities account held at Merrill Lynch now or in the future or any other transaction you enter into with Merrill Lynch or its affiliates.

(N) INVESTMENT POLICY STATEMENTS - RESPONSIBILITY TO REVIEW AND MONITOR

You acknowledge that it is your sole responsibility to adhere to any investment policy statement (IPS) or similar document that applies to you. You further acknowledge that, in connection with your Merrill Lynch Account(s), Merrill Lynch shall not have any responsibility to review, monitor, or adhere to your IPS or similar document.

(O) READ AND UNDERSTAND ENGLISH

You acknowledge that (i) you can read and fully understand English; (ii) that written documents, agreements, and information (collectively referred to as "Materials") concerning your relationship with Merrill Lynch, including but not limited to products, services, transactions, and other account details, will typically be provided to you in English; and (iii) on occasion we may provide certain Materials to you in Chinese, Spanish, French or Portuguese, as applicable.

關注客戶

變化的通知在其自己的與MLPF & S的關係

您承认 (i) , 你可以阅读并完全理解英语; (ii) 有关与美林 (Merrill Lynch) 的关系的书面文件, 协议, 以及信息 (统称为 "材料"), 包括但不限于产品, 服务, 交易, 和其他帐户细节, 通常会以英语向您提供, (iii) 有时出于尊重, 我们可能会向您提供某些非英文的翻译材料。

Atención a Nuestros Clientes:

Notificación de cambios en la relación de su cuenta con MLPF&S

Ud. reconoce que (i) puede leer y entender el idioma inglés a cabalidad; (ii) que, en general, todos los documentos escritos, contratos y demás información (denominada, en conjunto, como "Materiales"), que tengan que ver con la relación que sostiene con Merrill Lynch, incluyendo pero sin limitarse a los productos, servicios, transacciones y demás detalles relacionados con su cuenta le serán entregados en el idioma inglés; y (iii) en ocasiones, podremos entregarle traducciones de ciertos materiales a otros idiomas distintos al inglés, como un gesto de cortesía hacia Ud.

À l'attention de tous nos clients:

Notification de changements à votre contrat de compte bancaire avec MLPF&S

Le client reconnaît que (i) il lit et comprend pleinement la langue anglaise; (ii) tous écrits, contrats ou notifications (repris sous l'expression générique de 'Documents') concernant votre relation avec Merrill Lynch, y compris des produits, services, transactions et autres informations sur votre compte, notamment, vous sont remis normalement en langue anglaise, et (iii) à titre de courtoisie, nous pouvons parfois fournir certains Documents traduits dans d'autres langues que l'anglais.

Atenção, todos os clientes:

Notificação das mudanças realizadas nos contratos de suas contas com MLPF&S

Você declara que (i) pode ler e compreender o idioma inglês perfeitamente; (ii) que aceita que, em geral, todos os documentos escritos, os contratos e as outras informações (juntamente designados "Materiais"), que tenham a ver com a relação que você mantém com a Merrill Lynch, inclusive, mas sem se limitar a, os produtos, serviços, transações e outros detalhes relacionados a sua conta sejam entregues em idioma inglês; e que (iii), em ocasiões, poderemos entregar traduções de alguns materiais em outros idiomas diferentes do inglês, como gesto de cortesia para você.

16. REPRESENTATIONS AS TO OWNERSHIP AND CAPACITY TO ENTER INTO AGREEMENT

The Customer represents that no one except the Customer (or the beneficial owner(s) if signed in a representative capacity) has an interest in the account or accounts of the Customer with Merrill Lynch. If this account is beneficially owned by any person who is a U.S. Securities Exchange Act of 1934 Section 16 reporting person of a U.S. public company, the Customer represents that no funds or assets belonging to such U.S. public company, or any entity affiliate of such U.S. public company, will be invested through this Securities Account. If the Customer is a sole proprietor, the Customer represents that the Customer is of legal age to contract in the Customer's jurisdiction of residence. The Customer represents that no person having an ownership interest in the Customer is an employee of any exchange, or of any corporation of which any exchange owns a majority of the capital stock, or of a member of any exchange, or of a member firm or member corporation registered on an exchange, or of a bank, trust company, insurance company or any corporation, firm or individual engaged in the business of dealing either as broker or as principal in securities, bills of exchange, acceptances or other forms of commercial paper. If any of the foregoing representations is inaccurate or becomes inaccurate, the Customer will promptly so advise in writing.

17. APPLICABLE LAWS

This Agreement, with respect to all aspects of the WCMA or BIA Service, including margin interest charges, shall be governed by and construed in accordance with the laws of the State of New York, except as follows: The terms of the agreements with Bank of America, N.A., are governed by federal and North Carolina law and the terms of the agreement with Bank of America California, N.A., are governed by federal law. The terms of the Customer's agreement with the third-party processing institution for Checks, UMB Bank, N.A., are governed by Missouri law.

18. ARBITRATION OF CONTROVERSIES WITH MERRILL LYNCH, PIERCE, FENNER & SMITH INCORPORATED

This Agreement contains a predispute arbitration clause. By signing an arbitration agreement, the parties agree as follows:

- All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
- The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.

- The panel of arbitrators may include a minority of arbitrators who were, or are, affiliated with the securities industry.
- The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement. You agree that all controversies that may arise between us shall be determined by arbitration. Such controversies include, but are not limited to, those involving any transaction in any of your accounts with Merrill Lynch, or the construction, performance or breach of any agreement between us, whether entered into or occurring prior, on or subsequent to the date hereof.

Any arbitration pursuant to this provision shall be conducted only before the Financial Industry Regulatory Authority, Inc. (FINRA), or an arbitration facility provided by any other exchange of which Merrill Lynch is a member, and in accordance with the respective arbitration rules then in effect of FINRA or such other exchange.

You may elect in the first instance whether arbitration shall be conducted before FINRA or another exchange of which Merrill Lynch is a member, but if you fail to make such election by registered letter addressed to Merrill Lynch at the office where you maintain your account before the expiration of five days after receipt of a written request from Merrill Lynch to make such election, then Merrill Lynch may make such election.

Judgment upon the award of arbitrators may be entered in any court, state or federal, having jurisdiction.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action, or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.

19. CUSTOMER INFORMATION AND DUE DILIGENCE

Merrill Lynch, like all U.S. financial institutions, is required to follow federal regulations to assist the government in its efforts to fight money laundering and other financial crimes, and to counter terrorist financing efforts in the U.S. and globally. Merrill Lynch obtains specific personal information from you in order to verify your identity; you may be required to present documentary evidence of your identity in the form of government-issued identification. Merrill Lynch also uses third-party vendors to verify customer information. Foreign nationals who are permanent legal residents

of the U.S. may be required to present a Permanent Resident Card (i.e., “green card”) and a Social Security number to open an account in a U.S.-based Merrill Lynch office. Non-individuals (e.g., a business, trust or estate) must submit sufficient evidence of legal status.

In addition to verifying the identity of our customers, Merrill Lynch captures personal information on all customers and related authorized parties who have the ability to transact, control, influence or manage an account, whether directly or indirectly. Merrill Lynch, at its discretion, may elect not to accept an account or to terminate the account agreement and the account agreements of any related parties.

Merrill Lynch Business Deposit Program Disclosure (BIA Account Only)

This section describes the manner in which available Cash Balances of a Customer of the Merrill Lynch Business Investor Account financial service (“BIA Service”) will be deposited in MMDAs at BANA and/or BA-CA by Merrill Lynch. This feature is called the Merrill Lynch Business Deposit Program.

The BIA Service includes a securities account with Merrill Lynch (the “BIA Account”). If you subscribe to the Merrill Lynch Business Deposit Program for your BIA Account, Merrill Lynch will establish an MMDA on your behalf at each of its two affiliated banks, BANA and BA-CA. The BIA Account is primarily intended for use as an investment account and cash management functions are limited. The BIA Account may not be appropriate for customers who anticipate effecting frequent third-party payment or funds transfer transactions. BIA Accounts with the Merrill Lynch Business Deposit Program are subject to transaction limits as described below and Merrill Lynch will monitor customer transaction activity. If these limits are exceeded, then Merrill Lynch, in its sole discretion, may terminate your ability to make disbursements and/or terminate your subscription to the BIA Service.

1. HOW THE PROGRAM WORKS

(A) DEPOSITS FOR BIA ACCOUNTS

The timing of the deposit of available Cash Balances from your BIA Account to the MMDAs will be as set forth in your BIA Account Agreement and Program Description (“BIA Agreement”).

Available Cash Balances of up to \$246,000 in your BIA Account are remitted automatically for deposit by Merrill Lynch, acting as your agent, to your MMDA at BANA. Merrill Lynch will make this deposit on your behalf without reference to any other amounts you may have on deposit with BANA. If your MMDA balances reach \$246,000, then available Cash Balances are remitted for deposit in the same manner to your MMDA established by Merrill Lynch at BA-CA, until MMDA balances at BA-CA (from your BIA Account) reach \$246,000. If your MMDA balances at BA-CA (from your BIA Account) reach \$246,000, subsequent Cash Balances will be deposited in your MMDA at BANA, even if the amounts then deposited in BANA through the Merrill Lynch Business Deposit Program exceed \$246,000. Please see “Important Deposit Insurance Considerations” below regarding federal deposit insurance for these accounts.

(B) TRANSFERS AND WITHDRAWALS

Withdrawals will be made from your MMDAs as necessary to satisfy debits (securities purchases, checks, fees and other charges) in your BIA Account. If you have an MMDA only with BANA through the Merrill Lynch Business Deposit Program, then withdrawals will be made from your MMDA at BANA. In general, if you have MMDAs at both BANA and BA-CA, withdrawals will be made first from your MMDA at BA-CA, then from your MMDA at BANA. If your MMDA balances at BANA exceed \$250,000, then generally withdrawals will be made from your MMDA at BANA until that balance is equal to or less than \$250,000.

For U.S. clients, the BIA Service has limits on disbursements. The limits are:

- Three BIA checks in any calendar month, or
- Six total “transactions” in any calendar month.

A “transaction” includes BIA Checks or related transactions, outgoing Fedwires, and/or outgoing ACH transactions. For example, if in January three checks and four ACH transactions clear the BIA Account, customer will have exceeded the transaction limits. A BIA Check includes the following transactions: (A) checks written to pay bills that are converted by the biller to an ACH transaction, (B) checks that are converted by a merchant at the point of sale, (C) checks that initially are returned unpaid and later represented, (D) ACH payments initiated over the Internet to pay for goods and services, (E) a preauthorized payment, approved over the telephone, for telephone catalog sales, ticket sales or other one-time purchases, and (F) payments affected using an Internet Web bill payment service. Any transaction in excess of the Disbursement limits will be subject to a fee. In addition, Merrill Lynch, in its sole discretion, may terminate your ability to make disbursements and/or terminate your subscription to the BIA Service.

As required by federal regulations, BANA and BA-CA reserve the right to require seven days’ prior notice before permitting a transfer out of the MMDAs. BANA and BA-CA have not exercised this right in the past.

The MMDAs are not transferable.

2. OTHER INVESTMENT OPTIONS

The BIA Account does not offer any other options for the automatic “sweep” of your Cash Balances. Merrill Lynch offers a number of investment alternatives that may be considered comparable to cash deposits held at BANA and/or BA-CA and some of these alternatives may pay a higher return than the interest rate paid on bank deposit balances held at BANA and/or BA-CA. Please discuss these and other investment alternatives with your financial advisor.

Merrill Lynch Bank Deposit Program Disclosure (WCMA Accounts Only)

This section describes the manner in which free credit balances of customers of the Working Capital Management Account (WCMA[®]) Financial Service, which includes the WCMA Account and WCMA SubAccounts, will be deposited in bank deposit accounts established in the name of Merrill Lynch as your agent at either BANA and/or BA-CA, by Merrill Lynch. This feature is called the Merrill Lynch Bank Deposit Program.

If you subscribe to the Merrill Lynch Bank Deposit Program for your WCMA Account or WCMA SubAccount, Merrill Lynch, as your agent, will establish two bank deposit accounts on your behalf at BANA and/or BA-CA: (1) a DDA; and (2) an MMDA. The DDAs and MMDAs established through the Merrill Lynch Bank Deposit Program are each a Deposit Account.

1. HOW THE PROGRAM WORKS

(A) DEPOSITS FOR WCMA ACCOUNTS

The timing of the deposit of available free credit balances will be as set forth in the WCMA Financial Service Account Agreement and Program Description.

For WCMA accounts, free credit balances of up to \$246,000 are remitted automatically for deposit by Merrill Lynch, acting as your agent, to your Deposit Accounts established by Merrill Lynch at BANA. Merrill Lynch will make this deposit on your behalf without reference to the amount deposited with BANA through any other amounts you may have on deposit with BANA. If your Deposit Account balances with BANA reach \$246,000, then free credit balances are remitted for deposit to your Deposit Accounts established by Merrill Lynch at BA-CA, until Deposit Account balances at BA-CA (from your WCMA Account) reach \$246,000. If your Deposit Account balances at BA-CA (from your WCMA Account) reach \$246,000, subsequent funds will be deposited in your Deposit Accounts at BANA, even if the amounts then deposited in BANA through the Merrill Lynch Bank Deposit Program exceed \$250,000.

All deposits made to the Deposit Accounts will be made to your MMDAs, except as described under "Transfers and Withdrawals."

(B) TRANSFERS AND WITHDRAWALS

Withdrawals will be made from your DDAs by Merrill Lynch as your agent as necessary to satisfy debits (securities purchases, Checks, Visa and other charges) in your WCMA Account. If you have Deposit Accounts only with BANA, then withdrawals will be made from your Deposit Accounts at BANA. In general, if you have Deposit Accounts at both BANA and BA-CA, withdrawals will be made from your Deposit Accounts in the reverse of the order in which deposits are made to the accounts.

If funds in a DDA are insufficient to satisfy a debit, funds in the MMDA at either BANA or BA-CA will be transferred to the DDA at BANA or BA-CA to satisfy the pending withdrawal, plus a "cushion" to be determined from time to time by Merrill Lynch. Federal banking regulations generally limit the transfers from an MMDA to a total of six during a monthly statement cycle and certain aggregation rules may apply to transfers from the MMDAs at BANA or BA-CA. At any point during a month in which transfers from the MMDAs at BANA or BA-CA have reached the applicable limit, funds will be transferred from all MMDAs you have at BANA or BA-CA to the related BTAs. For the remainder of the month, free credit balances in your WCMA Account will be deposited in your DDAs instead of the MMDAs as described above. At the beginning of each month, all funds in the DDAs (less \$1) will be transferred to the MMDAs. The limits on MMDA transfers will not limit the number of withdrawals you can make from funds on deposit at BANA or BA-CA through the Merrill Lynch Bank Deposit Program.

As required by federal regulations, BANA and BA-CA reserve the right to require seven days' prior notice before permitting a transfer out of the MMDAs. BANA and BA-CA have not exercised this right in the past.

The DDAs and MMDAs are not transferable.

Additional Disclosures – Merrill Lynch Business Deposit Program and Merrill Lynch Bank Deposit Program

1. INTEREST RATES AND YIELDS

Interest rates are determined by BANA and BA-CA in their sole discretion. Balances in BANA and BA-CA will earn the same interest rate and rate of return. Interest rates are variable and may change at any time after the account is opened, without notice or limit. Fees may reduce earnings. For rate information, call your financial advisor or visit MyMerrill.com (see the "Deposit Account & Money Fund Rates" link at the bottom of each page).

Interest rates are based on economic and business conditions, and interest rates will be tiered based upon your relationship with Merrill Lynch and Bank of America as determined by the value of assets in your account(s). (Clients enrolled in certain discretionary Investment Advisory Services will be entitled to the Tier 4 interest rate on Cash Balances swept to the Merrill Lynch Bank Deposit Program or Merrill Lynch Business Deposit Program.) Generally, deposits of clients in higher Asset Tiers (as defined in the BIA and WCMA Financial Service Account Agreement and Program Description) will receive higher interest rates than deposits of clients in lower Asset Tiers. For more information on Asset Tiering, please see Section 6(B) of the BIA and WCMA Financial Service Account Agreement and Program Description.

The rates of return paid with respect to the accounts may be higher or lower than the rates of return available to direct depositors of either BANA or BA-CA for comparable accounts or the rates of return payable on comparable arrangements offered to Merrill Lynch clients. You should compare the terms, rates of return, required minimum amounts, charges and other features of the deposits at either BANA or BA-CA with other accounts, Sweep Programs and alternative investments offered by Merrill Lynch or other institutions.

Recent yield information is included on your Merrill Lynch account statement. You can also access current interest rate information on MyMerrill.com (see the "Deposit Account & Money Fund Rates" link at the bottom of each page) or by contacting your financial advisor.

Interest will accrue on deposit balances from the day they are deposited to either BANA or BA-CA to (but not including) the date of withdrawal and will be compounded daily and credited monthly. Both BANA and BA-CA use the daily balance method to calculate interest on the accounts. This method applies the applicable rate to the principal in the accounts each day.

2. ACCOUNT STATEMENTS AND INFORMATION

All deposits to and withdrawals from BANA and BA-CA will be confirmed and appear in chronological sequence on monthly statements. In addition, the statements will show the total of

your opening and closing deposit balances for the period at BANA and/or BA-CA. To determine your total deposits in BANA and/or BA-CA through the Merrill Lynch Bank Deposit Program and/or the Merrill Lynch Business Deposit Program, you will need to add the balances shown on each statement. The statements will also include interest earned for the period at BANA and/or BA-CA.

You may obtain information about your accounts with either BANA and/or BA-CA, including balances and checking activity, by calling your financial advisor or 866.4ML.BUSINESS (866.465.2874).

3. YOUR RELATIONSHIP WITH MERRILL LYNCH

Merrill Lynch is acting as agent for its customers for the deposits at BANA and/or BA-CA. Merrill Lynch establishes omnibus accounts at BANA and BA-CA to hold the deposits on your behalf. No evidence of ownership, such as a passbook or certificate, will be issued to you.

Checks clear through the check writing facility provided for your BIA or WCMA Account, which results in debits directly against your account at Merrill Lynch. As central asset accounts, the BIA and WCMA Accounts are investment and money management vehicles. The Visa Card and checking features are intended to provide you with easy access to assets in your account. BIA and WCMA Accounts are not bank accounts. Checks are provided to you by Merrill Lynch and not by either BANA or BA-CA. In addition, all transactions are effected through Merrill Lynch, as agent, and not directly between you and either BANA or BA-CA.

Deposits with BANA are obligations of BANA only and are not guaranteed by or obligations of Bank of America Corporation or any other subsidiary thereof. Deposits with BA-CA are obligations of BA-CA only and are not guaranteed by or obligations of Bank of America Corporation or any other subsidiary thereof. Upon request, you will be provided with the publicly available summary financial information that Merrill Lynch has relating to BANA and BA-CA. Merrill Lynch is not a bank. Securities made available through Merrill Lynch are not guaranteed by any bank, are not insured by the FDIC, and may lose value.

Merrill Lynch may, in its sole discretion and without notice, terminate your use of the BIA or WCMA Account. Either BANA or BA-CA may also terminate, in its sole discretion and without notice, your MMDAs or DDAs. If Merrill Lynch does not wish to continue to act as your agent with respect to your MMDAs and/or DDAs, you may deal directly with either BANA or BA-CA, subject to its rules with respect to maintaining direct bank accounts. Similarly, if you decide that you no longer wish to have Merrill Lynch act as your agent and messenger with respect to the MMDAs and/or DDAs established for you at either BANA or BA-CA, you may establish a direct relationship with either BANA or BA-CA, subject to its rules with respect to maintaining such accounts, by requesting to have the accounts established in your name. This will result in severance of the MMDA and/or DDA from your account.

As stated in the BIA and WCMA Financial Service Account Agreement and Program Description, Merrill Lynch may delay payment from your account for a certain number of days based upon factors including whether the source of the funds placed in your account was an electronic funds transfer, check, draft or similar instrument.

4. BENEFITS TO MERRILL LYNCH

Deposits held at BANA and BA-CA are financially beneficial to Merrill Lynch and its affiliates. For example, BANA and BA-CA use bank deposits to fund current and new lending, investment and other business activities. Like other depository institutions, the profitability of BANA and BA-CA is determined in large part by the difference between the interest paid and other costs incurred by them on bank deposits, and the interest or other income earned on their loans, investments and other assets. The deposits provide a stable source of funding for BANA and BA-CA, and borrowing costs incurred to fund the business activities of BANA and BA-CA have been reduced by the use of deposits from Merrill Lynch clients.

Merrill Lynch receives compensation from BANA and BA-CA of up to \$100 per year for each WCMA or BIA Account that has uninvested Cash Balances automatically swept to BANA and/or BA-CA under the Merrill Lynch Bank Deposit Program or Merrill Lynch Business Deposit Program. The amount of this compensation is subject to change from time to time, and Merrill Lynch may waive all or part of it. Other than the regular annual Merrill Lynch account fees, there will be no charge, fee or commission imposed with respect to your deposits with either BANA or BA-CA. Our financial advisors are compensated based on their clients' total deposits held in either BANA or BA-CA.

5. ABOUT DEPOSIT INSURANCE

(A) FDIC INSURANCE

FDIC insurance covers all deposit accounts at an FDIC insured bank, which includes Merrill Lynch Bank Deposit Program and Merrill Lynch Business Deposit Program deposits. Deposits maintained in different categories of legal ownership — such as individual accounts, joint accounts, business accounts or certain retirement accounts — are separately insured by the FDIC, up to the applicable SMDIA per depository institution. The SMDIA is \$250,000 per depositor, per ownership category, per bank.

Your FDIC protection takes effect as soon as BANA and/or BA-CA receives your deposits from Merrill Lynch. Under the Merrill Lynch Bank Deposit Program or Merrill Lynch Business Deposit Program, amounts in excess of the SMDIA may be deposited into BANA and/or BA-CA. For purposes of determining FDIC deposit insurance coverage, deposits (including CDs) you maintain at the same bank in the same legal ownership category, either directly or through any other account at Merrill Lynch or any other intermediary, will be aggregated.

You are responsible for monitoring the total amount of your deposits in order for you to determine the extent of insurance coverage available to you on your deposits, including any CDs. Merrill Lynch is not responsible for any insured or uninsured portion of Merrill Lynch Bank Deposit Program and/or Merrill Lynch Business Deposit Program deposits, CDs or any other deposits.

Merrill Lynch will not be obligated to you for amounts not covered by deposit insurance nor will Merrill Lynch be obligated to make any payments to you in satisfaction of a loss you might incur as a result of a delay in insurance payouts applicable to your MMDAs and/or DDAs. Merrill Lynch will not be obligated to credit your BIA or WCMA Account with funds in advance of their payment to Merrill Lynch by the FDIC. Each MMDA or DDA constitutes a direct obligation of the issuing depository institution and is not directly or indirectly an obligation of Merrill Lynch.

Since deposit insurance coverage is based on a customer's funds on deposit in any one depository institution, coverage can change if two or more institutions where you have funds on deposit merge or consolidate. Please note that if your deposits at a depository institution are assumed by another depository institution ("acquirer") pursuant to a merger or consolidation, such deposits will continue to be separately insured from the deposits that you might have established with the acquirer until the expiration of a six-month period from the date of the acquisition. Thereafter, any assumed deposits will be aggregated with your existing deposits with the acquirer held in the same ownership category for purposes of FDIC coverage. Any deposit opened at the acquired institution after the acquisition will be aggregated with deposits established with the acquirer for purposes of FDIC coverage.

(B) IMPORTANT DEPOSIT INSURANCE CONSIDERATIONS

Funds on deposit in the same form of legal ownership at BANA and BA-CA are eligible for insurance by the FDIC, up to the SMDIA (including principal and accrued interest). For purposes of determining deposit insurance coverage, all accounts or deposits (including CDs you hold either directly or through any other account at Merrill Lynch or any other intermediary in the same bank) will be aggregated. Amounts on deposit at BANA or BA-CA in the same insurable capacity (including CDs and other deposits you may have) in excess of the applicable FDIC insurance limit will not be covered by FDIC insurance.

If you have other BIA or WCMA Accounts (same depositor, same ownership category) that sweep funds to BANA and BA-CA, you should note that remittances of funds from these accounts are made by Merrill Lynch, as your agent, on an automated and independent basis. Merrill Lynch will not monitor and adjust deposits with BANA and BA-CA to achieve the greatest deposit insurance coverage for you between or among your BIA and/or WCMA Accounts. Customers with more than one BIA and/or WCMA Account that sweeps available Cash Balances to BANA and BA-CA should consider various alternatives to lessen the amount of their uninsured deposit balances. These alternatives may include selecting a different Money Account into which available Cash Balances for their second (or additional) accounts are swept, if available, and carefully monitoring and periodically adjusting the amount of their deposit balance with BANA and BA-CA.

(C) PAYMENTS UNDER ADVERSE CIRCUMSTANCES

In the event that FDIC insurance payments become necessary, the FDIC is required to pay principal plus unpaid and accrued interest to the date of the closing of the relevant depository institution as prescribed by law and applicable regulations. Since there is no specific time period during which the FDIC must make available such insurance payments, you should be prepared for the possibility of an indeterminate delay in obtaining insurance payments. In addition, you may be required to provide certain documentation to the FDIC and to Merrill Lynch before any insurance payments are released to you.

(D) ADDITIONAL INFORMATION FROM THE FDIC

If you have questions about FDIC insurance coverage, you may obtain information by contacting the FDIC, by letter, FDIC, Attn: Deposit Insurance Outreach, 550 17th Street, N.W., Washington, D.C. 20429; by phone, 877.ASK.FDIC (877.275.3342) or 800.925.4618 (hearing impaired); or by visiting the FDIC website at fdic.gov.

Margin Truth-In-Lending Disclosure Statement

1. RATES

- (A) If the Customer has elected the Margin Lending Program, the Customer may obtain loans through its Securities Account based on the value of eligible securities for the purpose of buying, trading or carrying securities or for a nonsecurities purpose. Interest rates for margin loans are variable and depend in part on the amount owed to Merrill Lynch.
- (B) The Merrill Lynch "Base Lending Rate" will be used for determining interest rates to be charged on credit extended to the Customer. The Base Lending Rate, which will be adjusted from time to time, is set by Merrill Lynch with reference to commercially recognized interest rates. The rates at which interest is charged are based on a sliding scale of percentages added to the current Base Lending Rate. Refer to the chart below for Merrill Lynch's current percentages added to its Base Lending Rate.

TABLE 4.

Average Daily Debt Balances	Schedule of Percentages Added to the Base Lending Rate
\$0 to \$24,999	3.375%
\$25,000 to \$99,999	2.250%
\$100,000 to \$499,999	0.875%
\$500,000 to \$999,999	0.625%
\$1,000,000 to \$4,999,999	0.000%
\$5,000,000 to \$9,999,999	-0.500%
\$10,000,000 and above	-0.750%

As of March 4, 2013.

- (C) The Monthly Statement will indicate the specific interest rate, the average daily debit balance of the account, the number of days during which a debit balance was outstanding in the Securities Account and the actual interest charge made for the charge period. For each charge period in which there is a change in the Base Lending Rate, the statement of account will separately itemize that information with respect to each rate of interest that was applied to the account during the charge period. The foregoing rates may be varied in individual situations, as warranted, at Merrill Lynch's discretion.

2. ADJUSTMENT OF RATE WITHOUT PRIOR NOTICE

- (A) The interest rate applicable to Margin Lending Program loans are subject to change without prior notice in accordance with changes in the Base Lending Rate. If there is a change in the Base Lending Rate during the charge period, the rate of interest applied will automatically be increased or decreased accordingly for the remainder of the charge period or until another change in the Base Lending Rate occurs. If the method of calculating the rate is to be changed for any other reason, the Customer will receive at least 30 days' written notice prior to such change.

3. CHARGE PERIOD

- (A) The period for which interest charges are made runs from the last Friday in each month up to and including the last Thursday of the following month. There are three variations to this: (1) if the last Friday of the month is a holiday, then the interest charge period will end one Business Day earlier; (2) in December, the interest charge period will end on the next-to-the-last Business Day of the year (and the interest charge period for January of the following year will begin on the last Business Day of the year); and (3) for accounts that receive calendar month-end statements, the interest charge period runs from the last Business Day of the calendar month up to and including the next-to-last Business Day of the following calendar month.
- (B) The interest charge period parallels the monthly statement period, except that interest for the final day of the statement period will be carried over and reflected on the next month's statement. The final day of the statement period is the last Friday of the month, except (1) if that Friday is a holiday, the final day of the statement period is the prior Business Day; (2) in December, when the final day of the statement period is the last Business Day of the year; and (3) for accounts that receive calendar month-end statements, the final day of the statement period is the last Business Day of the calendar month.
- (C) The average debit balance entry, which will appear on the Securities Account Statement, is calculated based upon the number of days on which there was a debit balance in the Securities Account and not on the total number of days in either the charge period or the statement period.

4. COMPUTATION OF CHARGES

- (A) At the close of each charge period during which credit was extended through the Margin Lending Program, an interest charge is computed by multiplying the average daily debit balance by the applicable schedule rate and by the number of days during which a debit balance was outstanding and then dividing by 360. If there has been a change in the Base Lending Rate, separate computations will be made with respect to each rate of charge for the appropriate number of days at each rate during the charge period. The interest charge for the charge period is due and payable at the close of the charge period. The exact amount due may be obtained from the Merrill Lynch office servicing the Customer's account. If the interest charge is not paid at the close of the charge period, it will be added to the opening debit balance for the next charge period. This Agreement with our Customers using the Margin Lending Program service is governed by the laws of the state of New York, where Merrill Lynch maintains its principal place of business.

5. SHORT SALES AND SHORT SALES AGAINST THE BOX

- (A) The market value of securities that are sold "short" by a Customer are adjusted daily for credit purposes by a process called "marking to the market." "Short sales against the box" are treated in exactly the same way as short sales. The market values of all securities sold short in the Securities Account, including securities sold short against the box, are treated as a debit for the purpose of calculating interest charges. In other words, the closing market value of the securities that were sold short against the box is determined each Business Day and, depending upon whether the market

value increased or decreased, the change in the market value is either added to the net debit balance or subtracted from the net credit balance in order to calculate interest charges. The market value of long securities in the Securities Account against which a short sale is made is not included in the computation of interest charges. If the total market value of the securities sold short increases, then the debit adjustment to the net balance will increase by the same amount for the calculation of interest charges. Conversely, if the total market value of the securities sold short decreases, then the debit adjustment to the net balance will also decrease by a like amount for the calculation of interest charges. These upward or downward adjustments of balances are for credit calculation purposes only. Except as noted in the following section, "Sales Not Long," in computing interest charges, Merrill Lynch offsets any credit balance in any of the Customer's securities accounts with Merrill Lynch standing in the same name.

6. SALES NOT LONG

- (A) Customers may have the occasion to sell securities that are owned, but have not yet been placed into the Securities Account. The securities must be delivered to Merrill Lynch by the settlement date of the transaction. Any credit resulting from the proceeds of such a sale will not be used as an offset in computing interest charges until the securities sold are actually received into the Securities Account in good deliverable form.

7. OPTIONS

- (A) Options can be traded in an account with the Margin Lending Program and can be used to hedge a leveraged position. Options cannot be purchased or sold on credit or borrowed against for purchases. No credit can be extended on options held. Writers of options, other than certain covered call writers and certain writers of cash-secured puts, must comply with the applicable initial equity and maintenance requirements that are set by Merrill Lynch, subject to minimum requirements imposed by the Federal Reserve Board and by securities and options exchanges and other self-regulatory organizations. These requirements vary depending on the underlying interest and the number of option contracts sold. Merrill Lynch, the Federal Reserve Board, the securities and options exchanges and other self-regulatory organizations may increase these requirements at any time. In addition, certain position limits and additional initial equity and maintenance requirements may be imposed from time to time by Merrill Lynch without prior notice. If these limits and requirements are not met, Merrill Lynch will close out sufficient option contracts to bring the account into compliance with them. Furthermore, options trading must be approved in advance by Merrill Lynch and additional documents are necessary. Options transactions involve certain risks and are not appropriate for every investor. Customers should consult their financial advisor for more specific information.

8. LIENS AND ADDITIONAL COLLATERAL

- (A) Securities and other property in any of your accounts with us, except for those held in retirement accounts, such as IRAs, are collateral for any debit balances in any of the Customer's accounts. A lien is created by these debits to secure the

amount owed to Merrill Lynch. Merrill Lynch retains the right to require additional collateral any time Merrill Lynch deems it necessary for its protection. These maintenance calls can be met by the prompt delivery of either additional acceptable securities or cash.

- (B)** In accordance with the terms of this Agreement, should the equity in the Customer's account(s) fall below minimum maintenance requirements for the Margin Lending Program, securities in the Customer's account(s) may be sold to reduce or satisfy the debit balance. At present, Merrill Lynch's minimum maintenance requirement for most stocks eligible for the Margin Lending Program is 30% of their current market value or \$3 per share, whichever is greater. Customers should consult their financial advisor for information about minimum requirements for other types of securities or transactions.

Securities-Based Loan Disclosure Statement

RISK FACTORS YOU SHOULD CONSIDER BEFORE USING MARGIN OR OTHER LOANS SECURED BY YOUR SECURITIES ACCOUNTS

OVERVIEW

Merrill Lynch is furnishing this Disclosure Statement to provide you with a summary of the risks involved in purchasing securities on margin or otherwise borrowing funds secured by assets in your securities account(s) — known as “securities-based credit.” You should understand those risks before using securities-based credit as part of your investment strategy or as a liquidity source. In addition, you should understand:

- The terms of your loan agreement;
- The interest rate you will pay;
- Initial margin and maintenance requirements and how market fluctuations may result in a “maintenance call”; and
- The lender's procedures for issuing maintenance calls and liquidating securities and other assets in your accounts.

Please carefully review your loan agreement and speak to your financial advisor regarding any questions or concerns before trading securities in a margin account or otherwise using leverage.

MARGIN

When you purchase securities, you may pay for the securities in full, or if your account has been established as a margin account with the Margin Lending Program, you may borrow part of the purchase price from Merrill Lynch, thereby “leveraging” your investment. If you choose to borrow funds for your purchase, Merrill Lynch's collateral for the loan will be the securities purchased, other assets in your margin account, and your assets in any other accounts at Merrill Lynch other than retirement accounts, such as IRAs. If the securities in your margin account decline in value, so does the value of the collateral supporting your loan, and, as a result, Merrill Lynch can take action, including issuing a margin call and/or selling securities in your accounts with Merrill Lynch to maintain the required equity in your account.

If your securities account has a Visa card and/or checks, you may also create a margin debit if your withdrawals (by Visa card, checks, pre-authorized debits, FTS or other transfers) exceed the sum of any available free credit balances plus available money account balances (such as bank deposit balances or Money Market Mutual Funds). Please refer to your account documents for more information.

You should note that it may be more advantageous to pay cash than to use margin for smaller securities purchases. On smaller purchases of securities, a higher percentage of the transaction costs goes to commissions and interest charges, which are generally higher on smaller balances. The commissions plus the interest charges could equal or exceed any appreciation in your securities.

BORROWING FOR PURPOSES OTHER THAN MARGIN

You may also borrow against the value of securities or other assets in your securities accounts for purposes other than to purchase securities. When you do so, the assets in your account are “pledged” as collateral to secure the loan. In such cases, your loan may be made by Merrill Lynch (in a margin account) or by an affiliated lender in a separate loan account with the lender. For example, the Loan Management Account® (LMA®) is a loan made by our affiliate, Bank of America, N.A., that is secured by a pledge of assets in your Merrill Lynch securities account.

The assets eligible for collateral for these types of loans differ from the assets eligible for margin loans. For example, investment grade CDs are eligible assets for non-margin loans but are not eligible for margin loans.

INTEREST RATES

Interest rates vary by loan program so be sure you understand how interest rates are determined. The interest rate charged on the loan will reduce your overall rate of return. Interest expense for taxable securities purchased on margin may be deductible up to net investment income. Merrill Lynch is not a tax advisor and you should consult your tax advisor regarding your particular situation.

Interest rates are usually based on an index plus or minus a percentage. The index may be an internal one, such as our Base Lending Rate for margin, or an external one, such as the one-month London Interbank Offered Rate (LIBOR). In either case, your interest rate can change without notice to you if the index changes. A fixed rate of interest may be available with certain loan programs.

Your interest rate may be based on your outstanding loan balance (as in our margin lending program) or on the total credit available (as in the Loan Management Account). As a result, your interest rate can change without notice to you in accord with changes to your loan balance or available credit.

Interest charges not paid at the close of the applicable interest period are typically added to your loan balance. You can elect to pay the interest charges plus any principal balance. Your interest charges will be shown on your account statements.

MAINTENANCE REQUIREMENTS

Your pledged assets must meet specified maintenance requirements. In other words, the assets must at all times maintain a certain minimum value. If the assets in your account decline

in value and fall below these maintenance requirements, the lender may require you to deposit additional collateral—known as a “margin call” or “maintenance call”—or take other action as permitted by the loan agreement. The lender is also permitted, for example, to sell assets in any of your pledged Merrill Lynch accounts to meet maintenance requirements.

The forced sale of your assets may negatively affect your ability to follow your investment strategy or achieve your investment objectives. Some or all of the assets may be sold at prices higher than what it initially cost you to acquire them. If that happens, you may suffer adverse tax consequences.

You can reduce the possibility of maintenance calls by carefully considering the volatility of the securities you pledge as collateral and the amount that you borrow. Risk-management strategies you should consider include:

- Borrowing less than the maximum allowable amount.
- Borrowing against a portfolio of less-volatile securities such as government treasuries, high-grade corporate bonds and blue-chip stocks.
- Pledging a diversified portfolio as collateral.
- Watching your portfolio carefully, especially when market conditions are fluctuating. By doing so, you will be aware of a potential decline in value before a maintenance call becomes necessary.

MARGIN RISK DISCLOSURE STATEMENT

In accordance with FINRA requirements, Merrill Lynch is furnishing this Margin Risk Disclosure Statement. It is important that you fully understand the risks involved in using securities-based credit. As used below, “we” and “us” refers to the lender extending the loan. The risks of using securities-based credit include the following:

- **You can lose more funds than you deposit in your margin account.** A decline in the value of securities that are purchased on margin may require you to provide additional funds to us to avoid the forced sale of those securities or other assets in your account(s).
- **We can force the sale of securities or other assets in your account(s).** If the equity in your account falls below the maintenance margin requirements or our higher “house” requirements, we can sell the assets in your accounts with Merrill Lynch to cover the margin deficiency. For margin loans, we can sell the assets in any of your accounts held by Merrill Lynch. For other securities-based loans, you should check your loan agreement. You also will be responsible for any remaining loan balance in the account after such a sale.
- **We can sell your securities or other assets without contacting you.** Investors sometimes mistakenly believe that they must be contacted for a maintenance call to be valid, and that securities or other assets in their accounts cannot be liquidated to meet the call unless they are contacted first. This is not the case. We will attempt to notify you of maintenance calls, but we are not required to do so. Even if we have contacted you and provided a specific date by which you can meet a maintenance call, we can still take necessary steps to protect our interests, including immediately selling the securities or other assets without notice to you.

- **You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a maintenance call.** Because the securities and other assets in your account(s) are collateral for the loan, we have the right to decide which assets to sell in order to protect our interests.
- **We can increase our “house” maintenance requirements at any time and are not required to provide you advance written notice.** These changes in our policy may take effect immediately and may result in the issuance of a maintenance call. Your failure to satisfy the call may cause us to liquidate or sell assets in your account(s).
- **You are not entitled to an extension of time on a maintenance call.** While an extension of time to meet maintenance requirements may be available to you under certain conditions, you do not have a right to the extension.

If you have any questions or concerns about margin and the Margin Lending Program, please contact your Merrill Lynch financial advisor.
